To whom it may concern: I am writing this letter in full support of Steve Spodyak for Park County Sheriff. I have known and worked with Steve for a number of years both with the Montrose Police Department and also conversing with him over the years in his capacity as Undersheriff. He is a very honorable and a humble law enforcement leader and will make an excellent Sheriff for years to come in Park County Colorado. Steve has the right mentality and knowledge to lead the Park County Sheriffs Office into the future. I am in my 50<sup>th</sup> year in law enforcement and have been honored to have known Steve Spodyak and the quality that he possesses to do the job in its entirety.

Sincerely,

Gene R. Lillard
