

## OTTENHEIMER, JOHNSON and BOCEK for BUFFALO GROVE TRUSTEE

As someone who is retiring from the Buffalo Grove Village Board, after serving for fourteen years as a Village Trustee, I have come to understand the responsibility and the experience necessary to guide the Village in the right direction. You need to be able to prioritize finances, infrastructure, taxes, listening to the residents and collaborating with staff and the other Trustees. Les Ottenheimer, Joanne Johnson and Denise Bocek have proven to me that they have what it takes to continue moving Buffalo Grove forward. I consider Paulette Greenberg to be a friend. Paulette and I have served together on the Farmers Market and Buffalo Grove Days Committees. She has definitely displayed leadership in her roles with those committees. Paulette helped me to be elected and re-elected. We are facing uncertain times ahead. Village Staff has been extremely resourceful in locating funds to pay for much of the infrastructure modernization program, but the Village cannot count on Federal and State funding to continue at the same levels. As the Daily Herald said in their endorsement of Ottenheimer, Johnson and Bocek, they are ..."swayed by that the experience and dedication of incumbents Bocek, Johnson and Ottenheimer." I am too and encourage you to vote for them.
