

RIDGEVIEW CHARTER MIDDLE SCHOOL CORPORATE PARTNERS PROGRAM

Why do we need Corporate Partners? The Ridgeview Charter Middle School Foundation is recognized as an IRS 501(c)(3) non-profit corporation formed to support the interaction and engagement of the diverse student population at Ridgeview Charter Middle School (RCMS) through the thriving athletic and music programs. RCMS is a Title 1 School where at least 40% of the students are under economic hardship.

RCMS Athletics The Foundation offers more opportunities for the students to engage in athletics by offering sports that the County does not AND by increasing the number of teams for that sport. The Foundation supports over 20 teams including 12 teams that would not exist without the Foundation’s financial assistance. The average cost per is \$175 per child.

RCMS Music The Foundation funds the band, chorus and orchestra programs. In 2023, 605 students were enrolled in one of the three music programs, which is 61% of the total student population vs. 35% at other Fulton County middle schools. The average cost is \$75 per child. Money raised by the Foundation ensures that there are the proper number of instruments available and that repairs can be made on those instruments, to name just a few items that are covered from your donations.
