Steve,

As a property owner within Park County, I have followed you and your agency for years. As a 20 year veteran of Colorado Law Enforcement, I have always been amazed at the geographic complexity of Park County and the challenges you face. I can get just about anywhere in my Country (Sedgwick) in just about 30 minutes. Your knowledge, experience and professionalism rivals any class one Sheriff on the Front Range. There simply isn't a better man than you to be Sheriff of Park County, and you have my full endorsement.
