YEAH!

The Stephens Foundation (TSF) is a 501(c)(3) non-profit developed with family at its core. We are a Community United to Revitalize and Empower (CURE) and our mission is to improve civic engagement and reduce the impact of environmental injustices by connecting families to resources, creating original programs, and partnering with community-based organizations. We have four core focuses, health & wellness, special events & family affairs, community partnerships, and civic engagement/workforce development.

ABOUT YEAH!

Dr. Joycelyn Wormley created YEAH! to raise up young leaders who will make a lasting impact on society. As a former cheerleader, she discovered the power of using her voice to uplift and lead others. That same passion led her to earn a Doctorate in Social Work, where she became a fierce advocate for children and families. YEAH! is the vision of a young person who mastered the art of resiliency, courage, and tenacity, blended with the insight of a trained professional.

A LEADERSHIP PROGRAM FOSTERING A GROWTH MINDSET

OUR BELIEFS!

- Every young person has a voice. We believe youth should be empowered to express themselves with confidence and respect.
- Leadership is learned through action. True leadership develops by practicing responsibility, resilience, and service.
- Character shapes success. Traits like integrity, empathy, perseverance, and accountability are as important as academic skills.

YEAH! SERVICE SQUAD

The YEAH! Service Squad is a hands-on leadership program that teaches future leaders how to support community events with spirit, teamwork, and responsibility. Students gain real-world experience by actively participating in service opportunities that strengthen both their character and their community.

TANGIBLE SKILLS STUDENTS LEARN

- **Snack Bar Management** – handling setup, organization, sales, and clean-up.
- **Customer Service** – developing communication skills, problem-solving, and patience while serving community members.
- **Hospitality Training** – greeting guests, supporting event flow, and creating a welcoming environment.
- **Teamwork & Responsibility** – working with peers to complete tasks and learning accountability.
- **Event Support** – assisting with logistics, promotion, and leadership roles during community gatherings.

LEADERSHIP CAMPS

FOR SCHOOLS

FOLLOW YOUR VOICE WORKSHOP!

- Focus: Communication, self-expression, and active listening.
- Activity: Students engage in storytelling, sharing circles, and interactive prompts that encourage them to speak confidently while practicing empathy as listeners.
- Outcome: Students learn the value of their own voices while developing respect for the perspectives of others.

RESILIENCY GAMES (HANDS-ON ACTIVITIES)

- Focus: Problem-solving, teamwork, and resilience.
- Activity: Fun, hands-on group games such as Jenga block challenges, red cup stacking, and other resilience-based activities that require focus, collaboration, and perseverance.
- Outcome: Students experience challenges in real-time and reflect on how persistence, creativity, and teamwork lead to success.

VISION BOARDS

- Focus: Goal-setting, self-awareness, and positive future planning.
- Activity: Students create personalized vision boards with magazines, art supplies, and prompts that guide them to visualize their goals and dreams.
- Outcome: Students leave with a tangible reminder of their aspirations and the motivation to work toward them.

YEAH! CAREER DEVELOPMENT WORKSHOP

- Focus: To prepare students and young adults for future opportunities by connecting their strengths and interests to real career pathways, while equipping them with essential workforce readiness skills.
- Activity: Participants engage in interactive exercises to identify strengths and interests
- Outcome: Understand how their strengths connect to career options and gain tangible workforce skills (resume writing, interviewing, teamwork)

LEADERSHIP CAMPS

FOR SPORTS TEAMS

- Our Leadership Camps for Sports Groups are high-energy, interactive experiences designed to strengthen athletes on and off the field. These camps blend teamwork challenges, resilience-building activities, and goal-setting exercises to help young athletes grow as leaders and teammates.

1. Communicate with confidence
2. Build trust and teamwork with peers
3. Develop resilience and focus under pressure
4. Set personal and team goals for success
5. Just like sports, leadership requires discipline, collaboration, and vision. Our camps give athletes the tools to step into leadership roles, encourage teammates, and face challenges with confidence.

YEAH! offers fun, hands-on workshops for sports teams to grow confident cheerleaders and spirit leaders. We teach essential skills like leading chants, creating vibrant spirit signs, working the snack bar, and organizing crowd-energizing events. Our sessions build teamwork, creativity, and leadership—helping youth take pride in their role and boost team and school spirit. We empower spirit squads to shine on and off the field.
