Locker # 505 Family and Friends,

Celebrating Another Incredible Year at Locker #505!

As we wrap up another remarkable year, it's truly amazing to reflect on the impact we've made together. This year, Locker #505 proudly served nearly **4,800 students**, ensuring they had the clothing and resources they needed to feel confident and ready for school.

This achievement would not have been possible without the unwavering support of our incredible volunteers, generous donors, and dedicated community members. Your kindness and commitment have helped transform the lives of so many children, and we are beyond grateful for all that you do.

As we transition into summer, **Locker #505 will be closed beginning Thursday, June 5, 2025, and will reopen on Tuesday, July 22, 2025.** We appreciate your support and look forward to another incredible year of serving students when we return!

Thank you for being a part of this journey with us. We look forward to continuing our mission and making an even greater difference in the year ahead!

If you have questions please feel free to contact me at director@locker505.org or 505-294-1647.

Exciting News from Locker #505!

Locker #505 is hitting the road! We are thrilled to announce the launch of our **new bus outreach program**, designed to bring clothing and essential supplies directly to students in need across the state of New Mexico.

This initiative will allow us to expand our reach beyond the Albuquerque Metro Area, ensuring that children in underserved communities have access to the resources they need to feel confident and prepared for school. By taking our mission on the road, we can provide students with the same welcoming and supportive experience they receive at our main facility—right in their own communities.

Stay tuned for more details in the coming months as we finalize plans for this exciting new chapter. We can't wait to share more and continue making a difference across the State of New Mexico!
