Year-End Note

As we reflect on this past year at Locker #505, I am proud of what we accomplished together. With the support of our volunteers, donors, and partners, we served thousands of students across the Albuquerque area — providing clothing, shoes, and essentials that helped them walk into school with confidence.

Behind every number is a child whose life was touched: a student who no longer worries about having a warm coat, a teen who finally has shoes that fit, a family relieved to know their child is cared for. These moments are the heart of our mission.

Our work continues to grow, and so does the need. But thanks to your generosity and dedication, we are ready to meet it. Thank you for standing with us, for giving your time, and for believing in the power of community support. Together, we are making a difference — one student at a time.

We're excited to announce that raffle tickets for our **Student Clothing Bank – Community Charity Golf Classic** are now on sale! This is one of our biggest fundraising events of the year, and every ticket helps us continue clothing students across Albuquerque.

You can purchase: **Raffle Tickets, Tee Box Signs & Sponsorship Packages** see more below.

All details and purchasing options are available on our website. <https://locker505.networkforgood.com/events/98818-community-charity-golf-classic-affle-tickets-tee-box-signs-sponsorships>

Your participation directly supports our mission — and you might even win something great in the process.

Our Mobile Clothing Bus Is Almost Ready — And We're Hitting the Road Soon!

Big news is rolling in — literally! Our Locker #505 mobile clothing bus is *almost* ready to make its debut, and we couldn't be more excited to share this milestone with you.

For months, we have been working behind the scenes to transform this bus into a fully functional, on-the-go extension of Locker #505. A huge thank you to Michael Spiller and Clay Culver for all of their hard work. With shelving, racks, storage, and a welcoming interior nearly complete, we're getting closer each day to opening the doors and serving students in a whole new way.

And the best part?

This bus will allow us to reach rural communities across New Mexico — places where families often struggle to access resources due to distance, transportation, or limited local services.

Our hope is to bring dignity, confidence, and essential clothing directly to students who need it most. No long drives. No barriers. Just support delivered right to their community.

Once the finishing touches are complete, we'll be hitting the road to visit as many rural areas as possible throughout the year. We can't wait to share the full schedule soon.

Stay tuned — and enjoy the sneak-peek photos below. This bus represents growth, accessibility, and the heart of our mission. We're so grateful to everyone who helped make it possible, especially Tillery Chevrolet for helping us find the bus and Ms. Doss and Blue Cross Blue Shield for grants to make this possible.

Locker #505 is on the move — and we're bringing hope with us!
