Peace and Good «FIRSTNAME»!

Today we begin these nine days of prayer by placing in the Lord's hands our intentions, our concerns, and the needs of so many people we carry in our hearts. Saint Francis, too, had to learn to walk behind Christ without knowing the whole path beforehand.

When the Lord called him, Francis let Jesus go ahead and learned, step by step, to trust in Him. We, too, wish to do the same: during these nine days, let us not cease walking with Christ, presenting our petitions to Him and trusting that He knows what we need.

Perhaps some of us arrive with weary hearts worried about a child, a grandchild, a sick loved one, a family, or a situation that has yet to find a solution. Let us not lose hope.

Fr. Gamalier, please include in your prayers the following intentions for the

People and intentions included in your prayers.

Francis teaches us that following Christ does not mean all our difficulties will disappear, but rather that we will never have to face them alone. Let us place our intentions in His hands and continue walking in faith.

«FIRSTNAME», may these nine days be a time of prayer, hope, and consolation for us, knowing that the Lord goes before us and that, when we walk in His footsteps, even our difficult moments can become a path leading to Him.

Therefore, let us participate in this novena with open and trusting hearts. Let each day of prayer renew our faith, strengthen our hope, and remind us that the Lord walks with us. May we, like Saint Francis, learn to follow Christ with joy even amidst difficulties knowing that in His hands our burdens become lighter and our path is filled with peace.

With fraternal affection,

Friar Gamalier Martínez, OFM. Cap.
Director
Capuchin Missionary Association
