HELLO MAY

The common English proverb: March winds and April showers bring forth May flowers may not be entirely true here in NM, but it does remind us that during periods of change, new and beautiful things can emerge. A period of change we at Locker #505 are currently in is the expansion of our service area. We are not moving locations, just expanding the area we are already in to meet the needs of the stu-

dents and families who come through our doors. We are so excited to see this beautiful space come to life and encourage you all to come see it when we begin seeing students in August.

With this expansion we are in need of shelving units to hold all the clothes we will be storing. If you have shelving units you would like to donate, please contact us at director@locker505.org to arrange a time to drop them

off during the summer. We cannot wait to see what the 2018-2019 school year has in store!

Thank you all for a fantastic year- we hope you have a great summer!

A MESSAGE FROM THE DIRECTOR

From time to time when I am speaking to groups or even individuals about what we do at Locker # 505, people say to me "Thank you for what you do for our children." I can't take the credit though, it is YOU, the community, that brings in donations, that comes to our fundraisers, that volunteer for us, and that spreads the word about what we do that makes Locker # 505 what it is and has allowed us to grow over the last four years. In about a week we

will finish our 4th year of clothing students throughout Bernalillo County and have clothed more than 4300 students thus far and could not have done it without the community that has surrounded us with love and support. As you may know by now we have increased our space to close to 4000sq.ft. and again, we thank the community for making this possible. Thank you for your continued support both in-kind, financial

and emotional. Here's to a successful 5th year, 2018-2019.

Watch our website for updates, locker505.org.

Fondly,

Kim Kerschen

VOLUNTEERS NEEDED

If you know someone that is retiring and wants something to do that is extremely flexible have them contact us at director@locker505.org. We always need volunteers but are very flexible; you can work once a year, once a month or once a week. It is not demanding work, mostly assisting parents with sign in procedures and a bit of restocking items. We are always happy to give a tour and show you what it is all about.

Locker # 505 depends greatly on volunteers, please come help us out.

LOCKER #505 AT ISOTOPES PARK

Locker # 505 is also working some Isotopes games in the concessions and will receive a percentage of the profits. Again, we need volunteers to assist with these games. You must be at least 16, it is not difficult work, but we do keep busy. If you have an alcohol servers license, even better as we can use you as well. The following days we will be working:

May 23rd, June 2nd, June 18th, June 28th– Day Game, July 5th, July 6th, July 21st, August 13th, and August 21st

All games start at 6:35pm except June 28th it starts at 12:05pm; volunteers must arrive 90 minutes prior to game time. Please contact the director at director@locker505.org if you are interested.
