

### Pre-treatment - Questions?

Before we book you in and decide on dates. There are a few questions that, we need to ask to help us find out if you are suitable for aesthetic treatments.

Do you have any allergies?

Are you currently taking any medication?

Are you pregnant or breast feeding?

Suffer from any conditions that effect the skin or blood?

Suffer from or have suffered epilepsy?

Ever had an anaphylaxis shock?

Ever suffered a bad reaction from a bee sting?

Suffer from Keloid scarring?

Suffer Panic attacks?

Injectables, please do not book 2 weeks prior or 3 weeks post vaccine.

Also, it is important before the treatments if you have had any aesthetic treatments to please let us know when, and to avoid sun exposure 2 weeks prior to treatment.

To avoid unnecessary bruising and bleeding or infection, for best results please refrain from Cigarettes, alcohol, or recreational drugs for 24 hours prior to treatment and 24 hours after treatment.

If there is anything that you think that we should be made aware of, please do not hesitate to contact me.

Some medications and illness may prevent you from having these treatments, some conditions/medications may require you to supply a note from your doctor to confirm that you are suitable for the treatment you desire.

Aftercare and downtime vary with each treatment, full aftercare advice will be discussed in full at the consultation and a copy will be given to you to take home.

Please find all consent, pre-care, and aftercare forms on our website, for you to print off and complete.
