our story begins with family... and continues with you...

welcome to amigos 30A...

our story began with a simple hope: to build something together as a family, where people would feel welcome, cared for, and happy to return. george grew up and worked in the hospitality industry, and he and amy have been together since high school. after nearly 25 years in the casino and resort hospitality industry, george and amy began a new chapter with their four children - jordin, nathan, alyssa, and gillian (lily). as jordin was finishing college, he suggested starting a family business. in 2016, that dream became amici 30A Italian Kitchen...

the love and encouragement of our community and visiting guests helped our family's table grow. in 2019, amigos 30A mexican kitchen became amici's new best friend - another place to pull up a chair, share home-made food and fresh margaritas, and enjoy being together. every member of our family works in our family business. each of us brings our own talents and ideas, but we share the same passion: making you feel cared for. these restaurants hold our hard work, our hearts, and the joy of doing something we love together. then we grew again in 2024 when we opened friends 30A burger bar.

we have always believed we are in the people business... delicious food and drinks are an important part of your visit, but you are the reason behind everything we do.hospitality means noticing the little things, listening with care, remembering a favourite, and making room for one more at the table.

alongside our family is a team who brings that love to life - in the kitchen, behind the bar, and with every guest they welcome. their care and dedication are part of every meal and every memory made here.

even the faces on our wall are family - our goldendoodles, nala and ginger, sharing a little of the happiness they bring to our lives.

whether you live down the road, are discovering 30A for the first time, or return year after year, we know your time together is precious. it means so much that you choose to spend some of it with us.

you bring the friends and family... we'll bring the love, the care, and the full bellies...

with love & appreciation... jordin, nathan, alyssa, lily, amy, & geo...

locally owned. family operated.
