SENIOR:

5.2) one (student) in the corresponding (final) year at a ... High School.

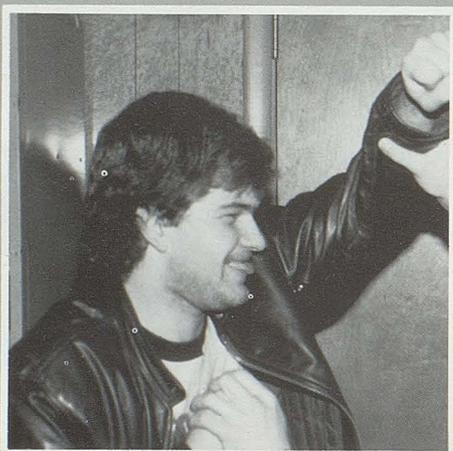

That is how *Webster's New International Dictionary* describes Seniors; brief and to the point. But lets take a closer look at that complex slice of humanity commonly known as "SENIORS."

Add "VARIETY" to the definition because Seniors come in all shapes and sizes, looks and moods.

They can be **SERIOUS** ...

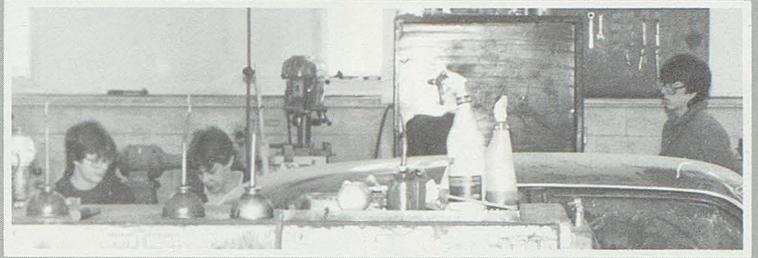

... or they can be **PLAYFUL** .

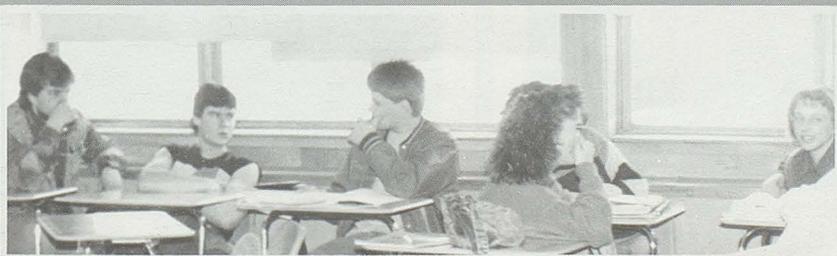

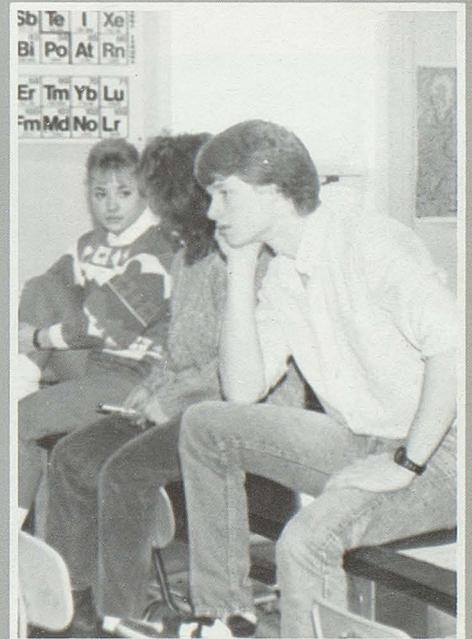

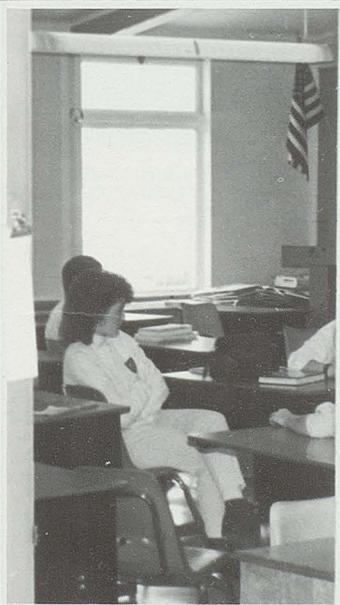

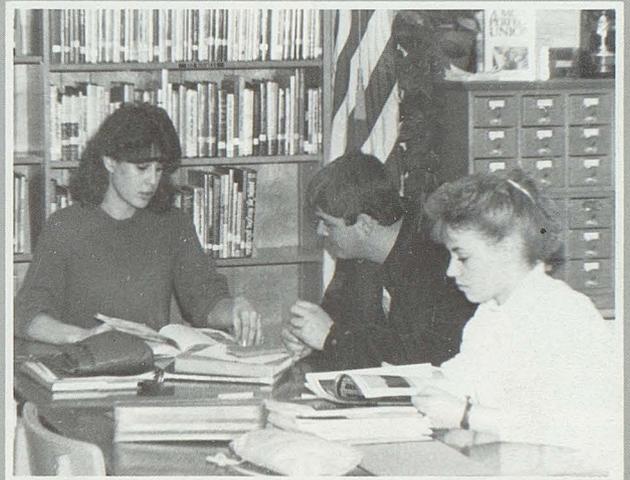

Seniors can be found ...

... THINKING while WORKING ...

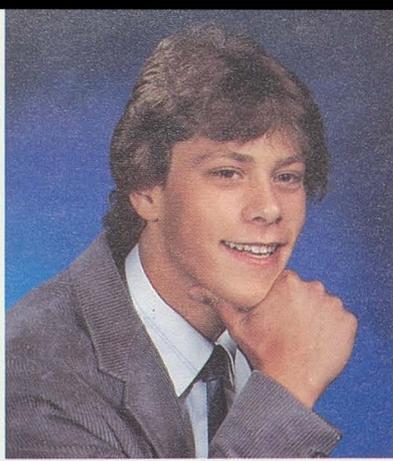

... and they can be found WORKING at THINKING

"It was hard this year, a rough season. Before the harvest things were going well, but after it we seemed to be playing below our potential. We made the semi-finals, but Penobscot Valley was too tough for us, they went on to be the state champs. We're only losing 3 seniors, so I'm very optimistic about next year."

BOYS SOCCER

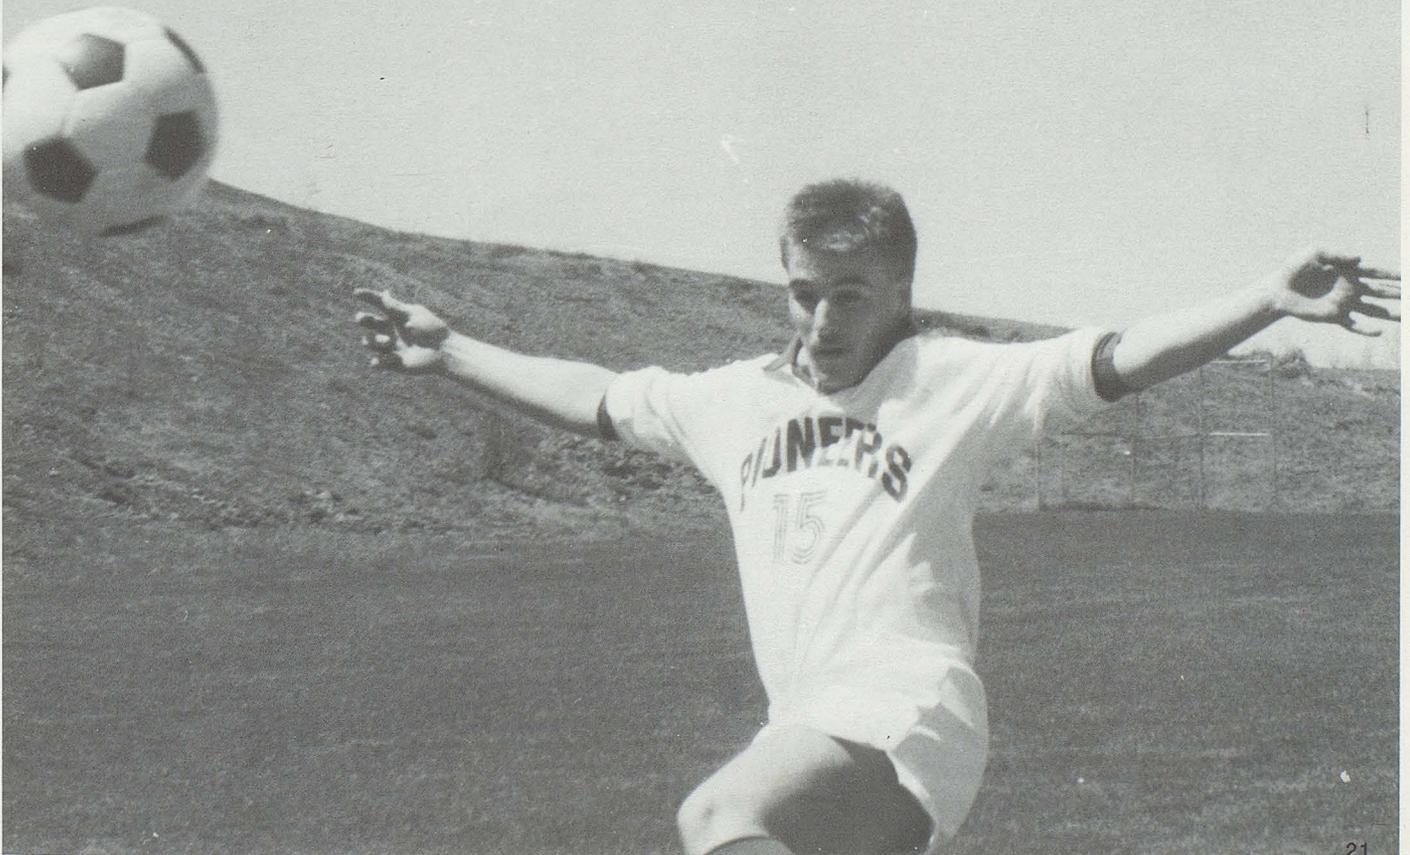

This wasn't one of our best seasons. It started off well, but then went downhill. We did have some good games, especially the one against Fort Fairfield. They were in first place but we shut them out 3-0! We'll only be missing four seniors next season so next year we could do very well.

WISDOM WINS THE CHAMPIONSHIP!

We had a lot of fun. We worked real hard. As a result, Wisdom got the Championship again. That makes 12 out of the last 13 years. It was such a feeling of pride when we got the trophy! It was also quite a feeling walking into the tournament gym knowing people were watching **US** play; we were the team to beat.

We worked hard and it paid off. After the first loss, we know we had to get serious. Central Aroostook was the toughest team we faced. I hope we can win it again next year.

"It was a frustrating year because we were expected to do better after last years undefeated season. We'll have to strengthen the hitting and defense for next year. We had a lot of first year players this year, but I think with practice next year we'll do better. I think missing the spring training session in April hurt us a bit, but next year we'll be going and that will help us a lot."

ATHLETIC AWARDS

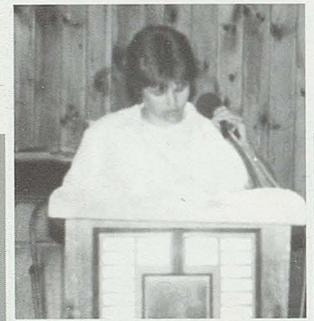

Wisdom High School annually holds a ceremony to recognize excellence in athletics. This year's roster of standouts was headed by Karen Hebert and Craig Ayotte, Wisdom's athletes of the year. All of the winners certainly deserved recognition for their dedication, the hours of practice, and that extra skill and effort that won them their honors.
