Corollary: Human Cells Also Endowed with Unalienable Rights

From Dr. Chuck’s “Pretty Good Medical School”

Pan-Demic: July 4th 2020: Dam-Panic

“**Dam**” is Hebrew for “**blood**” & “**Pan**” is a Demon¹

Human Cells Are Also Endowed with Certain Unalienable Rights

“We hold these truths to be self-evident, that all men [as well as their constituent biological cells] are created equal, that they [and their physiologies] are endowed [in the God-written genetics of their DNA codes] by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness [to include healthy chemical balance or homeostasis² within and among the cells of the human body.] --That to secure these rights, Governments are instituted [by the expression of

² Claude Bernard, July 12, 1813 to February 10, 1878, was responsible for a major breakthrough in understanding the fundamental principles of organic life, one that is valid still today. It is his concept of “**homeostasis**”, or controlled stability of the internal milieu, or internal environment, of cells and tissues. *Milieu intérieur* is the key process with which Bernard is associated. This is the underlying principle of what would later be called **homeostasis**, a term coined by Walter Bradford Cannon.

their DNA³] among Men [and their respective cellular metabolisms], deriving their just powers from the consent of the governed,

The renowned 19th Century French Scientist, Claud Bernard, observed the following as he delved into the intricate physiological feedback loops of every living thing⁴:

“... in the living being, the tissues . . . are protected by a veritable internal environment which is constituted, in particular, by the fluids circulating in the body.”

His homeostasis, steady-state theory of *Milieu intérieur* in each cell, and each organ, and every organ system may also be found in the Bible.

For the life of the flesh is in the blood: and I have given it to you upon the altar to make an atonement {At-One-Ment or happy Milieu intérieur or homeostasis} for your souls: for it is the blood that maketh an atonement for the soul. -- Leviticus 17:11

--That whenever any Form of Government [Nucleic acid dysfunctional regulation by alien RNA or DNA genetic codes of Viruses, Bacteria, Fungi, Parasites, Cancers etc.] becomes destructive of these ends, it is the Right of the People [cells] to alter [Sabotage by inserting wrong nucleic acid or amino acid sequences or toxins into the illegal alien virus that has Shanghaied the native human cell to unlawfully commandeer reproduction of that alien organism] OR to abolish it, [kill it with the light-reinforced immunity police force.]

³ Psalm 139:16 “Thine eyes did see my substance, yet being imperfect; and in thy book all my members were written, which in continuance were fashioned, when as yet there was none of them.” is DNA.

and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes [such as the present Dam Panic]; and accordingly all experience hath shewn, that mankind are more disposed to suffer, while evils are sufferable, than to right themselves by abolishing the forms to which they are accustomed. But when a long train of [infestations, & infectious] abuses and usurpations [of the cellular functions and mitochondrial factories], pursuing invariably the same Object [the illicit reproduction of viruses to the great harm and death of the native human cells, releasing the innermost organelles from the victimized cell as so-called cytokine “storms”. The slaughter-released cytokines act as distress calls, like crash-locator beacons, luring even more immunity-police cells into the ambush; thus consuming all coagulation factors inducing even greater harm from unhindered hemorrhages into lung alveoli air cells, kidney, liver and other tissues. Not unlike the thefts, murders, rapes, and other unprosecuted crimes perpetrated in wonton riots.] evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security.”

Stop, already with the abrogation of the First Amendment. We are presently being coerced to fret over a respiratory infection with the mortality of a really bad cold! Free Speech is the heart and Freedom to Worship is the soul of this nation and we must never stop our heartbeat nor lose our soul; certainly not for foolish, worthless remedies like distancing or masking. This is not the Black Death that wiped out Europe from 1547 to 1555, and even they didn't cease prayer and worship.

Stop waiting for a cure. We have already been provided many natural cures, by nature's God, (most of which, of course, have not been approved by the FDA for the treatment of Coronavirus): Sunlight, heat/fevers, hot air or water to 104 degrees Fahrenheit, Hydroxychloroquine, Azithromycin, Coldeeze, Zicam, [HyssopHealth.com](https://www.hyssophealth.com)⁵, IV and Liposomal high dose Vitamin C, [Aerosol Budesonide](https://www.aerosolbudesonide.com)⁶, Flonase Nasal Spray and [PhotonX IV & Sublingual UV light](https://www.photonxholdings.com)⁷ therapy to name just a few. They all work better early and with each other.

Never in history nor in the course of infection control has the healthy, population been falsely imprisoned in quarantine; at least until now, with the recent foolish lockdowns and masking charades. Most people now infected by weakened, sabotaged viruses are actually vaccinators. "Random Mutation" is an evolutionary euphemism masking the Intelligent Design written into our genetic code on how to sabotage invading virus replication. Vaccinations, of any kind are not for the immunocompromised, the very elderly, or other unhealthy patients, but strengthen the healthy when they meet in public.

When the curve was “flattened”, the area beneath it remained the same. The total number of cases will not diminish, it will only get spread out over a longer period of time. Like the Curse of Adam, this Corona Virus outbreak is infinitely contagious and will ultimately sub-clinically infect the entire world. The present unscientific, antisocial-distancing has kept millions of people and their trillions of cells from producing the so called “herd-immunity” by natural resistance with each succeeding sabotaged generation of attenuated virus. The artificially manufactured vaccines, upon which our misguided health officials are still waiting, will not be as effective as the natural, God-designed, unalienable right to immunity in process by our cells right now. Antisocial distancing thwarts the merciful, natural, immunity endowed to our cells by our Creator.

Wearing rubber or latex gloves only smears around viruses and other germs. Hand washing is far more effective.

Most infections are spread from hand to mouth, not by coughing or sneezing, which may also happen, of course, but less often. Infected patients cough or sneeze onto their hands; then touch door handles, silverware, counters, steering wheels etc. Victims pick up the virus on their hands, which transfer the virus to their mouth, nose, eyes, etc. Washing hands and not touching your face is superior. Hand-to-mouth contamination is minimized thanks to the invention of silverware, which used to be crafted of germicidal silver.

Masked people cannot keep from constantly fiddling, fingering and adjusting their masks. This spreads germs from their hands to the portals of entry around the face. All masks have gaps, even the sacred N-95 masks. They gap around the nose and at the edges or make breathing difficult. No fiber-

mesh is completely impermeable to the very tiny virus particles. You might just as well put up a chain-linked fence to keep out the mosquitoes.

In 1979, Bob Dylan released the *Slow Train* Album which contained a prophetic set of lyrics for the present **Corona (CROWN) virus DAM PANIC** that kills with un-clotted **BLOOD** flooding the lungs, in the Song, *When He Returns*.⁸

*Surrender your CROWN on this BLOOD-stained ground,
TAKE OFF YOUR MASK
He sees your deeds, He knows your needs even before you ask
How long can you falsify and deny what is real?
How long can you hate yourself for the weakness you conceal?
Of every earthly plan that be known to man, He is unconcerned
He's got plans of His own to set up His throne
When He returns*
