The committee of the OHA meets two or three times a year, to make the arrangements for the Luncheon and the Dinner, including the invitations to the Guest speaker for the Dinner. Committee meetings are held in the evening at the College, by kind permission of the Principal. They usually last for around a couple of hours and are always entertaining!

As well as the Committee meetings, the AGM is held in April, also at the College. Again an evening event, this also lasts for a couple of hours but features a finger buffet with wine afterwards!
