

**A DRIVING PASSION
TO FEED THE WORLD**

Harvest of Hope

A red tractor with a long red spray boom is shown from a side profile, moving across a lush green field. The tractor is spraying a fine mist of white liquid onto the crops. The scene is set against a dramatic sunset sky with warm orange and yellow hues. The field is filled with dense green plants, likely corn or soybeans. The overall composition is a horizontal landscape.

PARTNER

WITH CONVOY OF HOPE

We have the ability to pick up varying sizes of loads — from multiple pallets to several tractor-trailers' worth of product — anywhere in the U.S. and some parts of Canada.

We pick up donations in a timely fashion and handle all donations with the utmost integrity.

Convoy of Hope has a vast network of distribution partners who are committed to helping vulnerable children and families.

Our goal is to bring hope to people who need it most both in the U.S. and around the world. We work with extraordinarily generous partners to serve millions of people each year.

IMPACT STORY

<https://vimeo.com/convoyofhope/review/740529300/fd7d9e7ab5>

Convoy of Hope was founded in 1994 by Hal Donaldson. His inspiration for starting the organization can be traced back to the many people who helped his family after his father was killed by a drunk driver in 1969.

It is Convoy of Hope's privilege to work with churches, businesses, government agencies, and other nonprofits to provide help to the impoverished, hungry, and hurting. As a faith-based, international humanitarian-relief organization, Convoy's goal is to bring hope to those who need it most.

CHILDREN'S FEEDING

HOPE BEGINS WITH A MEAL

Convoy of Hope wants to see lives changed — free from poverty and hunger — through Children's Feeding. A nutritious meal opens doors to provide children and their families with education, clean water, job and agricultural training, and a sense of hope.

HOPE IN EVERY HARVEST

Food security transforms communities by lifting people out of dependence for their daily sustenance. Through Convoy of Hope's Agriculture program, vulnerable farmers and families are equipped with skills, tools, and seeds to produce life-sustaining crops. Thousands of meals are harvested each year, some of which are used to support Convoy's Children's Feeding program — simultaneously generating income for local farmers.

AGRICULTURE

WOMEN'S EMPOWERMENT

HOPE FOR EVERY WOMAN

When women are given the opportunity to generate income, it impacts their families and their country's economic standing. Convoy partners with women to develop sustainable resources that they can leverage to make more strategic, independent life choices.

DISASTER SERVICES

HOPE IN EVERY STORM®

Convoy of Hope's Disaster Services team is consistently among the first to respond to disasters at home and around the world. This team is highly regarded for its scalable response and distribution model, which utilizes several warehouses, a specialized disaster response fleet, and a well-trained team of staff and volunteers to respond to disasters quickly and effectively.

HOPE FOR EVERY COMMUNITY

At Community Events, Convoy provides free groceries, health services, haircuts, family portraits, job services, veterans services, a Kids Zone, a hot meal, new kids shoes, and much more to those who may not have the means to acquire these things themselves. These events strengthen communities by meeting the immediate needs of local families and creating opportunities for future collaboration between local entities.

COMMUNITY EVENTS

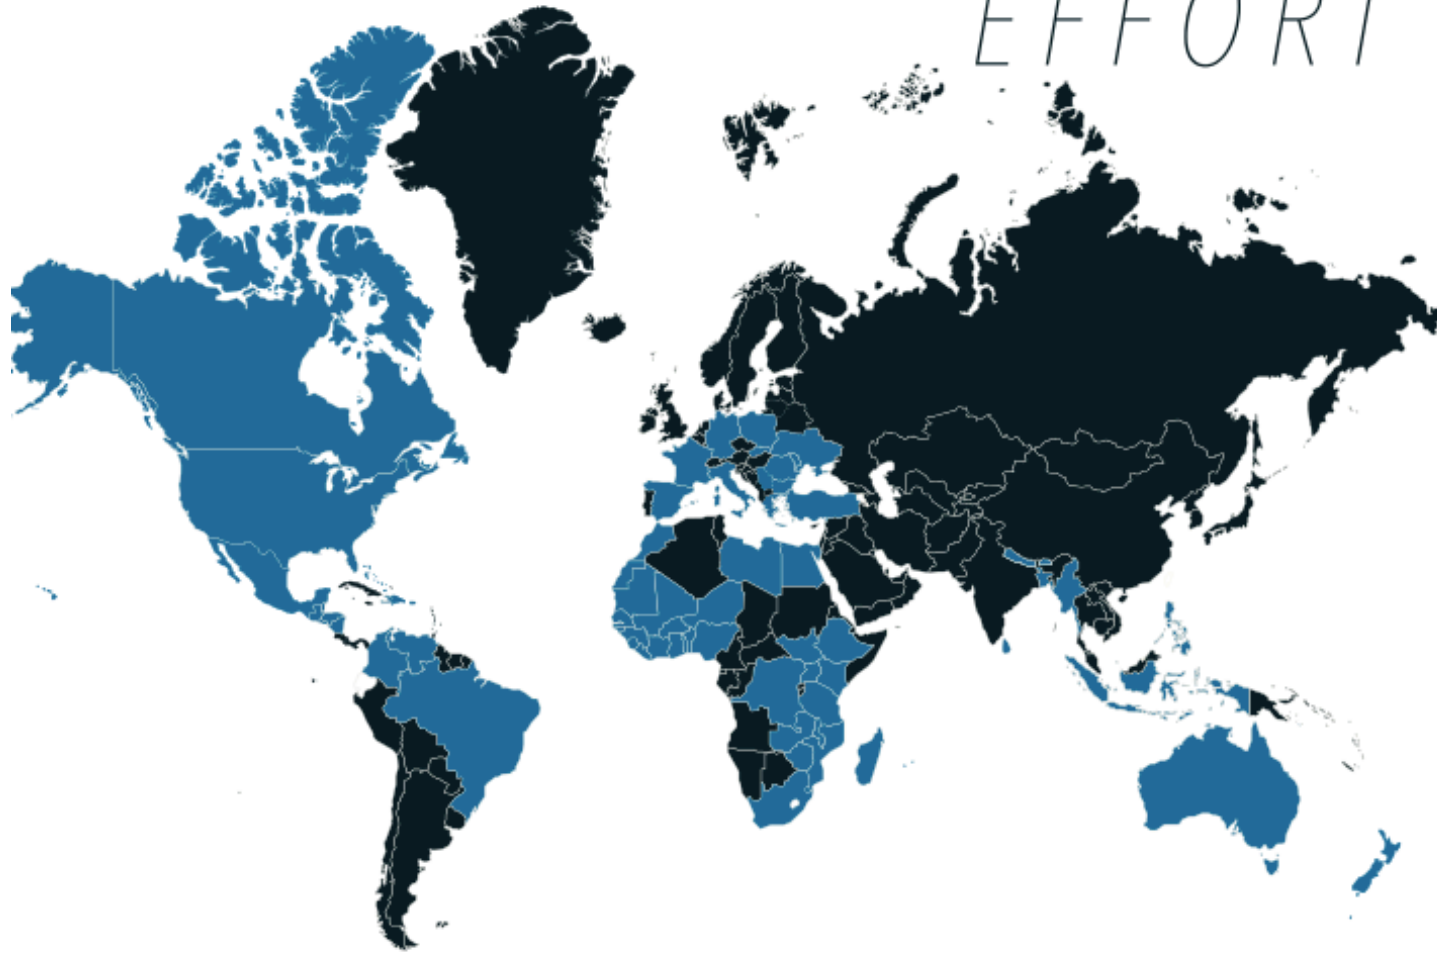

RURAL INITIATIVES

HOPE FOR RURAL COMMUNITIES

Poverty and hunger have devastated rural communities. Rural Initiatives helps local leadership more effectively discover and implement solutions through resourcing, training, mentoring, and coaching. Convoy believes that increased presence and partnership with local leaders will help strengthen and enrich entire neighborhoods and towns.

A WORLDWIDE EFFORT
