DBHRT - Disaster Behavioral Health Response Team

Organization's Mission

In full support of the concept "all disasters are local," we attempt to create a bridge between local communities and state and federal resources needed to mitigate the psychological consequences of disasters, emergencies, and critical incidents.

How to get involved

Contact Skyler Conway (<u>skyler.f.conway@dhhs.nh.gov</u>), Cassie McNelly (<u>Cassie.L.Mcnelly@dhhs.nh.gov</u>), or check out the DBHRT page on the <u>DHHS website</u>

CAP - Civil Air Patrol

Organization's Mission

Supporting America's communities with emergency response, diverse aviation and ground services, youth development, and promotion of air, space and cyber power.

ARC- American Red Cross

Organization's Mission

Prevents and alleviates human suffering in the face of emergencies by mobilizing the power of volunteers and the generosity of donors. The Red Cross shelters, feeds and provides comfort to people affected by disasters; supplies about 40% of the nation's blood; teaches skills that save lives; distributes international humanitarian aid; and supports veterans, military members and their families.

MRC - Medical Reserve Corps

Organization's Mission

National network of volunteers, organized locally to improve the health and safety of their communities. The State of NH has 13 MRC units with over 860 registered volunteers. These volunteers are vital to the State's ability to fulfill emergency sheltering, community preparedness requirements and demands, and distribute emergency supplies and medications during an emergency (point of dispensing).
