

COLLEGIATE PEAKS CHORALE ADVERTISING OPPORTUNITY

The Collegiate Peaks Chorale will present a wonderful program in April titled "From the Heart". The program features a collection of songs that look at different perspectives of love. Not just romantic love, but also friendship, admiration, and love for ourselves as well as our greater community. The chorale's active roster this spring is approximately 80 singers, and we estimate strong audience numbers in the range of 600-800 total for our performances on April 11, 12 and 13 in Buena Vista and Salida.

We will be providing advertising space in our program and would like to invite you to promote your business or organization with us. Your audience will have captive attention for an hour and a half with the program in hand, many taking the program home with them as well. The program is professionally printed in full color with semi-gloss paper and bled edges. Please see updated ad size specifications in subsequent pages.

If you are interested in advertising with us, please fill out the form on the second page of this document, complete payment, and submit your finalized ad graphic as instructed below.

Thank you for your support of the arts in the Arkansas Valley!
