

To the citizens of Park County,

I write this letter as a parent, friend, and fellow Bailey and Park County resident. I have known Steve and his family since I moved to Park County and have had the pleasure of raising my two younger children alongside the Spodyaks. I am also a fellow parent and coach in the Platte Canyon School District.

Steve Spodyak is a vital part of our community's lifeblood. He is our neighbor, and his dedication to serving this area adds to the list of what makes him the ideal candidate for this role.

Steve is the proud parent watching his neighbors and his own kids showing their livestock at the Park County Fair. He is the energized fan in the stands cheering on our children and students at the local ball game. He is the caring coach investing in our youth, coaching basketball at Platte Canyon Middle School and baseball with Platte Canyon Little League. I count myself lucky to have had such an honest and trustworthy man be part of the lives of my children as their coach and mentor.

I truly believe that Steve Spodyak is the best choice for Sheriff of Park County. As a resident who both lives and serves in our community, Steve truly represents the best of Park County.

Others have attested to Steve's integrity and have outlined his experience, qualifications and training that set him apart from the competition. I believe that it is his genuine love for Park County and this community that completes the picture of a candidate uniquely suited to serve as our next Sheriff.
