

## Deploying Kingdom Governance

The Heartland Apostolic Prayer Network 2020 Initiative

“Let the redeemed of the Lord say so, . . .” Ps. 107:2

(Voting is “*saying so*”!)

Initial Deployment #1, The “Wall of Separation”

Just as it appeared that Thirty-nine Million of the Moral Majority had failed to “say so” by not exercising our right to vote, the enemy changed the rules. The far-left politicians were empowered to their treachery by our silence. We are only moral if we say so, and we are only the majority when we vote. The enemies of freedom have now begun to delegitimize the very act of voting as we slept. We know many Christian friends and family who withheld their vote from a risky, unknown, dark-horse because of timid fear and moral indignation. Benjamin Franklin said, “*Those who would give up essential liberty to purchase a little temporary safety deserve neither liberty nor safety.*”<sup>1</sup>

Radio and TV hosts, like Lance Wallnau and Rush Limbaugh, the watchmen on the walls of media, have recently been sounding the warning about this assault on our right to vote; and for good reason. In his closing remarks before the Impeachment jury of the United States Senate, on January 24, 2020, Congressman, Adam Schiff (D-Cal.) plainly implied that *We, The People*, are incapable of voting honestly or sensibly. He accused us of dishonesty and stupidity as he falsely accused the President of The United States of “misconduct” without presenting any witnesses, or proof of any crime by the president. Since *We, The People*, elected this “miscreant”, we must not be trusted to repeat that “error” in the impending election this fall, said Mr. Schiff. This is a new attack in an ancient war on our First Amendment rights; to campaign, to freely assemble, and to persuade our neighbors to stand against the tyranny of the mind; which evil tyranny besets us on every side, especially the left side.

This tyranny has cloaked itself in political correctness, and masquerades as kindness, safety, and security. But it runs roughshod over our hard-won liberty and mocks the sacrifice of our founding fathers and the blood shed by every patriot for over two and a half centuries. Our founders, the trail blazers, the pioneers, and the settlers, all voted with their blood, sweat, and tears. So how must it sadden them now in that great cloud of witnesses to find Thirty-nine Million of their descendants too busy with our entitlements to vote.

Dr. C. Peter Wagner once said, “. . . *the reports that I get from the Heartland Apostolic Prayer Network are the most tangible measurable results of high-level prayer and spiritual warfare that I have heard yet in my life.*”

HAPN arose to preserve this great Republic that it not perish from the earth. Our prayer network is grassroots, representing every state, multiple regions, and many tribes and nations under Heaven. Apostolic leaders from each group derive their support from the consent of our fellow worshipers, much as outlined in the Declaration of Independence. Likewise, we are endowed by our Creator with inalienable rights, thus emulating the Christian Founding Fathers of America. We are led of Heaven and seek inspiration, direction and strategy from God on how to coordinate each local battle against the enemies of freedom.

This deployment is one of those coordinated, Holy Spirit strategies. While the vital physical border walls are now resisted by the Left, the myth of a “wall of separation between church & state” was recently erected by mistake in 1947 *Everson vs. Board of Education*. The notion of a “wall between church & state” had not appeared in any court decisions or legislation for the 146 years after President Jefferson coined the term in his reply to the Danbury Connecticut Baptist Association’s letter of 1801. He intended that there would **NOT** be freedom **FROM** religion as presently misinterpreted by liberals, but rather **freedom OF religion** from any government persecution. The Federalists had favored a sort of State Church, or at least less “enthusiastic” worship than other sects like the Quakers, Baptists, and Methodists. The Federalists had persecuted the Baptists before

Jefferson defeated that party to become President. President Jefferson was merely reassuring the Baptists that their freedom OF religion was secure.

### **The Deployment #1**

We thank you, Father God, for preserving our freedom OF religion to worship You freely, and whenever possible enthusiastically.

One recent elegant new book that may help sort this out is **God, Government, Truth** by Shannon Johnston. [https://www.amazon.com/dp/0578515687/ref=rdr\\_ext\\_tmb](https://www.amazon.com/dp/0578515687/ref=rdr_ext_tmb)
