

INSIDE THIS ISSUE:

Director's Note

Hello all,

As you've probably noticed we have not sent out a newsletter in quite a while, for various reasons. Let me catch you up on the happenings at Locker #505, we moved into a new location two years ago that added significant square footage to our facility allowing us to see additional students. That being said, we have increased the number of students we see every year, last year we saw just short of 5,000 students.

We celebrated our 10th Anniversary with an Open House so the community could come and visit our new facility.

Locker #505 now serves the Greater Albuquerque Metro Area, including Sandoval, Valencia, Bernalillo, and Tarrant counties. Thanks to community support, we regularly receive phone calls requesting our services. In August, we opened a new branch, Locker #505 McCurdy, located on McCurdy Ministries Campus in Espanola, serving Rio Arriba County. We currently serve students at this location once a month.

We've welcomed new sponsors to support Locker #505, including Daniel's Plumbing, Heating and Air Conditioning, T-Mobile, and First Citizens Bank. Thanks to businesses and organizations like these, we can continue serving students. We've grown immensely and deeply appreciate every bit of support from our community and supporters.

Fondly,
Kim Kerschen
Director
