The so-called “Establishment” Clause in the First Amendment secures freedom OF religion not FROM it; Everyone knows that in the United States, Church and State are separate. The government can’t “establish” a religion. But what does that really mean? Please watch the brief 5-minute Prager U video below.

The Scriptures are Exodus 18:19-20 and Numbers 11:16-17 ( The 70 Elders)

Until the word of The Lord covers the earth like the waters cover the sea there will remain the present famine of Bible-ignorance that has crept in like a fog to blind the people.

Isaiah 11:9<sup>2</sup>

*They shall not hurt nor destroy in all my holy mountain: for the earth shall be full of the knowledge of the Lord, as the waters cover the sea.*

Our constitution was written, based on the sudden realization of our God-given rights, immediately after the First Great Awakening blew away the fog of Biblical ignorance from the land. But today that unbiblical fog of mob-rule, consensus in the face of The Truth, and popularity polls, have replaced the immutable truths secured in The Constitution and motivated by The Declaration of Independence. The idea of “packing the courts” is increasing the number of Justices with the goal of packing in more “liberal” justices who do not feel compelled to conserve the original intent of the founders.

Getting rid of the Electoral college is a deplorable, unwise lack of vision.

Proverb 29:18

*Where there is no vision, the people perish: but he that keepeth the law, happy is he.*

The electoral college Keeps our elections fair. Without it four states would elect our president, the flyover states would have no say. This would leave us

without a voice on who we choose to govern us. We would be nothing more than serfs At the mercy of a government that would refuse to hear our voice as Christian believers with conservative political thought, this would crush the Republic as we know it, it will no longer exist. This is why the college is so important and we must pray to keep it in place.

Chuck here are the scriptures, numbers 11:16-17 The seventy Elders

The US Government is representative, based on the Bible:

Deuteronomy 1:16 & 17

*And I [Moses] charged your judges at that time, saying, Hear the causes between your brethren, and judge **righteously** between every man and his brother, and the stranger that is with him.*

*Ye shall not respect persons in judgment; but **ye shall hear the small as well as the great**; ye shall not be afraid of the face of man; for the judgment is God's: and the cause that is too hard for you, bring it unto me, and I will hear it.*

Deuteronomy 16:18

*Judges and officers shalt thou make thee in all thy gates, which the Lord thy God giveth thee, throughout thy tribes: and they shall judge the people with just judgment.*

*Thou shalt not wrest judgment; thou shalt not respect persons, neither take a gift: for a gift doth blind the eyes of the wise, and pervert the words of the righteous.*

Our founders wisely understood that a pure form of democracy could naturally descend into mob rule and thence into anarchy as we have witnessed this past summer in rioting, luting, burning, assaults and killing; forewarned by both the Apostle Peter and The Lord's brother, Jude<sup>3</sup>.

---

<sup>3</sup> All 25 verses of that book; most notably Jude 1:10, "But these speak evil of those things which they know not: but what they know naturally, as brute beasts, in those things they **corrupt** themselves."

## II Peter 2:12

*But these, as natural brute beasts, made to be taken and destroyed, speak evil of the things that they understand not; and shall utterly perish in their own corruption;*

## The College of Electors

### Article II. Section 1.

*“Each State shall appoint, in such Manner as the Legislature thereof may direct, a Number of Electors, equal to the whole Number of Senators and Representatives to which the State may be entitled in the Congress: but no Senator or Representative, or Person holding an Office of Trust or Profit under the United States, shall be appointed an Elector.*

*The Electors shall meet in their respective States, and vote by Ballot for two Persons, of whom one at least shall not be an Inhabitant of the same State with themselves. And they shall make a List of all the Persons voted for, and of the Number of Votes for each; which List they shall sign and certify, and transmit sealed to the Seat of the Government of the United States, directed to the President of the Senate. The President of the Senate shall, in the Presence of the Senate and House of Representatives, open all the Certificates, and the Votes shall then be counted. The Person having the greatest Number of Votes shall be the President, . . .”*

Our God-fearing founders established moderating forces of responsible representatives at many levels. Representative were captains of industry, landholders, ministers, and others of means and education, who were most likely to have a working knowledge of the Scriptures at the time<sup>4</sup>. Out of this distinguished sector of society came those who would be appointed to the

Electoral College; not by popular vote of the masses but with their consent as prescribed by Moses.

**Deuteronomy 1:13-14**

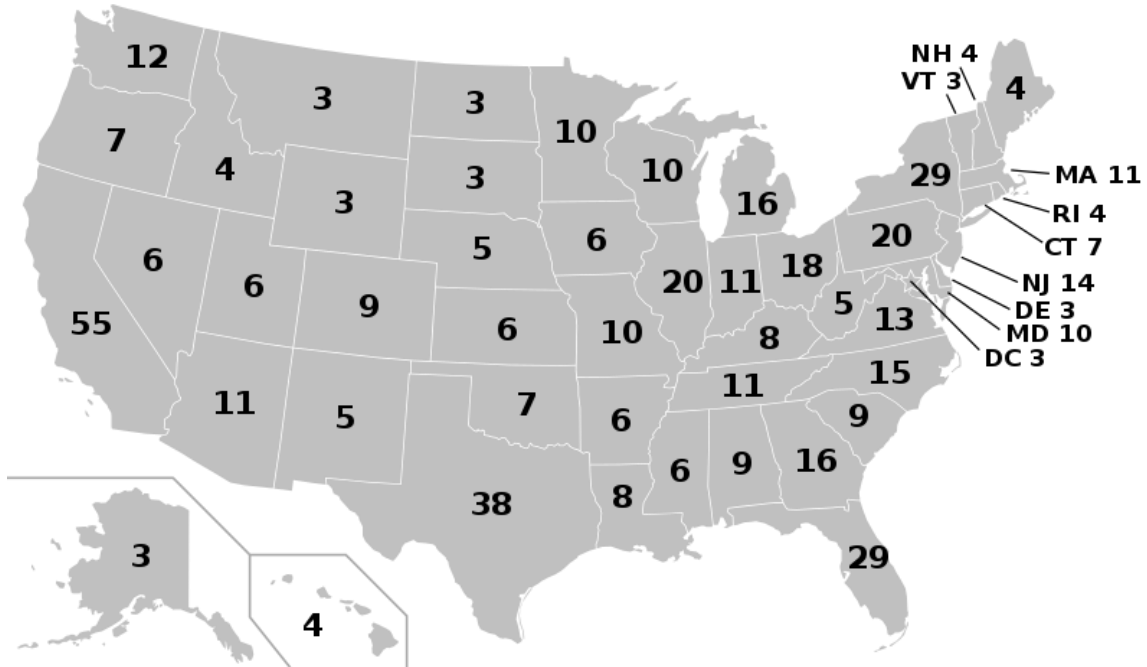

*Take you wise men, and understanding, and known among your tribes, and I will make them rulers over you. [Appointed by Moses]*

*And ye answered me, and said, The thing which thou hast spoken is good for us to do. [Consented-to by the people]*

Conservatives conserve the original intent of the Constitution, trusting in the wisdom and faith of our Founding Fathers who have since passed into that Great Cloud of Witnesses testifying before the Great Judge of the Universe right now.

We have been granted a stay of judgment for wandering off the course set for us by our God-fearing Founders only if we vote as appointed servants of King Jesus.

Now, our prayer of Deployment is to re-read this while listening to G. G. [Handel's Messiah, "All We Like Sheep Have Gone Astray"](#)
