

our story on how it became...  
friends, family, and full bellies...®

welcome to amigos 30a,  
amici 30a's new best friend and the  
corchis family's second addition to  
their restaurant group. george, amy,  
and their children, jordin, nathan,  
alyssa, and gillian (lily) have been  
overwhelmed by the support and  
love of our local community and  
those visitors who come to our  
beautiful beaches and businesses.

as we were reflecting on our time  
with amici 30a we felt like amici 30a  
needed a friend, a partner to help  
welcome our guests in and offer one  
more incredible dining experience.

george has worked and grown up  
in the hospitality industry and amy  
came along for the ride after meeting  
george as a senior in high school.

upon retirement from 25+ years in  
the casino/resort industry george  
and amy's oldest son, jordin was  
graduating from college and had  
the great idea of starting a family  
business together.

nathan, alyssa, and lily were just as  
excited at the prospect of starting a  
family business and as they say, the  
rest is history.

nathan and jordin run our day to  
day operations and manage our  
restaurants, alyssa assists with  
marketing and all things social  
media and lily is our in house design  
expert. nala and ginger, our two golden  
doodles will make you smile as you see  
their faces on our amigos 30a wall!

whether you are new to our restaurant  
family or a returning "amici 30a/amigo  
30a" we are thrilled you are here!

thank you for sharing your friends and  
family with us. you bring the friends  
and family, we will provide the full  
bellies.

la bienvenida
