Seamless Wall

Easy to Clean

One-Day Install[‡]

Lifetime Warranty[†]

[†]Tub-to-shower conversions and fiberglass replacements typically require a two-day installation. [‡]Lifetime warranty valid for as long as you own your home. *Offer ends 7/31/26. All offers apply to a complete Bath Fitter system only and must be presented and used at time of estimate. Minimum purchase required. Terms of promotional financing are 18 months of no interest from the date of installation and minimum deposit. Interest accrues from date of purchase but is waived if paid in full within 18 months. Monthly payments are required during the 18 months, and making only the required monthly payments will not pay off the amount financed. See representative for details. Qualified buyers only. May not be combined with other offers or applied to previous purchases. Valid only at select Bath Fitter locations. Offers and warranty subject to limitations. PROTECT YOUR INVESTMENT:

A Chimney Cleaning Can Detect Winter Damage & Potential Fire Risk

The National Fire Protection Association recommends that fireplace and woodstove chimneys be inspected and if need be, cleaned every year!

This time of the year is best for chimney maintenance because scheduling is easier in the off-season. Avoid trying to schedule in the fall which is crunch time. Scheduling now is the surest way to keep your home and your family safe.
