

## Deploying Kingdom Governance

*“Let the redeemed of the Lord say so, . . .”* Ps. 107:2

(Voting is *“saying so”*!)

Introductory Deployment #0

As a nation, we have wandered way off the course set by our founding fathers over two centuries ago. One might well imagine what our founders, now among that Great Cloud of Witnesses, must be praying over our mishandling of their Great American Dream. It almost seems as if The Lord has heard their petition to send another to us as He did in the midst of our national division over slavery.

*“ . . . that this nation, under God, shall have a new birth of freedom—and that government of the people, by the people, for the people, shall not perish from the earth.”* —Abraham Lincoln

During Dream Trip 2019, at Trump Tower, one of Lance Wallnau’s guest speakers, John Graves, of Vision America, presented a very hard fact that shocked us into action. As many as 26,000,000 Registered Christians did not vote in the 2016 presidential election; and 13,000,000 Christians were not even registered to vote. We had never imagined

that 39,000,000 of our Christian friends and neighbors could have thrown away their right to vote.

We dare not hand over the wonders of American Freedom of Worship, Conscience, Speech, and Assembly, so dearly won by our God-fearing founding fathers, to be trampled underfoot by lost souls without wisdom and without the fear of God<sup>1</sup>.

We are now mingling our own earthly prayers to heaven with those from that Great Cloud of Witnesses already interceding before the Throne. Thanking our God for anointing our brothers and sisters in Christ with say-so-voting wisdom, we are believing God for the resurrection of the forgotten words of the founding fathers whose quill pens scratched out The Word of God with every stroke.

<sup>1</sup> Foreseen in the entire text of the Second Chapter of II Peter, among many others in Scripture.

We mean to re-introduce America to the beauty of our first love in the Declaration of Independence, The U. S. Constitution, The Bill of Rights, The Federalist Papers, and the prayers and petitions to God preserved in the Congressional Record and personal correspondences. Like our founders, we plan to do this through corporate prayer in every imaginable form, joining our voices from this camp below with those who have preceded us into the camp above. We will praise Him in *The Dance of the Two Camps*<sup>2</sup>. Our anthem is an Appeal to Heaven to restore this Republic.

The launch of our nine-month deployment begins on the First Day of February, 2020. We are not deploying. We are all being deployed by The Lord.

To *deploy* (from the French *deployer*) is “to spread out or arrange strategically”.<sup>3</sup>

Look for weekly dispatches from The War Room.

*In the beginning was the word.* John 1:1 It all starts by saying so. So, we will begin with the founding documents in response to the assault on our right to vote by the enemy. Let’s dance!
