English CHA CHA CHAT

Dance lessons...learning English...eating delicious cakes in breaks....learning more English...and more dancing and singing than the the town centre on New Years Eve. That was January 2025 at CIE.

It was an extremely busy first month at CIE Oxford as we welcomed our lovely Argentinian group. They always arrive with so much excitement and enthusiasm. Also, some delicious pastries added a sugar rush to help us through the middle of winter. Thanks to Flavia for always bringing us such lovely students and for them brightening our January.
