

SOLVE & EVOLVE

1-DAY LEADERSHIP LAB

MEDTECH LEADERSHIP
DEVELOPMENT

MEDTECH-SPECIFIC UNIQUE APPROACH

**WE DEVELOP YOUR LEADERS BY TACKLING A
REAL PROBLEM IN YOUR BUSINESS**

YOUR PEOPLE LEARN CRITICAL SKILLS

YOUR BUSINESS GETS ACTIONABLE SOLUTIONS

BY CONFRONTING LIVE PROBLEMS, YOUR PEOPLE LEARN THE REAL-LIFE SKILLS THEY NEED.

THIS 1-DAY LEADERSHIP LAB GIVES THEM HANDS-ON PRACTICE WITH:

- Difficult problems that have no clear answer.
- The realities of financial management.
- Developing and evaluating solutions as a team.
- Testing options with pilots and low-stakes practice.
- Making decisions under pressure with imperfect information.

Progression Lab

HEATHER PATERSON

EX-JNJ SENIOR MEDTECH COMMERCIAL LEADER

With more than 15 years' experience in 4 countries, Heather has led teams across the breadth of commercial Medtech.

She has managed a variety of businesses, including loan kits, consumables, consignment, implants, and capital.

She has held multiple senior leadership roles and managed everything from cultural transformation, to acquisition integration, to patient-facing crisis.

Heather has the skills and experience to coach your team through a real-life challenge, while simultaneously mentoring with Medtech-specific knowledge.

SOLVE & EVOLVE

LEADERSHIP LAB

ACHIEVE TANGIBLE, ACTIONABLE OUTCOMES IN ONE
HIGHLY ENGAGING DAY.

Let's have a confidential discussion about the
problems that are keeping you up at night.
