

**Client:**

**Brow Lamination & Tint After Care**

**PREPARING FOR YOUR BROW LAMINATION / TINT APPOINTMENT**

**Please makeup sure to arrive without contacts, concealer, eye makeup (eyeshadow etc.) on the day of your appointment.**

**The Lift treatment works by boosting and lifting each individual hair to its full potential, then tinting them for a thicker, darker, and more dramatic looking brow. Results last 6-8 weeks.**

**Because it is just your natural brows being lifted, you are free to use whatever eye makeup you wish. You just must wait 24 hours.**

**You will not be able to get your face wet for 48 hours following the procedure, so buy face wipes to clean your face and avoid the shower.**

**Avoid!! Getting water on your brows 48 hours after treatment. No steam, excessive sweating, brow serums, or creams for 48 hours.**

**DONT'S**

- 1. Rub your brows for 24 hours.**
- 2. Get your brows wet for 24 hours.**
- 3. Use harsh products or oil-based makeup removers.**
- 4. Take a steamy, hot shower the first 24 hours.**
- 5. No eye makeup - for 24 hours.**
- 6. Go swimming for at least 24hrs.**
