

our story on how it became...
friends, family, and full bellies...®

welcome to amigos 30a,
amici 30a's new best friend and the
corchis family's second addition to
their restaurant group. george, amy,
and their children, jordin, nathan,
alyssa, and gillian (lily) have been
overwhelmed by the support and
love of our local community and
those visitors who come to our
beautiful beaches and businesses.

as we were reflecting on our time
with amici 30a we felt like amici 30a
needed a friend, a partner to help
welcome our guests in and offer one
more incredible dining experience.

george has worked and grown up
in the hospitality industry and amy
came along for the ride after meeting
george as a senior in high school.

upon retirement from 25+ years in
the casino/resort industry george
and amy's oldest son, jordin was
graduating from college and had
the great idea of starting a family
business together.

nathan, alyssa, and lily were just as
excited at the prospect of starting a
family business and as they say, the
rest is history.

nathan and jordin run our day to
day operations and manage our restau-
rants, alyssa assists with
marketing and all things social
media and lily is our in house design
expert. nala and ginger, our two golden
doodles will make you smile as you see
their faces on our amigos 30a wall!

whether you are new to our restaurant
family or a returning "amici 30a/amigo
30a" we are thrilled you are here!

thank you for sharing your friends and
family with us. you bring the friends
and family, we will provide the full
bellies.

la bienvenida
