NANA'S STORY

Nana's started as Goode's Mobile Kitchen in 2010 as one of the first food trucks in Washington, DC. Our food got such great buzz that many companies requested for us to be at their locations regularly which told us we should be in a location where our customers could always find us. In 2018, we rebranded ourselves and opened in Clinton, MD. It is our pleasure to provide deliciously slow hickory smoked barbeque as well as quick and healthy food options for our many patrons. Come by and enjoy the many tasty items we have to offer. See you soon!

OUR TEAM

We're led by a team with over 50 years of combined experience in culinary arts. Our employees are trained to provide exceptional customer service. We aim to keep our patrons' satisfaction our top priority. We know that great food takes great preparation. Nana's meets the highest standards of quality and freshness. Our dishes are created with a fusion of flavors that combine modern and traditional Southern American, Caribbean & Latin styles of cooking.
