Russet Perry for Senate Continues to Build Momentum with Strong Q1 Performance

Russet Perry for Senate Ends Q1 With More Than Ten-To-One Cash on Hand Advantage Over Primary Opponent

LEESBURG, VA – Russet Perry, candidate for Virginia Senate District 31, continues to gain momentum, reporting over \$150,000 raised and over \$170,000 in the bank at the end of Q1.

“Russet Perry is a tireless public servant, and her vision of bringing working peoples’ voices to Richmond is one that resonates across the 31st District,” said **Jackie Wetzel, campaign manager for Russet Perry for Senate**. “That’s why hundreds of people have opened their wallets and contributed to her grassroots movement. Working families across the district are ready for a leader like Russet, who will put people before politics and results before rhetoric.”

Russet Perry is a proud product of two public school teachers running to represent the working families of Virginia’s 31st Senate District. While Russet is focused on building a grassroots movement, **her Republican opponent took nearly \$200,000 from a PAC funded almost entirely by his father’s company.**
