

JNS MINISTRIES

# My Giving Seed

Our ministry focuses on providing those less fortunate with new clothing and non-perishable goods such as new shoes or personal hygiene products. We also offer care and comfort by preparing a meal for a bereaving family or a holiday meal for those that are dealing with financial struggles.

## HOW CAN YOU HELP?

You can quickly and effectively donate for FREE by registering your Kroger Plus Card at Community Rewards! Kroger will match your purchases and donate the proceeds to JNS Ministries.

We have created a Walmart Registry for Good to donate non-perishable goods such as clothing and personal care. You can purchase and ship new and useful goods to those that need them most!

We continually accept McDonald's \$10 Gift Cards to give to the homeless. You can ship those to our home office at JNS Ministries 304 S. Ash St. Bethel, Ohio 45106.

## Be the Blessing!

We do not accept used clothing or food donations. We have found that buying something new for someone is a greater blessing and grows self-esteem.

If you or someone you know is in need of basic necessities please go to our contact page at <http://jnsministries.org> and reach out to our ministry.

We are sorry but we do not issue monetary gifts. Each need is individually assessed.

Online Donations Appreciated
