- **51%** of adults in the US believe they are fully prepared for potential natural disasters
- **48%** of people assembled or updated emergency kit supplies
- **36%** signed up for alerts and warnings
- **50%** said taking steps to prepare would help during a disaster

Brainstorming Activity

What barriers are stopping individuals from preparing for an emergency?

Barriers to Preparing

- Denial
- Not my responsibility
- Too expensive to buy everything
- No space to store supplies
- Lack of time
- Fear
- Lack of information
- Don't know where to start

What is Emergency Preparedness?

**Knowing what
to do and
having the
things you need
to stay safe.**

1. Stay Informed
2. Have a Family Emergency Plan
3. Make an Emergency Kit
4. Get Involved

Step 1: Stay Informed

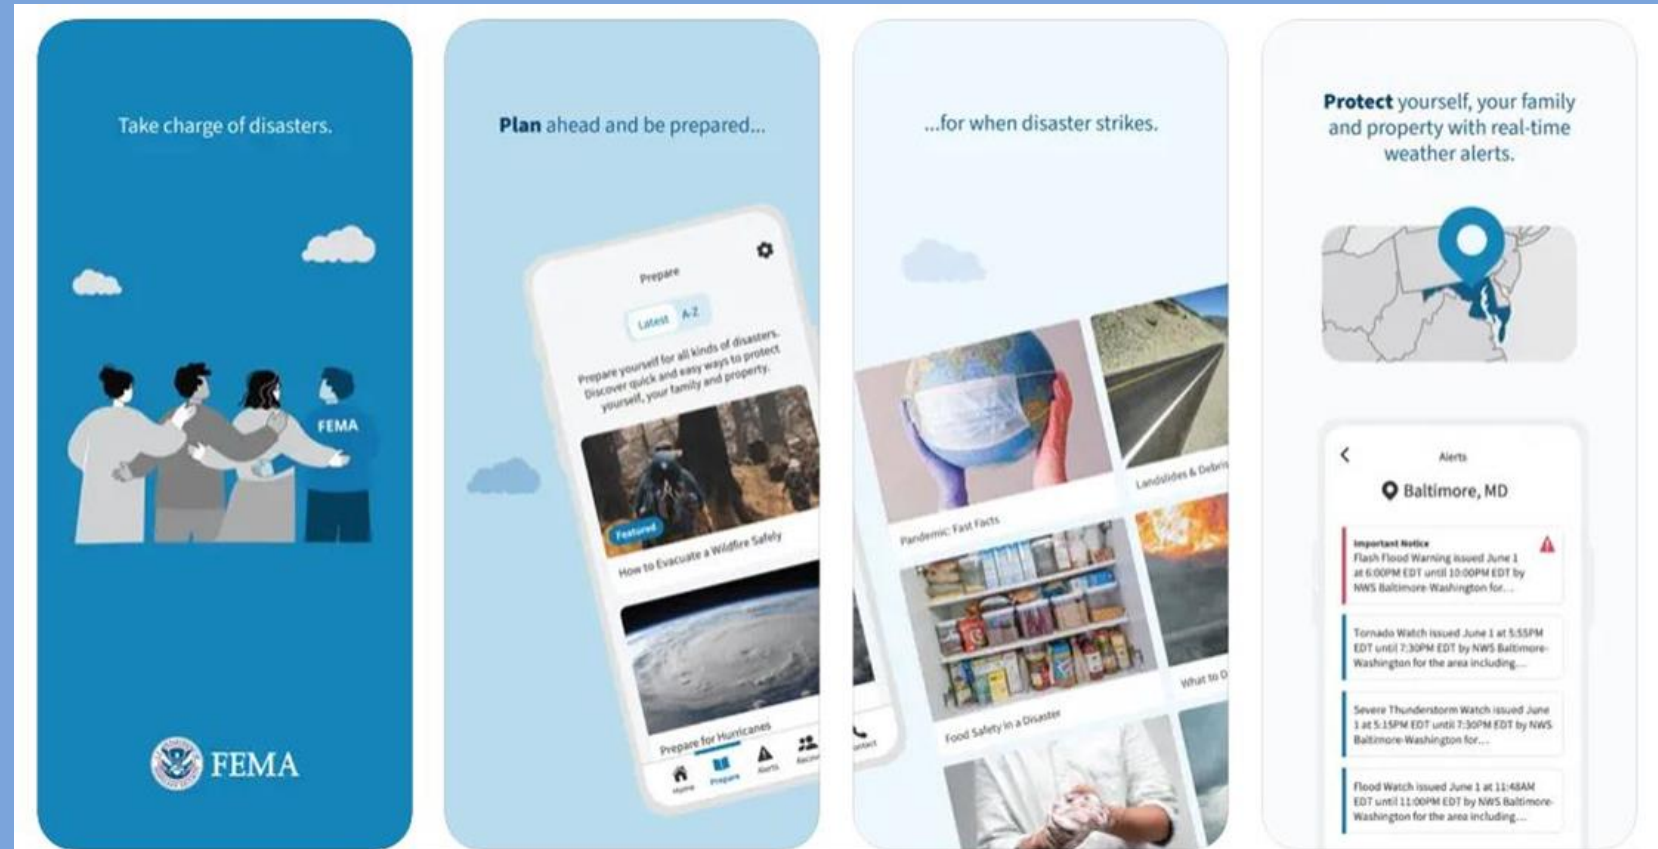

- Sign up for your local alert system
- Monitor the weather

FEMA Notification Application

- Free Mobile Application
- Ability to tie to multiple locations
- Pre-disaster & post-disaster guidance

Step 2: Have a Plan

- What happens if you're not home or can't get to your home?
- How many phone numbers do you have memorized?
- Who will take care of your pet?

Step 2: Have a Plan

Know who to call
Know where to go
Know what to do

FAMILY EMERGENCY PLAN

Make sure your family has a plan in case of an emergency. Before an emergency happens, sit down together and decide how you will get in contact with each other, where you will go and what you will do in an emergency. Keep a copy of this plan in your emergency supply kit or another safe place where you can access it in the event of a disaster.

Step 3: Make a Kit

Make changes with the seasons

1. What are some items unique to summer?
2. What are some items unique to winter?

Tips for Preparing on a Budget

Have your preparedness shopping list ready and watch for sales

Stockpile tap water

Use the water in your home water heater

Don't make French toast

Check the dollar store

Set a preparedness budget and purchase items slowly

Review Your Plan and Kit

Review

Every 6 months review your plans and supplies with everyone in your home.

**Replace expired food, water, and medicine.
Update your communication plan.**

Support Others

Encourage Others to Plan Ahead

Remember neighbors who need help.

Step 4: Get Involved

- Learn how to help in your community
 - Community Emergency Response Team (CERT)
 - You Are the Help Until Help Arrives
 - National Voluntary Organizations Active in Disasters (NVOAD)
 - First Aid/CPR
 - Free training online: FEMA's Emergency Management Institute
