## Director's Note

WE DID IT! We have moved into our new place and are getting settled, the entire staff has worked extremely hard beside many volunteers to get our new, larger space up and running. Our new address is 6203 Menaul Blvd. NE, near San Pedro and Menaul. This move will make it possible for us to serve these additional counties, Sandoval, Valencia and Torrance. The details of the process to serve these counties continue to be developed. We are excited about being able to grow and serve additional students and we thank each of you that has made this possible for the students in our communities.

On Aug. 4, 2022, we will begin accepting referrals and begin serving

students on Aug. 8, 2022. If you are a referring agent, please keep in mind we do have a new referral form every semester, so be sure to request the new form at [referrals@locker505.org](mailto:referrals@locker505.org). When we send you the referral form, we also send an information sheet, please be sure to read it carefully, this is important information.

We continue to need volunteers, if you have a bit of spare time we would love to have you come and spend some time with us at Locker #505, please email me at [director@locker505.org](mailto:director@locker505.org).

Enjoy the remainder of your summer and we will see you in August.

Kim Kerschen  
Director

## Many Thanks to our Moving Helpers

The UNM football team and New Mexico Piñon Coffee came out in full force to assist Locker #505 move to their new, larger space on June 4. We had 96 football players and 10 employees from New Mexico Piñon Coffee along with a semi-truck and a box truck to move our entire facility in about three hours. We can't begin to thank Coach Danny Gonzales and his players and Matthew Breagar, president of New Mexico Piñon Coffee and his crew for all their help.

Also a shout out to the BOIS from Two Men On, Fred Slow and Van Nunley, for their assistance as well. Everyone involved made the move a breeze.

Now we are organizing and setting up our new space and can't wait to show it off during our Open House on July 9 from 10 a.m. to 2 p.m.
