OUR PROCESS

URBANATOMY CURRICULUM

Students will learn workforce development skills.

PICK A TRACK AND A FIELD

Students can choose an area of study to focus based on their strengths.

IMPLEMENT THE CURRICULUM

Students demonstrate their education through a hands-on project.

MINIMUM QUALIFICATIONS

- ☒ Must be 16 or older
- ☒ Be a current student

PROGRAM FRAMEWORK

-  Duration (Feb - Nov.)
-  Hybrid (Virtual & In-Person)
-  Weekly Commitment: 15 hours
-  Mentorship & Applied Internship

INTERN BENEFITS

FLEXIBLE WORKING HOURS

15-20 hours available for students, balanced for students and working professionals.

NETWORKING OPPORTUNITIES

Connect directly with civic leaders, educators, coaches, and business professionals across Sacramento.

RESUME BUILDING

Real world projects to build your portfolio and professional confidence.

- ✓ Earn the TSF CHASER Workforce Certification
- ✓ Earn the YEAH Leadership Certification
- ✓ Receive Community Engagement Hour Verification
- ✓ Complete a Professional Portfolio (résumé, references, and reflection)
- ✓ Gain hands-on experience through applied projects and partnerships

Our Urbanatomy Internship uses The Stephens Foundation CHASER model where we create meaningful employment that aligns with student skills, interests, and desire to make a positive impact.

ADVOCATE

We believe every valuable worker begins with advocacy — understanding your field, your community, and your purpose.

SCIENTIST

We believe once you know your field, you must study its systems — learning the “why” behind the work.

ENGINEER

We believe after mastering your craft, you begin to design solutions and refine the process.

COMMUNITY HEALTH:

The assessment of a physical environment's portrayal of identity, programs, and entertainment. A healthy community successfully connects people to resources and helps create identity.
