Jayasree Pillarisetti, MD, MSc, FACC, FHRS
Clinical Assistant Professor of Medicine
Cardiovascular Electrophysiologist
UT Health San Antonio

UT HEALTH SAN ANTONIO FACULTY

Auroa Badin, MD
Assistant Professor of Medicine
Cardiac Electrophysiologist

Sonja Brune, MSN, APRN, CCNS, CHFN, AACC
Acute - Critical Care Clinical Nurse Specialist
Heart Failure Program

Andrea J. Carpenter, MD, PhD
Professor, Thoracic Surgery
Program Director, Thoracic Surgery Residency

Mark G. Davies, MD, PhD
Professor and Chief
Division of Vascular/Endovascular Surgery

Ralph A. DeFronzo, MD
Professor of Medicine
Chief, Diabetes Division

Dawn Hui, MD
Associate Professor of Cardiothoracic Surgery

Justin R. Mascitelli, MD
Assistant Professor of Neurosurgery

Christopher Mitromaras, MD
Vascular Surgery

Jason Morrow, MD, PhD, FAAHPM
Assistant Professor of Medicine
Medical Director, Inpatient Palliative Care Consultation

Nicolas Musi, MD
Professor of Medicine

Manoj M. Panday, MD
Associate Professor of Medicine
Section Head, Cardiac Electrophysiology

Son Pham, MD
Clinical Assistant Professor of Medicine

W. Brian Reeves, MD, FACP
Professor, Chair of Medicine

Carolina Solis-Herrera, MD
Assistant Professor of Medicine, Diabetes Division

Kenneth Stone, MD
Assistant Professor of Medicine

Rajeev Suri, MD
Professor and Vice Chair, Radiology

INVITED GUEST FACULTY

Steven R. Bailey, MD, MScAI, FACC, FACP
Professor and Chairman, Department of Medicine
Malcolm Feist Chair of Interventional Cardiology
LSU Shreveport School of Medicine
Shreveport, Louisiana

L. Bindu Chebrolu, MD
Core Imaging Faculty, Cardiovascular Imaging Department of Cardiology
Houston Methodist Hospital
Houston, Texas

Peter S. Fail, MD, FACC, FSCAI
Director, Cardiac Catheterization Laboratories and Interventional Research
Cardiovascular Institute of the South
Houma, Louisiana

Gregg Gerasimon, MD, FACC, FHRS
Cardiac Electrophysiologist
Cardiology Fellowship Program Director
San Antonio Military Medical Center
San Antonio, Texas

Timothy D. Henry, MD, MScAI, FACC
Medical Director, The Carl and Edyth Lindner Center for Research and Education
The Christ Hospital Health Network
Cincinnati, Ohio

Chandra Kunavarapu, MD, FACC
Medical Director, Advanced Heart Failure and Cardiac Transplant Program
Adult ECMO Program, Methodist Hospital
Clinical Associate Professor, UTHSCSA
San Antonio, Texas

Michael D. Kwan, MD, FACC
Director, Advanced Heart Failure and Cardiac Transplant Program
Texas Transplant Physician Group - Advanced Heart Failure & Transplant
San Antonio, Texas

Kathleen Lusk, PharmD, BCPS
Associate Professor, University of the Incarnate Word Feik School of Pharmacy
San Antonio, Texas

Navin C. Nanda, MD, DSc, FACC, FAHA
Professor of Medicine
Director, Heart Station
University of Alabama
Birmingham, Alabama

Masahiro Ono, MD, PhD
Surgeal Director of Heart Transplant & MCS
Methodist Hospital
San Antonio, Texas

David G. Rizik, MD, FACC, MScAI
Chief Scientific Officer
Director of Structural and Coronary Interventions
HonarHealth Medical Center
Scottsdale, Arizona

Jasvindar Singh, MD, FACC
Associate Professor of Medicine
Director, Interventional Cardiology
Washington University School of Medicine
Medical Director, Cardiac Cath Lab
Barnes-Jewish Hospital
St. Louis, Missouri

George W. Vetrovec, MD, MScAI, FACC
Professor Emeritus, VCU Pauley Heart Center
Virginia Commonwealth University
Richmond, Virginia

Craig M. Walker, MD, FACC, FACP, FACA

OVERVIEW
Led by our renowned multidisciplinary Faculty, the 2019 Cardiology Pulse Symposium (Formerly, Cardiology Fiesta), will utilize an interactive format, focused on improving patient care to provide timely updates of scientific data, new technology and guidelines. Through topical debates, case-based presentations and interactive audience modalities, Cardiology Pulse will provide the attendee with updates on the rapidly evolving technology and cutting-edge therapy. By illustrating state-of-the-art evidence and best clinical practices as they apply to real world case patient scenario, attendees will gain the understanding of their role in providing care not only in their practice today but in the future as well.

By providing up-to-date topical reviews we will inform the attendee about how to achieve the best outcomes. This patient focused process will allow the attendee to weigh the risk versus benefits of therapeutic choices. The inclusion of precision medicine which will provide attendees with increasingly precise information about the molecular mechanism by which a person has developed cardiovascular diseases and facilitate focused approaches to optimize treatments to allow patients to deal with their personal disease. Taped cases will provide content focused presentations of how innovative procedures are performed along with the clinical decision process to decide between therapeutic options making clinical care choices. Cardiology Pulse will also offer focused sessions for Fellows and Nurses.

OBJECTIVES
Upon completion of this CME activity, participants should be able to:

- Review optimal treatment strategies for patients at risk of heart failure.
- Discuss the increasing role of percutaneous ventricular assist devices.
- Identify interventional techniques for treatment of atrial fibrillation and decreasing the risk of systemic embolization including medication and devices.
- Integrate the roles of transcatheater and surgical therapies in patients with complex valvar heart disease.
- Recognize the strategies for treating STEMI including improving return of spontaneous circulation.
- Describe treatment strategies for the management of complex peripheral vascular disease.
- Understand the current indications and outcomes of endovascular therapies of thoracic and abdominal aorta disease.
- Review the emerging indications for treating pulmonary embolism.

TARGET AUDIENCE
The 2019 Cardiology Pulse Symposium has been designed to meet the educational needs of:

- Interventional Cardiologists who wish to learn about new and emerging interventional techniques.
- Non-Invasive Cardiologists and Physicians who manage patients with complex cardiovascular conditions.
- Physicians, including OB-GYN, who focus on care for women with heart disease.
- Nurses, Nurse Practitioners, Intensive Care Nurses and Catheterization Laboratory Personnel who wish to learn more about patient evaluation and care.
- General Practice Physicians who wish to improve their care of patients with cardiovascular disease.
- Cardiothoracic Surgeons and Cardiac Anesthesiologists who routinely work with Cardiologists in managing complex patients.

INDUSTRY SUPPORT
In the past, Cardiology Pulse has been supported in part through exhibit fees and educational grants from medical device and pharmaceutical industries. A complete list of contributors and acknowledgement will be given to all attendees at the meeting.

CONTINUING MEDICAL EDUCATION
The UT Health San Antonio Long School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The Joe R. & Teresa Lozano Long School of Medicine designates this live activity for a maximum of 15.00 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Academy of Physician Assistants (AAPA), American Academy of Nurse Practitioners (AANP) and the American Nurses Credentialing Center (ANCC) accepts certificates of attendance for educational activities certified for AMA PRA Category 1 Credit™ from organizations accredited by the ACCME.

Healthcare professionals receiving a certificate of attendance should consult with their licensing board for information on applicability and acceptance.

ABIM MOC II RECOGNITION
Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 15.00 MOC points in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

NURSING ACCREDITATION
Nursing credits apply to the Nursing Symposium on August 17th ONLY.

This activity has been submitted to the Texas Nurses Association for approval to award contact hours. The Texas Nurses Association is accredited as an approver of continuing nursing education by the American Nurses Credentialing Center’s Commission on Accreditation.

REGISTRATION INFORMATION
The registration fee for this CME activity is $400.00 for physicians who are members of SCAI. The fee for physicians who are non-members of SCAI is $475.00. A reduced registration fee of $250.00 is available for Residents, Nurses, Technicians, Physician Assistants, Health Care Professionals, and Full-Time Students if application is accompanied by a statement from applicant’s Department Head regarding status. Registration fees are waived for Fellows-in-Training. The Full Symposium Registration Fee includes attendance at Friday, Saturday & Sunday sessions, access to online course materials, continental breakfasts, refreshment breaks, and lunches.

All registration fees will be discounted by 25% prior to August 1st.

To register, please complete and mail or fax the attached registration form, or visit our website at www.cardiology-pulse.com to register online. If you have any questions regarding the program, please call the symposium coordinator, Gaffney Events at (425) 844-9019.

ONLINE REGISTRATION
To register online, visit www.cardiology-pulse.com

CANCELLATIONS
A full refund will be given provided that written notification of your intent to cancel is received three weeks prior to the opening date of the program. A processing fee of $75.00 will be charged for all cancellations received after this date. The cost of the meal functions will also be deducted from the refund unless the cancellation is received 48 hours in advance of the program. Fees will not be refunded for no-shows.

In the unlikely event that the program is cancelled, The University of Texas Health Science Center is responsible only for full refund of the registration fee, and not for transportation or hotel accommodations.
### GENERAL SESSION AGENDA

**FRIDAY, AUGUST 16, 2019**

GENERAL SESSION AGENDA

SATURDAY, AUGUST 17, 2019

7:30 am
Registration / Continental Breakfast
La Cantera Ballroom I & II

7:45 am
Welcome and Introduction
Robert Chilton, DO

SESSION V | Complex Coronary Cases: Performance and Outcomes
Moderator: David G. Rizik, MD
Panelists: Timothy D. Henry, MD; Jasvindar Singh, MD

8:00 am
Complex Coronary Interventions: Drugs, Durability and Devices
Robert J. Chilton, DO

8:15 am
My Most Challenging Left Main Bifurcation Lesion
Jasvindar Singh, MD

8:30 am
Tips and Tricks for Trans-Radial Access in Complicated Anatomy
Speaker TBD

8:45 am
New DES Platforms: Contenders and Pretenders
David G. Rizik, MD

9:00 am
Applying the Concepts of Anatomy and Physiology in Complex PCI: When and How to Use These Tools?
Jasvindar Singh, MD

9:15 am
Role of Hemodynamic Support Devices for High-Risk Interventional Procedures and Shock
George W. Vetrovec, MD

9:30 am
STEMI Treatment: Culprit Only Versus Multivessel PCI
Timothy D. Henry, MD

9:45 am
BREAK / VISIT EXHIBITS

SESSION VI | Advances in Structural Heart Diseases
Moderator: Steven R. Bailey, MD
Panelists: Andrew J. Carpenter, MD, PhD; Peter S. Fail, MD

10:00 am
Low Risk TAVR Trials: What Does it Mean?
Speaker TBD

10:15 am
How Do I Approach Complex TAVR: Low Gradient or Bicuspid Valves?
S. Hinan Ahmed, MD

10:30 am
Bioprosthetic Valve Fracture: Before, After or Not at All?
Steven R. Bailey, MD

10:45 am
MitraClip Therapy: Applying the Lessons of COAPT in Your Practice
Peter S. Fail, MD

11:00 am
My Most Complex Transcatheter Edge-to-Edge MitraClip Repair: Tips and Tricks
Speaker TBD

11:15 am
Evolving Treatment of Structural Heart Disease: The Surgeon’s Perspective
Dawn Hui, MD

11:30 am
Top 10 Late Breakers of the Past Year
David G. Rizik, MD

11:45 am
ASD/PFO Closure: Who, When and How to Treat?
Steven R. Bailey, MD

12:00 pm
WORKING LUNCH BREAKOUT SESSIONS
Select One Session to Attend

SESSION VII | Update on Peripheral Vascular Disease
Moderator: Craig M. Walker, MD
Panelists: Christopher Mitromaras, MD; Rajeev Suri, MD

1:00 pm
Cardiorenal Syndrome: The Nephrologist’s Perspective
W. Brian Reeves, MD

1:15 pm
AKI: A Major Risk Predictor in Coronary, Peripheral, and TAVR Procedures
Christopher Mitromaras, MD

1:30 pm
Cerebral Protection for TAVR: Pro vs. Con
David G. Rizik, MD

1:45 pm
Use of Paclitaxel Devices in PAD: Do We Know the Answer?
Craig M. Walker, MD

2:00 pm
Critical Limb Ischemia: Tools and Techniques for Managing Multilevel CTOs
S. Hinan Ahmed, MD

2:15 pm
Acute Stroke Interventions: How to Manage Large Vessel Occlusion?
Justin R. Mascitelli, MD

2:30 pm
Endovascular Therapy for Venous Disease: Case of Benefit from Early Therapy
Mark G. Davies, MD, PhD

2:45 pm
Pulmonary Emboli: To Lyse or Not?
Rajeev Suri, MD

3:00 pm
Concluding Remarks and Future Directions
S. Hinan Ahmed, MD and Robert J. Chilton, DO

LOCATION

La Cantera Resort & Spa
San Antonio, Texas

16641 La Cantera Pkwy, San Antonio, TX 78256
Reservations: 855-499-2960
Main: 210-558-6500
Fax: 210-558-2405

HOTEL ACCOMMODATIONS

A block of rooms has been reserved at the La CANTERA RESORT & SPA for attendees of the 2019 Cardiology Pulse Symposium at a special reduced rate of $199.00 single or double occupancy per night plus tax. To receive the discounted room rate, reservations must be booked and confirmed by Friday, July 12, 2019. After that date, reservations will be subject to space and rate availability.

NOTE: This special reduced conference rate will be honored 2 days prior to and after the event date, based upon availability.

Contact the Reservations Department directly at (855) 499-2960 to request accommodations. When making reservations, please be sure to mention that you will be attending the University of Texas Health Science Center Cardiology Pulse 2019 Conference.
NURSE SYMPOSIUM

Director
Cynthia Saunders, MSN, RN, AG-ACNP-BC, AG-ACCCNS-BC, ACHPN
Acute Care Cardiology / Interventional Cardiology Service
UT Health San Antonio, San Antonio, Texas

Course Description
The goal of the 2019 Cardiology Pulse Nursing Symposium is to build skill sets that will foster and improve interdisciplinary management of high risk cardiovascular populations as they transition across health care settings. Participants will be exposed to a foundation they can utilize to successfully treat and evaluate at-risk populations, exploring health promotion strategies applicable in the real world.

LOCATION
Please note, the Nurse Symposium will be held at University Hospital located at 4502 Medical Drive, NOT at the La Cantera Resort.

Thursday, August 15, 2019
INNOVATIONS OF CARDIOVASCULAR CARE
7:00 am
Registration / Breakfast
University Hospital
Cypress Room, 1st Floor

7:30 am
Welcome and Introduction
Cynthia Saunders, MSN, RN, AG-ACNP-BC, AG-ACCCNS-BC, ACHPN

7:45 am
Selecting the Optimal Noninvasive Cardiac Diagnostic Study
Lisa Bass, MSN, RN, CVRN

8:15 am
Principles of Hemodynamic Monitoring – What are we Actually Seeing?
Alan Gonzales, MSN

9:00 am
ECMO Extracorporeal Membrane Oxygenation: Uses in CCU
Henrietta Gilmer, RN

9:40 am BREAK

9:55 am
Update on Cardiovascular Medication Management
Kathleen Lusk, PhD

11:00 am
Valvular Heart Disease: Symptoms, Causes and Interventional Procedures
Catherine Shah, RN

WORKING LUNCH SESSION
Pick-up lunch and return to the session
12:00 pm
Palliative Medicine in Cardiac Care: What Does Research Show
Cynthia Saunders, MSN, RN, AG-ACNP-BC, AG-ACCCNS-BC, ACHPN

1:45 pm
Pulmonary Hypertension: Approaches to Care and Optimizing Outcomes
Monica Esquivel, ACNP

2:30 pm
Atrial Fibrillation and Management Updates
Jose Villa, DNP

3:15 pm BREAK

3:30 pm
Acute Coronary Syndrome
Jason Phillips, MD

4:15 pm
Heart Failure: Improving Outcomes
Sonja Brune, MSN, APRN, CCNS, CHFN, AACC

5:15 pm
Closing Remarks and Evaluations
Cynthia Saunders, MSN, RN, AG-ACNP-BC, AG-ACCCNS-BC, ACHPN

REGISTRATION FORM

To register for Cardiology Pulse 2019, please fill out this form completely and mail or fax to:
Gaffney Events
Cardiology Pulse 2019
2732 NE 143rd Place
Duvall, WA 98019
Phone: (425) 844-9019
Fax: (425) 788-0668

Fax registration form ONLY if payment is made by credit card. Registration will NOT be accepted by phone.
