

My name is Alexander Walker, IV and I am currently the Undersheriff with the Chaffee County Sheriff's Office. Prior to my position with the Chaffee County Sheriff Office, I worked as a Criminal Investigator and Chief Criminal Investigator with the 11<sup>th</sup> Judicial District Attorney's Office. The 11<sup>th</sup> Judicial District Attorney's Office consists of Park County, Fremont County, Chaffee County and Custer County. During my employment with the 11 Judicial District Attorney's Office from 2007 to 2021, I worked on many investigations with Steve in Park County.

From 2007 to 2021, I watched Steve promote through many ranks with the Park County Sheriff's Office, to now include Undersheriff. Steve has always been someone you can count on in very demanding and stressful situations. Steve has and will continue to take care of his staff and the residents of Park County in the utmost ethical, respectful and empathic ways known.

Steve has vast knowledge of Park County and its residents. The Park County Sheriff's Office and the Chaffee County Sheriff's Office have always worked well with each other in very difficult times and situations, and I would like to see that never change.

Steve is extremely qualified for the role of Sheriff and has proven that to me for many years. Steve has one of the highest levels of ethics and is a logical problem solver. I highly recommend Park County elect Steve for their next Sheriff. Steve's leadership, ethics, knowledge and integrity only make Park County a better and safer place to live.
