President's Report for November 2026

As we welcome back our friends from up north, I wish to thank all the members for their continued support and I am looking forward to many good times this season.

November is our annual membership drive, and I encourage all residents to join the IHOA. As many know, Lot Rental increase notices have been mailed out, and the Board is deeply concerned with the amount and affordability of those increases. We have consulted our Attorney and are currently researching options and a path forward for our residents. We will keep you apprised as information comes available and what actions the Board may pursue.

The **IHOA website is officially up and running** and while work is in progress, new features are being added regularly, and information is being posted as quickly as possible. If you or have friends that wish to place an ad in the Arrow, please contact any board member for information.

- **Website: *Ihoaindianwood.com***
- **Current Arrow edition** is available online
- **Updates section** provides timely announcements and notices

We welcome suggestions for improvements and invite anyone interested in helping with website development or other projects to volunteer with the Board.

Renovations and Landscaping are continuing, and The Board continues weekly monitoring to ensure transparency and steady progress.

The Board is preparing for a strong start to the new season and will be using a **teaser page in the Arrow** to highlight upcoming events. Two major events are already on the calendar:

- 🛍️ **Community Yard Sale – November 14-15 -** the IHOA will again accept donated items and set up group tables. Please contact any Board member if you wish to donate—items can be picked up.
- 🎃 **Harvest Karaoke/Dance Night – November 28th** Our monthly no-frills evening of music and fun!
- **"Potluck at The Pool" –** The IHOA has started sponsoring a potluck at the pool and will continue to do so monthly. The first one was well received and attended. There will NOT be one in November due to the schedule of current activities and the holiday. Hoping to resume in early December. Watch the web page and social media for announcements.

With the season just started there is much to do and many projects underway. Volunteers are always welcome and appreciated.

I hope to see you all at one of our events and encourage you to join the IHOA if you are not already a member.

Thank you,
Gene Christadore, IHOA President

November 2026

VOTE Nov. 3rd!!!

In 1621, the Plymouth colonists from England and the Native American Wampanoag people shared an autumn harvest feast that is acknowledged as one of the first Thanksgiving celebrations in the colonies. For more than two centuries, days of thanksgiving were celebrated by individual colonies and states.

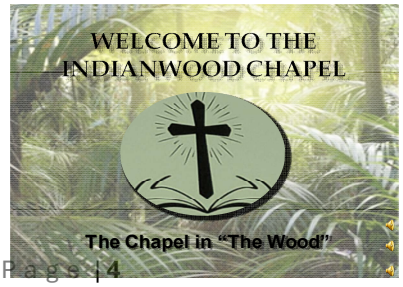

There is a lot of information available on the origins of Thanksgiving online and not enough space to go into it here. Our modern perspective is to be thankful for the material things we have to make life better and more comfortable such as homes, jobs, family …etc. These creature comforts are important to many of us and rightly so. Much of our energy and effort is directed toward making sure our family is being well provisioned and secure. In today's financial environment that is more difficult than ever.

One of the greatest gifts that we have, and one which we should be most thankful for, is relationships. John Donne, an English poet and cleric born in 1572, wrote…"No man is an island, entire of itself; every man is a piece of the continent, a part of the main." We can survive by ourselves, but just barely. I know several people who feel they are absolutely self sufficient and need no one else to get by…but…they get sick and see a doctor, their car breaks down and they need a mechanic, power goes out and they need an electrician…etc. Each one of us has a talent that can be of service to another and vice versa. Abraham Lincoln said, "Those who look for the bad in people…will surely find it!" By the same token, if we look for the good in people we will also find it.

This Thanksgiving let's try being thankful that we aren't in this world alone. Our friends, our families, our neighbors are special gifts to help us get through this life. In our rush through life, we forget to stop and take time to tell each other how grateful we are for them being there. Sure, there are people we can't stand. Even Roses have thorns! Remember that the ones we dislike are probably loved by someone too. Nobody is perfect. One of our neighbors has a sign in the front yard that says, "Just Be Kind," a very simple request. Even those early settlers at the first Thanksgiving befriended the Indians.

I know it's a foreign concept in today's society, but it has to start somewhere. We can't control anyone else's behavior, only our own, so give it a try this Thanksgiving. Be thankful for the people around us, even the ones we don't like. You never know when you might need a friend. Have a Happy and Blessed Thanksgiving my friends.

(Chaplain Ed is a retired Naval Officer, Navy diver, and a retired chaplain with Treasure Coast Hospice. He is the Pastor of The Indianwood Chapel, Chaplain for the Stuart Police Dept. and former IHOA Board Member.)

Indianwood Chapel meets every Sunday in Shaw Hall at 10:30am for coffee and at 11 am for a Bible-centered worship service. Everyone is welcome. Please keep our community in your prayers. Pray for the peace of Jerusalem and Ukraine.

COMMUNITY CLUBS AND ACTIVITIES

The Resident Aid Committee cares for Indianwood residents by providing food, essentials, and gift cards to Indianwood residents who are experiencing need. They also visit people who could use a kind word and some company, and they send out sympathy and get-well cards. The Committee needs your input to be as effective as possible. Contact Chicky Hanson (603) 767-5501 or email davenchicky@comcast.net to let her know if you or your neighbor is in need or if you would like to donate items or funds to the work.

THE IHOA ANNUAL MEMBERSHIP DRIVE IS ON!

The Indianwood Homeowners Association, Inc. (IHOA) is the **official advocate** for the Indianwood community in our relationship with the park owner, Legacy MHC – and we represent the entire Indianwood community, not just the IHOA's paid members. According to Florida Law, the park's HOA is the only organization that has legal standing to represent the park community, and that's a responsibility that is taken seriously by the IHOA Board of Directors.

While it's true that membership in the IHOA is not required to own a home in Indianwood, it is also true that the more paid members in the IHOA, the stronger our influence on issues that arise between the residents and the park owner. Can we solve every problem? Unfortunately, no. But we do everything we can within the bounds of Florida Statute 723 to make sure that the Indianwood community is treated according to the law. The greater the number of paid members, the louder the IHOA can be.

As an aside, you should be aware that Legacy has a reputation in the wider community of manufactured home parks for dissolving the HOAs in their parks, thus silencing the collective voice of a park's residents. Since the Indianwood HOA is a duly incorporated entity in the State of Florida, this could only be done to Indianwood if the HOA is not operating according to the 723 Statute. And as you can imagine, the **IHOA Board of Directors is resolved to never give Legacy the opportunity to crush your voice;** to that end, we do all that we can to dot every "I" and cross every "T" in our operation. Sometimes that's inconvenient, sometimes it is frustrating, and sometimes it involves expense, but it's necessary for the long-term picture of Indianwood's quality of life.

In addition, the IHOA aims to provide fun and enriching activities for all of Indianwood's residents. We have met with some success with what we've offered so far, and we hope to continue contributing those same activities and more to the quality of life in Indianwood. Your support of those activities helps us support you because the operation of a Homeowners Association in the State of Florida involves regulatory expenses and legal expenses to stay in compliance.

The specific benefits for you as a paid IHOA member include the opportunity to vote in our annual elections, the opportunity to serve on the Board of Directors if elected to do so, receiving the minutes by email in advance of the monthly meeting, attending the monthly meeting via MS Teams from your own device or computer at home, and receiving discounted ticket prices to our monthly karaoke/dance evenings and other events.

We encourage you to help us help the Indianwood community by becoming a new member or renewing your current membership in the IHOA. Blank membership application forms for 2027 are available in various locations: 1) the racks outside the IHOA Office next to the stage in Shaw Hall; 2) downloadable for printing from our website at ihoaindianwood.com; 3) emailing us a request for the form at hoaindianwood@outlook.com; or 4) completing the membership form found in this issue of The Arrow on **Page 7.** Dues are $40.00 annually. Your completed form and $40 check can be dropped through the mail slot in the IHOA's door in Shaw Hall. The annual membership year runs from November to November.

Let me end with a huge thank you to all our members – you keep the work going! And to all of you: please join us!

IHOA Activities

FUNDAY MONDAY BINGO runs every Monday night in Shaw Hall at 7:00pm (and is usually over by 9:15 p.m.). Come join us!! Snacks and treats are provided by generous volunteers. Thank you!
All residents are welcome! *If you're unsure how to play the various games, we'll be happy to explain it. Reminder: Florida law prohibits alcohol at our Bingo sessions.*

PRICES: Regular Bingo Books: $5.00 each; Special Jackpot Sheets: $1.00 each; Speed Round Sheets: $1.00 each; Instant Bingo Pull-Tab Tickets: $.25 each; U-Pick'em Sheets: $2.00 each. Pickle Jar chances are $1.00 per Regular Bingo Book.

The IHOA, by law, does not make a profit on regular Bingo sessions. We pay out every Monday evening what is put in by the participants; the more participants at any given Bingo session, the bigger the payouts that night.

COMMUNITY RESIDENT PHONEBOOK. **In order for us to publish your information in a Directory you must complete a Consent for Public Release Form and submit it to the IHOA .** We know this is inconvenient, but there are consent issues that must be satisfied in the State of Florida.

That means the IHOA now has two different Release Forms: one to publish your name(s), address, and phone number in a printed **Indianwood Community Phonebook** and one to publish your **Birthday/ Anniversary information** in The Arrow. While it would be less confusing to be able to combine these two forms, our attorney advises that these should remain separate concerns. **The Release Form for the Community Phonebook is on Page 18** of this newsletter and is also available in the racks next to the IHOA Office in Shaw Hall (to the left of the Stage). Please complete this form and drop it through the mail slot of the IHOA Office door in Shaw Hall.

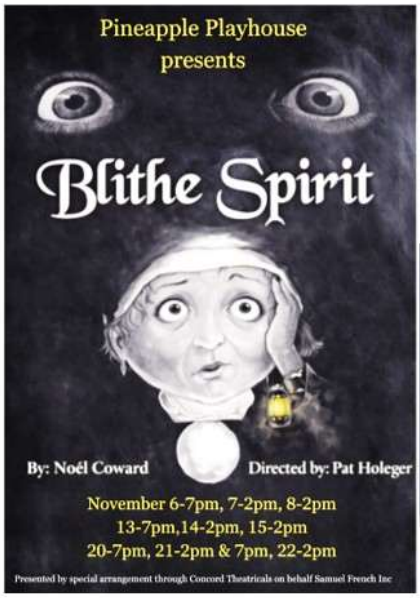

Veteran's Day Ceremony. The ceremony will take place on November 11th at 11:00 a.m. in Shaw Hall. We encourage everyone to join us for the annual commemoration and celebration of our U.S. Armed Forces Veterans.

November 14th-15th: Indianwood Yard Sale. Legacy has approved November 14-15 for the Fall yard sale, and the IHOA is once again soliciting donations of the stuff you are done with but don't want to bother setting up a table for! Contact Gene or Wanda Christadore to drop off your items at their house, and if you need help with a pick-up, let a Board member know. (email: hoaindianwood@outlook.com.) The IHOA sale table will be set up at 14641 SW Divot Dr.

ADVERTISING IN *THE ARROW*: Advertising rates range from $10.00 for a one-line entry in a "Local Businesses" list up to $60.00 for a half-page ad. There is a discount for multiple months. Contact **John Coll**, Member-at-Large on the IHOA Board of Directors, to set up your ad and payment. (609) 577-6958 or email jc3ref28@gmail.com.

Deadline for the December issue of The Arrow is November 20th. Please send information and submission requests to hoaindianwood@outlook.com

COMMUNITY REMINDERS FOR ALL RESIDENTS

SAFETY

All vehicles, golf carts and motorized bikes must observe all stop signs and the posted speed limit of 15 MPH. Always exercise caution when walking around the community in the dark. Wear clothing that is reflective or light colored. Don't assume that you can be seen. Carry a flashlight. Be smart and be safe!

EXTERNAL IMPROVEMENTS TO YOUR HOME MUST BE REVIEWED AND APPROVED

Any alteration to the outside of your home or lot must be approved by Legacy Management prior to commencement of work (this includes changing the paint color of your house). Contact the Management Office at (772) 3597-3792 for applications and approvals.

OVERNIGHT PARKING ON INDIANWOOD STREETS

Overnight parking on Indianwood streets is prohibited and is subject to action by Legacy MHC Management. This includes trailers.

YELLOWSTONE LANDSCAPING

Yellowstone Landscaping is on the property every other week to mow and edge the yards. They are not responsible for pulling weeds. If you maintain your own yard, please post a red flag where visible, indicating this to Yellowstone, and they will bypass your property.

RSVP for the Harvest Bash is required! *See the link in the email you received from Legacy Communities or contact our park management office directly. Seating is limited.*

RESTRICTIONS ON FEEDING WILDLIFE IN FLORIDA

Florida Administrative Code 68A-4.001 prohibits the feeding of pelicans, sandhill cranes, and non-human primates, and prohibits placing food in a manner that attracts black bears, coyotes, foxes, and raccoons. **Florida Administrative Code 68A-25.001** **prohibits feeding alligators** and crocodiles, and **Florida Administrative Code 68A-16.002** prohibits feeding bald eagles.

None of the wildlife in our waterways or on our land requires human assistance with food; we live in a warm climate and they have ample food.

Cold hard fact: Alligators cannot be tamed. If you "feed the gator" or "feed the pond" or "feed the canal" you are making all of us unsafe. Indianwood has had serious trouble in the past with the problem of aggressive alligators, resulting in real danger to our residents and necessitating the removal of the gators (which are then euthanized without exception). Please leave all wildlife alone.

To report unlawful feeding call 1-888-404-3922.

Hot tip: When water levels are high, you may encounter gators where you normally wouldn't. Be mindful, be aware, and stay well away

---

New! **Pick up your mail at least twice a week!** The new postal carrier for Indianwood has informed us that, according to US Postal Service regulations, **mail left in your box longer than a few days is subject to removal by the postal carrier** and then returned to sender. The new postal carrier also stated she intends to abide strictly by this rule - and she has already begun returning mail and packages that were left for more than a few days. To date, she has not specified what constitutes "a few days" and we are working to find out that exact number. In the meantime, if you will be away and no one will be retrieving your mail, you must fill out a "hold mail" order, either in person at the Post Office or online at usps.com. The Post Office will then hold your mail with options for you to either pick it up at the Post Office when you return home or have it delivered to your box on a date that you specify.

Senior Dining Centers and Meals on Wheels Information

HELPING SENIORS STAY HEALTHY AND CONNECTED

Senior Dining Centers are an ideal option for active seniors who need assistance in maintaining adequate nutrition. The Centers offer an opportunity to meet and socialize with others while enjoying a hot, noontime meal. No fees are charged for the lunches, but donations are accepted. Our Senior Dining Centers are open during lunchtime hours Monday through Friday.

Please call the Center nearest to you at least two days in advance to make your reservation to ensure that we have an accurate count of the lunches that are needed. We ask that first timers arrive 10 minutes early to complete basic paperwork for our records.
