

BBVHOA Board Minutes
November 6, 2024

Present: Ginny, Brigitte, Trish, Janet, Bette

Treasurer's Report: Beginning balance: \$8,090.99
Ending balance: \$9,117.47

Proposed development above us has been clearing the canal along Selder Ave. They also plan to put in trails in forested area.

Many members have filed complaints about members who are not in compliance with CCRs. The board has been following up on them.

Please remember, instead of doing nothing, file a complaint and let the board do their job. Wouldn't it be lovely to live in an area where ALL homes are free of garbage? No dilapidated houses?

Next meeting scheduled for January 9th, 2025.
