Brienne's Recent Campaign Activity

Canvassing nearly 2,000 doors across Assembly District 43 gets a car pretty dirty! Brienne was more than happy to support this car wash fundraiser by UW-Whitewater students who returned to campus in September.

LGBTQ+ Listening Session - hosted by Robin Fox and Kim Simes.

Kim and Robin led a discussion about issues affecting the LGBTQ+ community. [Senator Mark Spreitzer](#) joined as well. (Senator Spreitzer is not up for re-election this fall, but will be representing Whitewater in January 2025 due to redistricting.)

Wonderful canvassing event on Saturday, September 28 with UWW College Dems and Whitewater canvassers. Go team!

9/21 = Perfect day for a tailgate party with a Rivian electric truck...Go Warhawks! Thanks

We've planned a really fun, one-of-a-kind fundraiser that you're going to love. Does it involve costumes, themes, play money, competition, prizes and having college students tend to your every need? It sure does. **Follow the link above for details and registration.** This is a hot ticket, and when the themes are gone, they're gone. Gather your friends and book your table today!

Co-sponsored by UW-Whitewater College Democrats

**Friendly reminder
that every door you
knock in support of
Brienne also helps
elect Peter Barca,
Tammy Baldwin, and
Kamala Harris. ➡**
