Dear Oakville Trafalgar High School Council:

As you may be aware, Principal Cammisuli is on temporary leave. Vice-Principal Oliver will be in the role of Acting-Principal in the interim.

Mr. Oliver has advised that he has received a request from the Council Vice-Chair Scott Miller for a special School Advisory Council meeting on Friday, Jan. 13 starting at 7 p.m. to discuss an employee of the Halton District School Board. This is beyond the scope of the School Advisory Council's statutory authority. On behalf of Acting-Principal Oliver, I must deny the request.

School Advisory Council meetings for the 2022-2023 year were approved by the Council at the start of its term. The next meeting is scheduled for Feb. 16, 2023. Discussion of an individual employee of the Board or any other personnel matter will be ruled out of order.

The service of council members and your support of Oakville Trafalgar High School during this challenging year is greatly appreciated.

Sincerely,

Jacqueline Newton  
Superintendent of Education  
Halton District School Board
