## MAY I HAVE THIS DANCE?

Do you ever wonder what it must have felt like to be Cinderella? To have clothes that were full of holes? To be looked down on because everyone around you “fit the mold” but you didn’t? Or how amazing it must have felt to have a fairy godmother show up and magically change your world with the wave of her magic wand?

Even though magic wands are in short supply these days, we at Locker #505 are still hoping to change the lives of all students who come into our facility. For those of you who may not know, we do take do-

nated prom and formal dresses and provide them to students in need. Many of the special celebrations that happen at the end of the year, like prom and graduation, can be made that much more special with the right clothes. If you have been holding on to formal dresses and want to donate them to students in need, please consider bringing your dresses to Locker #505!

With the end of the year approaching, remember that all your donations provide us the magic wands we need to help all the students who come see

us. Your in kind and financial donations change the lives of boys and girls on a daily basis!

Thank you all, again, for a wonderful year! Keep an eye out for our expansion next year and all the wonderful events to come in the 2018-2019 school year!

## A MESSAGE FROM THE DIRECTOR

Thank you to all who attended and supported the Fashion Show, it was a huge success. As we wind down our 4th year of serving students throughout Bernalillo County we continue to increase the number of students we see each year. Therefore, an expansion was necessary to enable us to accommodate this increase. We are excited to announce that we will be located in the same location, just expanding into the next suite. This expansion has been made possible by our generous donors and various organizations. We

would like to take this opportunity to reaffirm our gratitude to those who continuously support Locker #505 and the students we serve. This expansion will allow us to have a larger inventory of clothing for the students to select from and a larger space with which to serve students. We are looking forward to starting our 5th year with our bigger and better facility.

**We will be closed over the summer starting May 17, 2018, so watch your**

**email for our opening date for the 2018-2019 school year.**

Thank you to everyone for your continued support throughout the last 4 years!

Fondly,

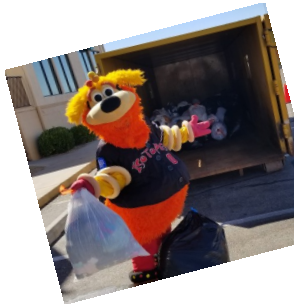

Kim Kerschen

**RECYCLOTHES: KEEPING ALBUQUERQUE BEAUTIFUL**

Thank you's go out to the Solid Waste Department for the city and Hinkle Family Fun Center for sponsoring a recycling event in March where we collected almost 2,500

pounds of clothing for our students. We had donuts from Donut Mart for everyone, mini-golf passes from Hinkle for all donors and a drawing for gift cards from O'Niells for

those making donations. This event is already being planned for next year so watch for that date and start saving clothing now.

**FASHION SHOW RECAP**

Our Annual Fashion Show and Silent Auction was a great success again this year and we have so many businesses and individuals to thank for that~ please see the following page of thank you's!

We had 45 models of all ages not only model two outfits but then donate them to Locker # 505 for our students. We appreciate their parents allowing them to participate and providing the outfits for them. Each model had the opportunity to spend time with and

have the Aveda professionals work on their hair and makeup.

We would like to thank Mr. Eddie Garcia from Channel 4 for being our Master of Ceremony for the second year in a row. Another special thank you goes to Susan Mele for her expertise as an event planner while assisting with our fundraiser.

A good time was had by all!
