IHOA President's Message – September 2026

As we wrap up the summer break, the Board is preparing for the return of our **monthly meetings**, which will continue to be held on the **2nd Tuesday of each month** (unless otherwise announced) at the Recreation Center—either **Shaw Hall** or the newly renovated **Bingo Hall**, depending on availability. We look forward to seeing everyone at our first meeting of the season on **September 8th**.

Great news for all residents: the **IHOA website is officially up and running**. While still a work in progress, new features are being added regularly, and information is being posted as quickly as possible.

- **Website:** Ihoaindianwood.com
- **Current Arrow edition** is available for downloading or reading online
- **Updates section** provides timely announcements and notices

We welcome suggestions for improvements, and we invite volunteer assistance with the website development, The Arrow, and other projects undertaken by the Board. We cannot do this alone.

Renovation efforts continue throughout the community, with several projects moving forward:

- **The landscaping** at the Recreation Center is progressing nicely.
- **The Bocce Ball and Shuffleboard courts** are undergoing full refurbishment - out with the old, in with the new.
- **Bluestream Fiber** is installing internet cabling and equipment at the Rec Center to bring reliable internet service online.
- **The front entrance lightning damage** remains unresolved as we await FPL's portion of the work before Legacy can proceed with repairs and install new light poles.
- **The Seminole Room's roof leaks** still require additional repair work, with no new updates at this time.

We continue weekly monitoring of these projects to ensure transparency and steady progress.

The Board is preparing for a strong start to the new season and will be using a **teaser page in the Arrow** to highlight upcoming events. Three major events are already on the calendar:

- 🎃 **Halloween Dance – October 31st** Get your costumes ready for a fun night at the Rec Center.
- 🛍️ **Community Yard Sale – November 14-15** the IHOA will again accept donated items and set up group tables. Please contact any Board member if you wish to donate—items will be picked up.
- 🎭 **Mardi Gras 2027, January 30 and February 6 –** a formal ball and a golf cart parade.

With the season approaching, there is much to do and many projects underway. We sincerely appreciate all volunteers - please contact a Board member if you would like to help serve our Park residents!

We hope everyone enjoyed a safe and pleasant summer. The Board looks forward to seeing all of you at our first meeting of the season and working together on the many activities and improvements planned for the months ahead.

Thank you,

Gene Christadore
IHOA President

September 2026

Fall is back. I sit in my carport and watch as the color of the license plates changes, a sure sign of Fall in Florida. Our Northern friends will be with us soon and many joyful reunions will occur. Sadly, some of our dear friends have gone on to their final reward and we will sit around and remember them with love. Such is life.

A wise man once told me that people are similar to grass; they're either green and vibrant and growing or they're brown and dry and dying. If they stay the same size, shape, color and consistency they're probably Astro Turf…plastic and phony!

Change and growth are inevitable. The only way to stop it is death; also, inevitable. Is that a good thing or a bad thing? I guess it depends on your perspective on what that means. Oblivion? nothingness? nonexistence? etc. People I have spoken to have expressed these alternatives and seemed maybe not comfortable with them but at least resigned to these potentialities. Some of us remember Peggy Lee the singer. One of her songs that sticks in my mind is entitled *"Is That All There Is?"* It talks about her disappointments in life at various times and how certain events that she expected to be dramatic and life changing were in her mind anticlimactic. Maybe she expected too much out of life? Maybe she didn't put enough into it?

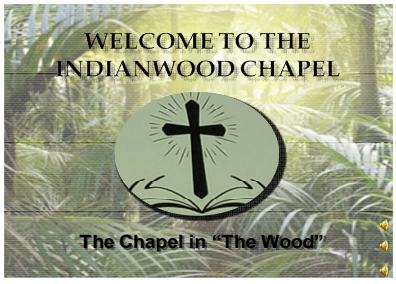

With Fall coming and Winter close behind I'm reminded that we have seasons in our lives as well. Some of us are enjoying the "Autumn of our lives" some are not. Some feel like we're having a very early winter. Every one of us experiences these changes differently, both physically and psychologically. But there is another aspect to our existence. How do we experience these changes spiritually?

I have asked this question to many of you personally and I wonder how many have really made the determination? Some people I talk to claim to be "spiritual but not religious." Most of them can't really tell me what that means and usually make that statement because they claim to believe "something." I know, I know… you think I'm going to thump you over the head with a Bible now. Take the helmet off, I won't do that.

I just have a simple question… "***are we human beings that may have occasional spiritual experiences… or … are we spiritual beings having a short human experience?"*** Simple question. It's up to us as to whether the answer is also simple or convoluted and complicated.

As we come into new seasons of our lives maybe it's time to make some eternal decisions. That same wise man that told me about the Astro Turf also said **"if *you don't stand for something, you'll fall for anything."*** What do you stand for, what do you believe? Are you comfortable with it? Life is short; eternity is forever. Blessings my friends.

(Chaplain Ed is a retired Naval Officer, Navy diver, and a retired chaplain with Treasure Coast Hospice. He is the Pastor of The Indianwood Chapel, Chaplain for the Stuart Police Dept. and former IHOA Board Member.)

Indianwood Chapel meets every Sunday in Shaw Hall at 10:30am for coffee and at 11 am for a Bible-centered worship service. Everyone is welcome. Please keep our community in your prayers. Pray for the peace of Jerusalem and Ukraine.

COMMUNITY CLUBS AND ACTIVITIES

The Resident Aid Committee cares for Indianwood residents by providing food, essentials, and gift cards to Indianwood residents who are experiencing need. They also visit people who could use a kind word and some company, and they send out sympathy and get-well cards. The Committee needs your input in order to be as effective as possible. Contact Chicky Hanson (603) 767-5501 or email davenchicky@comcast.net to let her know if you or your neighbor is in need or if you would like to donate to the work.

THE MONTHLY MEETINGS OF THE IHOA BOARD OF DIRECTORS

resume on September 8th at 4pm. All Indianwood residents are welcome to attend these meetings.

FUNDAY MONDAY BINGO NIGHT runs every Monday night in Shaw Hall at 7:00pm (and is usually over by 9:15 p.m.). Come join us!! Snacks and treats are provided by generous volunteers. Thank you!

All residents are welcome! *If you're unsure how to play the various games, we'll be happy to explain it. Reminder: Florida law prohibits alcohol at our Bingo sessions.*

PRICES: Regular Bingo Books: $5.00 each; Special Jackpot Sheets: $1.00 each; Speed Round Sheets: $1.00 each; Instant Bingo Pull-Tab Tickets: $.25 each; U-Pick'em Sheets: $2.00 each. Pickle Jar chances are $1.00 per Regular Bingo Book.

The IHOA, by law, does not make a profit on regular Bingo sessions. We pay out every Monday evening what is put in by the participants; the more participants at any given Bingo session, the bigger the payouts that night.

SEPTEMBER'S KARAOKE/DANCE NIGHT IN INDIANWOOD

Saturday, September 26th, 7:00 pm in Shaw Hall. **Music by G-Lime. Theme: Labor Day!** Tickets $3.00 for IHOA members and $6.00 for non-members. Advance ticket sales will be announced closer to the date. As always, this is a no-frills "Bring your own … everything" kind of evening…. (right down to the tablecloth for your table). **Door prize, raffle prize, and table decoration contest! PLUS: Instant Bingo pull-tab tickets for 25 cents each.**

COMMUNITY RESIDENT PHONEBOOK. Many residents have requested a return to a printed phonebook that would be distributed to all residents on an annual basis. The IHOA is spearheading this project, starting with the legal issue first**: in order to publish your information in the Directory you must complete a Consent for Public Release Form and submit it to the IHOA .** We know this is inconvenient, but times have changed and there are consent issues that must be satisfied because the IHOA is a Corporation in the State of Florida.

So, the IHOA now has two different Release Forms: one to publish your name(s), address, and phone number in a printed **Indianwood Resident Phonebook** and one to publish your birthday/ anniversary information in The Arrow. While it would be less confusing to be able to combine these two forms, our attorney advises that these should remain separate concerns. **The Release Form for the Phonebook is on Page 19** of this newsletter and is also available in the racks next to the IHOA Office in Shaw Hall (to the left of the Stage). If you wish to be part of the Indianwood Phonebook, please complete this form and drop it through the mail slot of the IHOA Office door in Shaw Hall. (If the Office becomes inaccessible due to the ongoing renovation project of the rec center, you may drop your form in the Legacy Office – they will hold them for us to collect.)

IHOA MEMBERSHIP: If you would like to become a new member, blank membership application forms are available in the racks next to the IHOA Office (to the left of the stage in Shaw Hall) or by reaching out to Renee Talabac at hoaindianwood@outlook.com. Dues are $40.00 annually. Your completed form and $40 check can be dropped through the mail slot in the door anytime. The membership year runs from November to November – if you join in September or October, we will extend your membership through to the next November. Thank you to all our members – you keep the work going!

MARTIN COUNTY COUNCIL ON AGING

Senior Dining Centers and Meals on Wheels Information

HELPING SENIORS STAY HEALTHY AND CONNECTED

Senior Dining Centers are an ideal option for active seniors who need assistance in maintaining adequate nutrition. The Centers offer an opportunity to meet and socialize with others while enjoying a hot, noontime meal. No fees are charged for the lunches, but donations are accepted. Our Senior Dining Centers are open during lunchtime hours Monday through Friday.

Please call the Center nearest to you at least two days in advance to make your reservation to ensure that we have an accurate count of the lunches that are needed. We ask that first timers arrive 10 minutes early to complete basic paperwork for our records.
