## **ANSWERS**

**... or just shooting around ...**

**1986-1987 was the year for Wisdom students to find the answers to life's questions.**

## The Answer in Trends

Trends are becoming more and more popular at Wisdom High School. It seems that jean jackets, too-long sweaters, Nike sneakers, and class rings are "IN" for 1987.

**Right:** Seen here are Jaime and April, displaying their latest fashions. **Bottom:** A group of people are showing-off their recently-bought class rings.

## The Answer In After-School Activities

After-school art class has become a popular activity among art-oriented students at Wisdom High School. Doug Klapp, a new artistic addition to Wisdom's staff, has enjoyed teaching this class and putting on artistic displays for Wisdom students, faculty, and community to enjoy. We salute the art students who worked so hard this year to create so that others might enjoy.

# Finding The Answers In The Performing Arts

In the month of April, the Wisdom Junior-Senior High School Bands put on a performance for the entire student body. This group of talented musicians included the Wisdom Pep Band, and even some of our own staff members. The teachers involved with various instruments included Mr. Workman, Miss Dionne, Mrs. Foster, and Mrs. Labbe. The highlight of the performance came with some surprising guests on some even more surprising instruments. Mr. Michaud played the blender, Mrs. Labbe played the hair dryer, and Mr.

Bouchard himself made a special appearance with his vacuum cleaner. All in all, the performance was thoroughly enjoyed by all, and we look forward to many more marvelous performances.

## FREE FARE

Thursday morning finally arrived, and WHS students poured out of their classrooms into the gym, anxiously awaiting the arrival of *Free Fare*. This group had come all the way from St. Petersburg, Florida, performing benefit concerts and touring U.S. high schools. With its singing and upbeat skits, the group brought delight and laughter to audiences everywhere.

But this was not just another pretty band! In fact, the group's main purpose was to warn students about harmful drugs and alcohol, while playing popular music to entertain.

The band, made up of five guys, was not only an inspiration, but was also an entertaining way to relieve the day-to-day stress of school. Judging from the applause and cheers, *Free Fare* seemed to have thrilled Wisdom students.

## HARVEY

The Drama class presented a delightful comedy in three acts this year. The play *HARVEY* is about a pooka in the form of a large, white, and invisible rabbit, and his friend Elwood P. Dowd. The play was directed by Mrs. Lynn Owen. The cast included Denise Martin, Kelly Cyr, Scott LaVertu, Karie Michaud, Robin Bernier, Donna Pelletier, Andrew Couture, Ed Latham, Doug Guerrette, Karen Hebert, Debbie Sirois, and Jessica Clark, who made a surprise appearance as Harvey in the final scene.

**P. 8, Top left:** Special performances by unusual musicians and instruments! **Top right:** Mrs. Olmsted, WHS band director, proudly introduces the next selection. **Bottom:** Free Fare enlists the aid of a mysterious creature — or is that mysterious "cooter?" **P. 9, Top left:** A closer look at music a la hair dryer and blender. **Center left:** Art Director, Doug Klapp, and Drama Director, Lynn Owen, ponder a finishing touch to this year's production of *HARVEY*. **Center right:** Drama students relaxing during dress rehearsal. **Bottom left:** Free Fare in one of its many musical numbers. **Bottom right:** Kelly Cyr and Denise Martin trying to bring Veta and Myrtle Mae to life.

# PEP RALLIES

The annual Pep Rally is an event that everyone looks forward to. During this special hour, everyone screams at the top of his lungs, to see which class will be the loudest.

Two special groups that participate in this event are the Junior Varsity and Varsity Cheerleaders. This is an important event for them, as well as the participating Basketball teams. This Pep Rally gives them a jump on their season.

The annual Pep Rally has played an important and exciting role in the past and will continue to do so in the future.

## DANCES

Dances are usually favorite events for the students at WHS. There were several dances this year, sponsored by various clubs and organizations in the school and community. These included the Halloween Dance, the Christmas Ball, the Punk Dance, and the Hat and Bandana Dance. Dances will continue to be an important part of every WHS student's social life in the years to come.

La Joie C'est. . .

Tout le monde aime la joie,  
c'est la beauté de la vie.  
Le coeur est le centre  
de toutes joies acceptées et données.

Oui, c'est joli de recevoir  
de la joie de nos  
amis et familles  
mais quand on comprend,  
on réalise que c'est  
plus joli de donner de  
la joie à quelqu'un  
que de toujours recevoir

Quand on donne la joie  
La joie es retournée cent fois plus  
c'est comme cela q'on  
grandit comme des êtres humains  
et on comprend  
la vraie raison de la vie.  
Nous marchons ensemble  
sur le chemin dans la  
joie et l'amour.  
On écrase les difficultés  
Q'on rencontre tout au long  
du chemin.

HAPPINESS IS...

Happiness is to be cared for.  
To be cared for is to be loved.  
To be loved is to be understood.  
To be understood is to be accepted.  
To be accepted is happiness.

## WISDOM SENIOR HIGH

This year's Winter Carnival was a time of sheer excitement and sheer energy. From the amoeba races to the snow sculptures, the Freshmen, Sophomores, Juniors, and Seniors of WHS were psyched for action.

This was also a year to remember as two kings were crowned for the first time in WHS history. Even the extremely low temperatures couldn't stop the four teams, for as the weather grew colder, their hearts grew warmer in the anticipation of serious competition.

## WHS JUNIOR-SENIOR HIGH BAND

Mrs. Sue Olmsted conducted the WHS Junior-Senior High Bands in a first-ever student body assembly and Spring Concert. Both were big successes.

## ALL-AROOSTOOK BAND MEMBER

Every year, musicians from high school bands all over Aroostook County come together and compete for seats in the All-Aroostook Band. This year, for the first time, WHS was represented by Jessica Clark and her magic flute. Jessica worked hard and was rewarded for her efforts. Congratulations to both Jessica and Mrs. Olmsted for their shared success — now, and in the future.

## **National Honor Society Induction**

This year's National Honor Society Induction was very entertaining. Each of the three upper classes had representatives inducted into the N. H. S. The Sophomores had Jill Edgecomb and Nicole Corriveau. The Juniors had Gayle Bouchard. The Seniors who were inducted were Andre Albert, Kevin Dumond, and Lynn Sirois. Afterwards a tea was served by the Home Economics Students. It was enjoyed by parents and N. H. S. members alike.

# SPELLING BEE

The annual Spelling Bee was held in March this year, in the WHS cafeteria. Students competed from grades six, seven, and eight, and were very impressive in their command of the difficult words they were given to spell. After several close rounds, the winner was Dena Daigle, an eighth grader, daughter of Mr. and Mrs. Mike Daigle. The runner-up was Tina Bourgoin, also an eighth grader.

## **EIGHTH GRADE GRADUATION '87**

### ***Finding The Answers in a New Beginning***

The night was warm as eighth graders marched proudly into the gymnasium of Wisdom High School. It had been a long year, but each graduate held his head up as he recalled the satisfaction of accomplishment. Softly colored dresses and accessories accented maturing young ladies, while suits and ties complemented each young man.

But the night was more than just beauty. June 12, 1987, was a New Beginning for this group of young people. As proud parents and family members looked on, a portrait of academic excellence and accomplishment unfolded. Four outstanding graduates took the podium to express just how important this evening was for them. The applause echoed support for a New Beginning in their lives. Teachers nodded in agreement of the job well-done.

A Wisdom High School tradition continued as another eighth grade class left its mark in passing through the Junior High School years, only to forge a new trail on the horizon of tomorrow.

# GRADUATION '87

The Commencement Exercises of the 1987 Senior Class took place on Wednesday, June 10, at 8:00 p.m. The graduates were all aflurry before the program began, but they were all business when they marched down the aisle for the last time at Wisdom High School.

As the opening addresses began, the class of 1987 had a chance to reflect on its twelve years together. The theme, *As One Road Ends . . . Another Begins*, was brought out as the Co-Salutatorians, the Honor Essayist, and finally the Valedictorian gave their speeches.

The WHS Band's renditions of several popular marches also accented the emotions of the evening. Spirits truly soared as diploma after diploma was given to each excited graduate. The memories of the 1987 Graduation will not soon be forgotten.

# GIRLS' SOCCER AT WHS

This was an up and down season for the Girls' Soccer Team at Wisdom High School. With a change of coaches and techniques, the girls got off to a slow start. As the season continued, the team began to work as an efficient unit, and it once again became a competitive factor in the County.

By the end of the season, Gayle Bouchard and Karen Hebert had led the team to a 6 — 8 record during regular season. Tension mounted as the high school standings placed the Wisdom team at seventh place.

Travelling to Penobscot Valley High School, the WHS girls scored just two minutes into the game. But PVHS was ready, and came back to score six more goals. The final score was 6 — 1.

Next year, the Lady Pioneers will be losing five players, but Hebert and Bouchard will return, and much can be expected from this well-seasoned team in next year's season.

## BOYS' SOCCER TEAM

This was a very good year for the Pioneers. They ended up with a record of 8 — 5 — 1 and were ranked ninth in Eastern Maine Class C. They went on and played Machias in the preliminary round, but lost by a score of 1 — 0.

Probably the most highlighted moment of the season was when the Pioneers ended the Washburn Beavers' regular season game winning streak of thirty-five games without a loss, by a score of 2 — 1. Great job, guys!

This year in basketball was the best year for the girls in a long time. More fans showed up at games, showing the team that there was a greater interest and support. There was quite a bit of discussion after games among the spectators. Quite a few people thought the team had a good chance to make it to the play-offs.

Even though the team won more games this year than in the past, the girls' basketball team did not make it to the play-offs, and the season had to come to an end. However, the games were always exciting and interesting, most of the wins decided by only a one- to two-point margin.

In view of the increased support and interest from the students and community this year, the WHS Girls' Basketball Team will be getting better in the next season or so. All can say that Wisdom's Lady Pioneers should walk with their heads high because of the fine team effort they put forth this season.

The team members worked together as a unit, and they made every point count. The team missed going to the Eastern Maine Class D Tournament by only a couple of points. Great job guys, for a really great season!

# GIRLS' VOLLEYBALL

Well, they've done it again! The Wisdom High School Girls' Volleyball Team has won another Aroostook County Championship, making this the twelfth victory in twelve years.

The girls participated in the Division B Volleyball Tournament on Tuesday, March 31, 1987, at Washburn District High School. A total of seven schools were present for the tournament. They included Ashland, Central Aroostook, Hodgdon, Southern Aroostook, Washburn, and Wisdom High Schools.

The girls, led by Coach Cindy Albert, faced Hodgdon in the finals. They defeated Hodgdon in two consecutive games, 15 — 2 and 15 — 5, winning the match and the tournament. The girls won all of their matches in two consecutive matches, being the only team to remain undefeated throughout the entire tournament. Congratulations on a job well-done, girls!

# WISDOM JUNIOR HIGH CO-ED VOLLEYBALL

Wisdom Junior High Co-Ed Volleyball began February 23, 1987, and lasted until March 6, 1987, a two-week period. There were five teams that participated, involving forty students.

Cindy Albert organized the program and had three high school students help officiate the games. They were Debbie Sirois, Kelly Cyr, and Jason Latham.

Each team played twenty games before reaching the play-off games, held Thursday, March 5, 1987, and Friday, March 6, 1987.

The champion was Team 3, which consisted of: Larry Chasse (Captain), Troy Daigle, Michael Ouellette, Mark Sirois, Scott Guerrette, Chantel Bourgoin, Kirk Fongemie, and Tina Bourgoin.

In all, the Softball Team had a successful season, with a 10 — 4 record. The girls made it to the first round of the play-offs, against Katahdin.

# FINDING AN UNDEFEATED SEASON'S ANSWERS

This year, Wisdom High School's baseball team began with a great start. The team travelled first to play teams downstate, such as Penobscot Valley, Lee Academy, Bangor Christian, Washington Academy, and Machias. In the regular season, the team was undefeated, with a 14 -0 record, the best in the Eastern D Division in the State of Maine.

Steve Corriveau and Jon Pelletier were the star players for the year, but it was agreed that everyone on the team played his part to the fullest in the team's success this season.

# FINDING THE ANSWERS IN SCHOOL SPIRIT

For the first time this year, Wisdom had a Junior Varsity Cheerleading Squad of five students. These students did a very good job. Besides cheering at the Junior Varsity Basketball games, they also participated in fund-raisers and shared the same advisor as the Varsity squad. With this valuable experience, both squads will benefit in the future. Good job, girls!

**Top left:** The Junior Varsity Mascot was no other than Mira Saucier, a real asset to the spirit of the squad. **Top right:** This was one of several difficult stunts that the JV Squad developed over the year. **Center:** The JV Cheerleading Squad — Lola Guerrette, Victoria Jones, Babara Paradis, Jenny Michaud (Co-Captain), and Tracy Bouchard (Captain). **Bottom:** Tracy Bouchard showing-off her form and school spirit.

**Bottom Row, l to r:** Cindy Ouellette, Tammy Martin, Debra Pelletier (Captain), Tammy Lou Ayotte (Co-Captain), Pam Martin.  
**Top Row, l to r:** Tina Beaulieu, Liz Bourgojn, Dawn Bouchard, Karie Michaud, Linda Daigle, Janice Nadeau, and the team Mascot, Robin Bernier.

This year's Varsity Cheerleading Squad also had a very good year. Between fund-raisers, such as selling teddy bears for each graduating class, and working out the dance routine to the song "Two of Hearts," by Stacy Q, the girls were kept busy. Advisor Leigh St. Pierre was also kept busy inspiring and encouraging the girls in their efforts.

Of all the different times the girls cheered this season, however, the most challenging responsibility was that of organizing and directing the annual Pep Rally. The cheers were never better, and the girls performed effortlessly. As a result, the teams got off to a great start, and the Varsity Squad promoted Pioneer Spirit throughout the season.
