

*Jeff Coulter survived a near fatal crash on April 22, 2014. One week later Jeff nearly died from several pulmonary embolisms. The Chief Surgeon stated, "My staff and I don't know how you are still here!" The trauma surgeon stated, "Only 1 out of 20 survive what you went through."*

*God stated, "I am giving him another day!"*

*Through it all Jeff's wife Suzanne stood by his side praying for him and nursing him back to health. Her strength and courage as a loving wife and faithful servant of God enabled Jeff to start life anew. II Cor. 5:17*

## ABOUT JNS MINISTRIES

JNS Ministries is a 501(c)(3) Christian Non-Profit focusing on witnessing the gospel of Jesus Christ through writing Christian books, youth outreach and public speaking.

Jeff spent one month in intensive care as a result of a head on crash and, after suffering several pulmonary embolisms, Jeff nearly lost his life a second time. Jeff slipped away and his soul went to Hell. His near death experience was a culmination of a lifetime of bitterness and anger toward God which caused severe alcoholism and chronic depression. What he saw and felt while there changed his life forever...
