BOYS SURVIVE ROUGH SEASON

Suffering from lack of height and experience, the boys struggled through a tough season, but with much effort, team spirit and devotion, the team leaves behind a fighting spirit and a will to achieve in Varsity Sports.

GIRLS PLAY TWO

The Pioneer girls make their tournament debut one to remember as they play back-to-back double overtime games and finish Eastern Maine runners-up. After defeating Woodland in the quarter-final, the Pioneers upset defending Eastern Maine champions Katahdin in double overtime 60-53, then lost in the finals to Penobscot Valley 58-54 in another double overtime thriller.

**When's the last time
we missed school?**

To the dismay of most kids, schools rarely close because there's no electricity.

Your school relies on us for electricity just as much as you do at home or on the job.

But keeping electric service reliable costs more these days.

We rely on you to understand this.

Just as you rely on us to keep your electric service up to the same standards you've always known.

BANGOR & AROOSTOOK RAILROAD

**When it comes to bus services
the B&A doesn't kid around!**

If you need a service for those smallish shipments you need yesterday, you should try our bus express service. We operate two round trips daily between Bangor and Northern Maine and we offer connections for nationwide service, too.

There are still some people who think we're not in the passenger business just because we don't run passenger trains any longer. Well, we're alive and well and still in the passenger business. We run a pretty good bus service for people as well as for packages. We even have an equip-

ment exchange agreement with Greyhound so you can ride the same bus from Fort Kent to New York City if you want.

We're pretty big in the charter business, too. If your organization is planning a trip it'll pay you to talk with us before you make your plans.

If you haven't tried Bangor and Aroostook bus services, you should. Call us at 848-3324. Ask for Slip.
