

our story on how it became...
friends, family and full bellies...™

welcome to amigos 30a,
amici 30a's new best friend and the
corchis family's second addition to their
restaurant group. george, amy, and their
children, jordin, nathan, alyssa, and
gillian (lily) have been overwhelmed
by the support and love of our local
community and those visitors who come
to our beautiful beaches and businesses.

as we were reflecting on our time with
amici 30a we felt like amici 30a needed a
friend, a partner to help welcome our
guests in and offer one more incredible
dining experience.

george has worked and grown up in the
hospitality industry and amy came along
for the ride after meeting george as a
senior in high school.

upon retirement from 25+ years in the
casino/resort industry george and amy's
oldest son, jordin was graduating from
college and had the great idea of starting
a family business together.

nathan, alyssa, and lily were just as excited
at the prospect of starting a family business
and as they say, the rest is history.

nathan and jordin run our day to day
operations and manage our restaurants,
alyssa assists with marketing and all
things social media and lily is our in house
design expert. nala and ginger, our two
golden doodles will make you smile as you
see their faces on our amigos 30a wall!

whether you are new to our restaurant
family or a returning "amici 30a/amigo
30a" we are thrilled you are here!

thank you for sharing your friends and
family with us. you bring the friends and
family, we will provide the full bellies.
la bienvenida
