

QUESTIONS FOR CONGRESSIONAL CANDIDATES

from Ohio Patriots Alliance

Dear Candidate for Congress,

At this moment in the history of our American Republic there are 6 vital questions that real American patriots demand answers to before they can vote for a candidate United States Congress.

1. **ELECTIONS.** Was the November 3, 2020 Election stolen? Will you overthrow this fraudulent regime by demanding full forensic audits in all 50 States, including Ohio, and see to it that all participants in the FRAUD are brought to justice? Have you watched Mike Lindell's Election Cyber Symposium August 10-12?
2. **Enemies.** Is there a Deep State conspiracy to overthrow America's Constitutional Republic? Who is part of it and how will you stop it?
3. **Constitution.** Will you pledge to obey the Constitution, and reduce the government to only those duties explicitly authorized by it? Do you recognize the right of the States to nullify all unconstitutional federal actions?
4. **Foreign Policy.** Will you support an America First foreign policy, end harmful free trade agreements, favor trade policies that will rebuild and protect vital American manufacturing industries, and get us out of sovereignty compromising entangling alliances such as the UN, the WTO, the IMF, etc.?
5. **Spending and Monetary Policy.** Will you pledge to reduce the size and cost of the federal government by approximately 80 percent by only approving expenditures for Constitutionally authorized powers? Will you vote to End The Fed (Federal Reserve System with a monopoly over our US currency) and restore sound money (gold and silver), and to thus terminate the ability of the federal government to create and borrow money limitlessly?
6. **Emergency Powers (Health Dictatorship).** Will you disavow and oppose all so-called emergency powers under the ongoing attempt to impose a health dictatorship upon Americans? Will you call for an investigation of the origins of the Wuhan virus, Dr. Fauci, the CDC, the NIH, and the coordinated plan to create a health panic and dictatorship? Will you vote to end all government involvement in vaccine research, production, promotion, distribution, and administration to individuals; and to outlaw all vaccine mandates, incentives, and passports?

Any candidates worthy of the support of American patriots ought to be willing and able to answer these 6 important questions quickly, easily, and forthrightly. I know I can, in 5 minutes or less. Please respond before Election Day. We will publish and circulate your responses to patriots throughout your District. Email us at joe@OhioPatriotsAlliance.com. Or you can post directly to our Facebook page. [Ohio Patriots Alliance | Facebook](#).
