# 1989-90 WISDOM JR./SR. HIGH SCHOOL DRAMA

MUSKETEERS: Jason Fortin and Mike Ouellette

MUSKETEERS: Aaron Labrie and Naomi Michaud

PHANTOM: Denis Michaud

When I asked Dennis Michaud which was his favorite production, he could not say because each one was his favorite for a different reason. Most difficult technically was "Phantom." "Musketeers" was the hardest as a play itself. In closing, Dennis said, "Look for "Dracula" as an opener for next year."

MUSKETEERS: Martin Moser, Ron Guerrette, Mike Ouellette and Jason Fortin

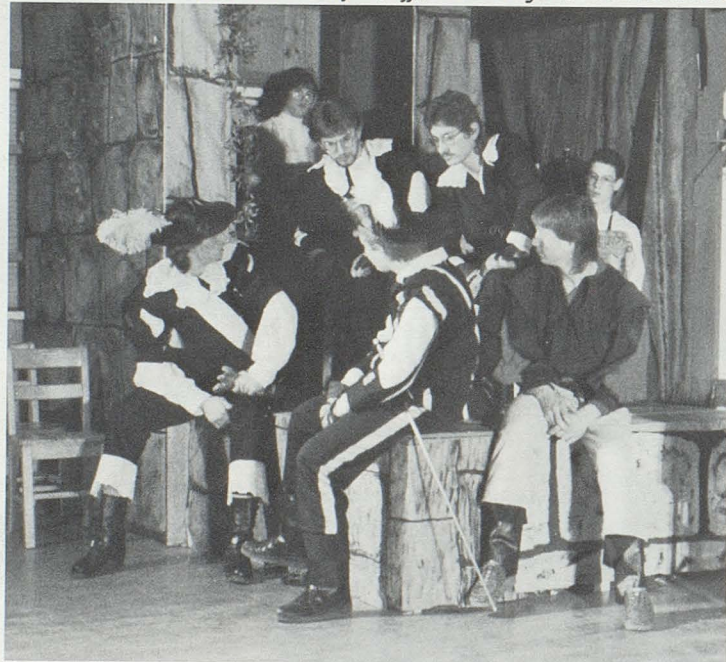

MUSKETEERS: Jason Fortin

PUFF THE MAGIC DRAGON: Erick Myers as "Puff"

PUFF THE MAGIC DRAGON: Erik Myers (Puff), Shannon Fongenie, Monica Chamberland

Upon further reflection, Dennis Michard said his favorite play was "Musketeers" when he was playing the role as Athos. He says, "I fit my character in this play."

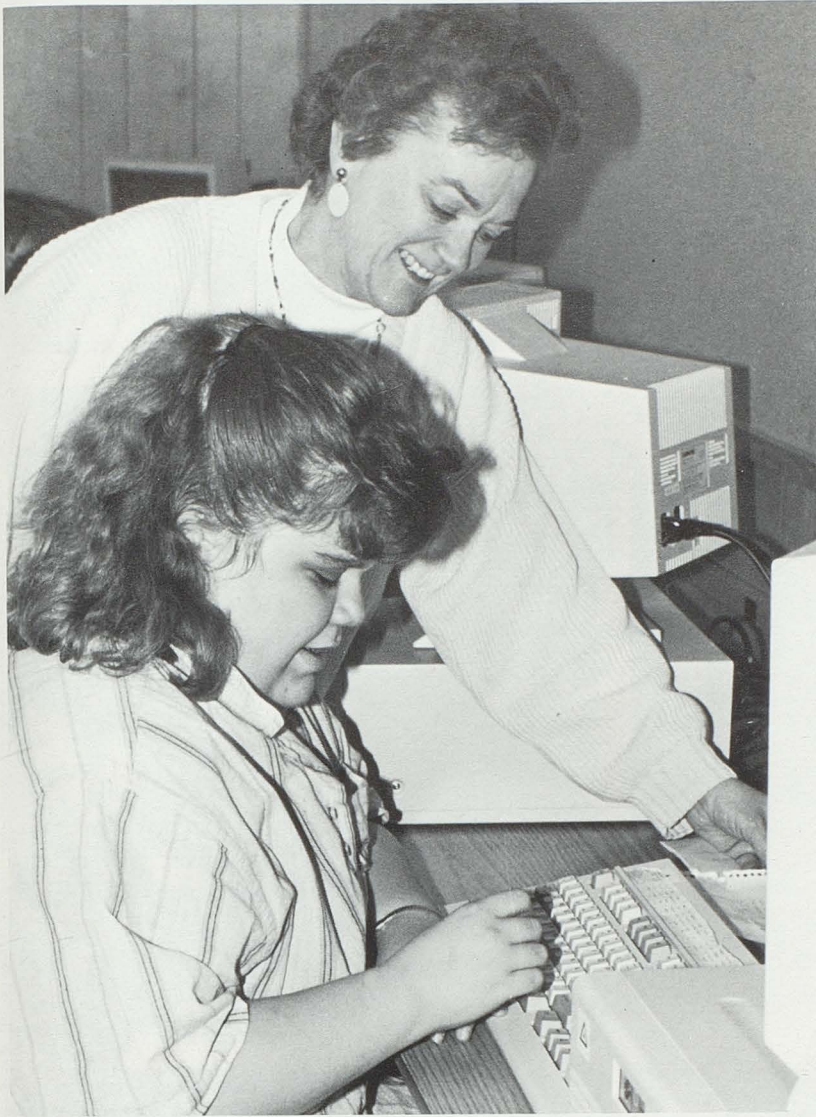

He also said that, "drama will help me express myself better in a job I might have later in life." His closing comment was: "Do it for yourself and not for others."

## W.O.W. NEWSPAPER STAFF

This year the W.O.W. staff published four issues of the W.O.W.. Mrs Cleo Ouellette said that one of the of the biggest challenges was getting articles in on time to meet publication deadlines. One of the biggest successes of the year was the use of a word processor for preparing W.O.W. copy. Next year, Mrs Ouellette hopes to generate more student interest by increasing computer usage in preparing the W.O.W.. Looking ahead, Mrs Ouellette mentioned that in 1990-91 a better way must be found to reproduce the black and white photos which add much interest to the W.O.W. publication.

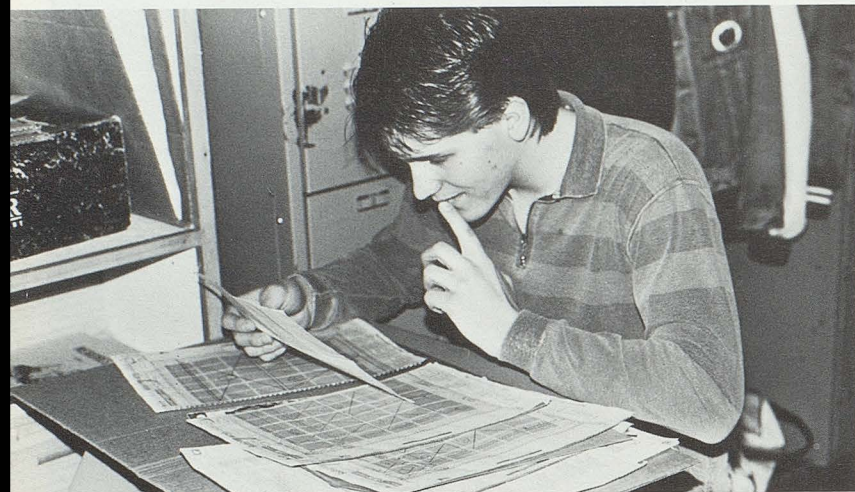

W.O.W. Newspaper Staff: Carrie Chasse, Jim Killarney, Amy Lerman, Monica Pettengill, Kathy Michaud, Mrs. Cleo Ouellette (Advisor), Tammy Morneau, Jennifer Violette. Numerous other students were involved in contributing to the W.O.W. and their efforts have been greatly appreciated.

# PIONEER YEARBOOK STAFF

The 1989-90 Pioneer Yearbook Staff was made up of almost fifty students who participated either in a photography class or a yearbook production class (some in both). Through much hard work and team effort, we believe that this year's yearbook is one of the finest ever published as far as its content is concerned. We selected the theme "Dawn of the Decade" because of the important role this theme played in the 1990 winter carnival and because we are in fact at the dawn of a new decade — the 90's.

We would like to call you attention the the division pages of this book (the black and white pages that introduce each section of the yearbook). See if you notice something happening as you go through these pages from the beginning of the book to the end.

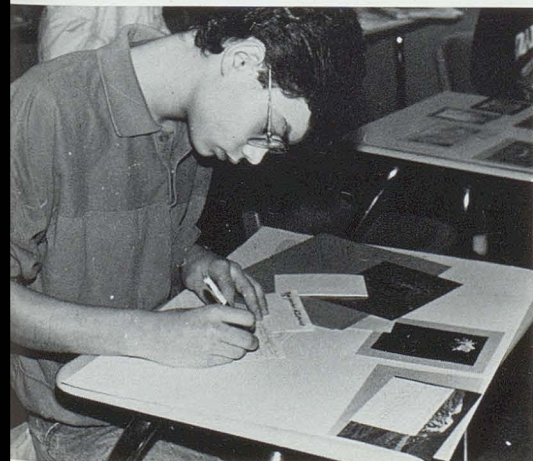

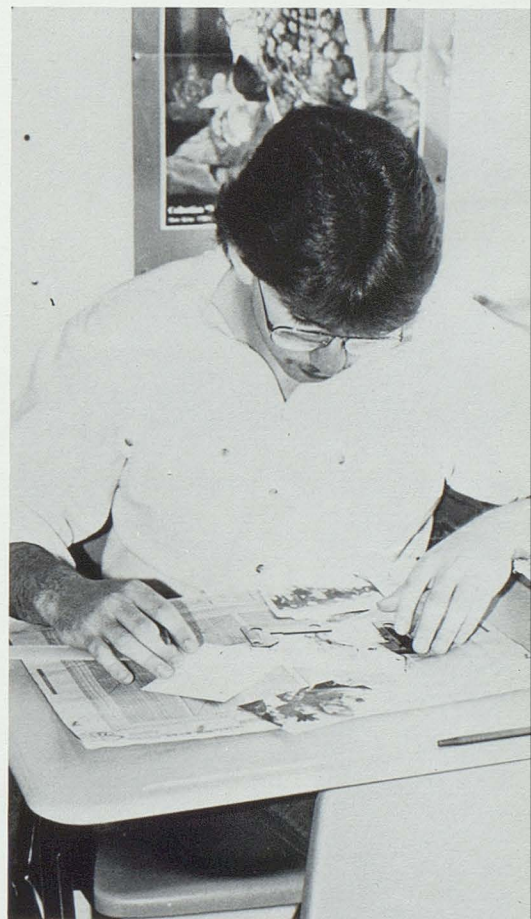

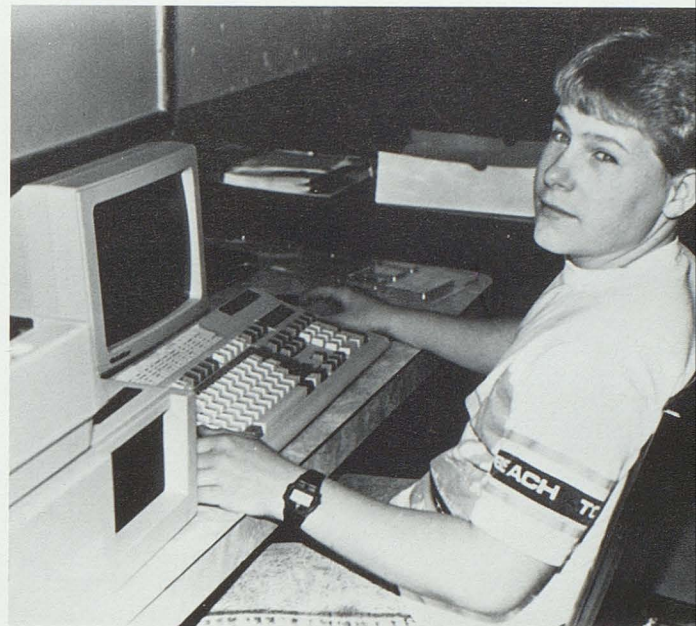

We all have a great time preparing this publication for all of you and hope you enjoy it for many years to come.

PHOTOGRAPHY STUDENTS: Kim Michaud, Dwayne Gagnon, Keith Chasse, Vikie Cyr and Mira Michaud.

YEARBOOK PRODUCTION STUDENTS: Paul Roy, Sam Daigle, Troy Daigle, Jason Tardif, Keith Mornault (wake up!!), Glen Picard, Randy Ayotte, Chad Ouellette, Kevin Chasse, Mike Pelletier, Myra Saucier, Tracy Bouchard, Jesse Dumais, Paula Collins, Dennis Michaud, Susan Marquis, Scott Marquis, Jennifer Warner and Aaron Labrie.

# WISDOM HIGH SCIENCE CLUB

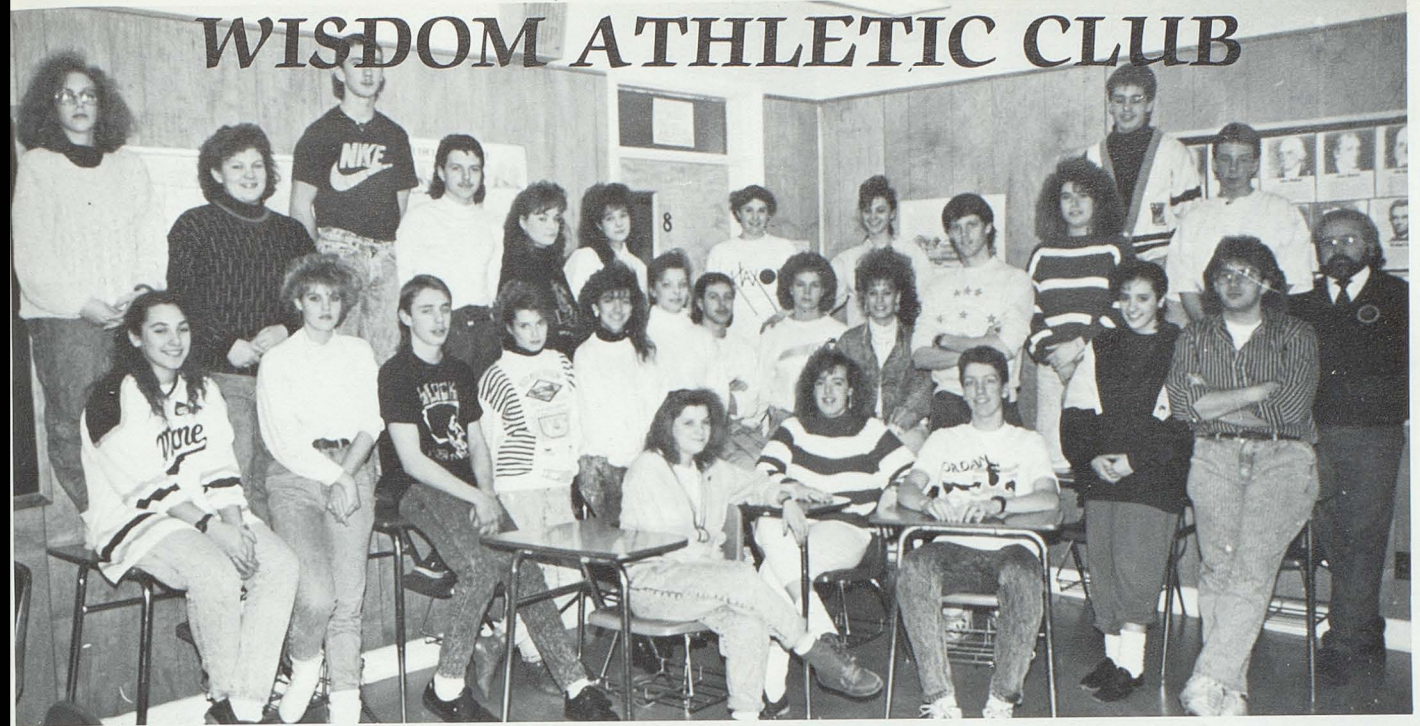

The people who make up the Wisdom Science Club are an unusual group. When they set out to accomplish a goal they are not easily distracted. This year, under the expert guidance of their advisor, Mrs. Gisele Faucher, this group of students financed a trip to Montreal. From all accounts, this was truly a wonderful experience for everyone.

One of the Science Club's most successful fund raiser was a car wash. When we look at some of the car wash pictures on these pages, we cannot help but notice that having fun is a priority with these students.

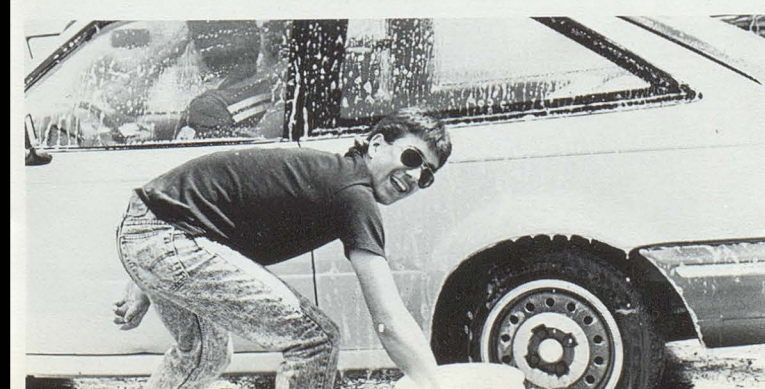

# WISDOM ATHLETIC CLUB

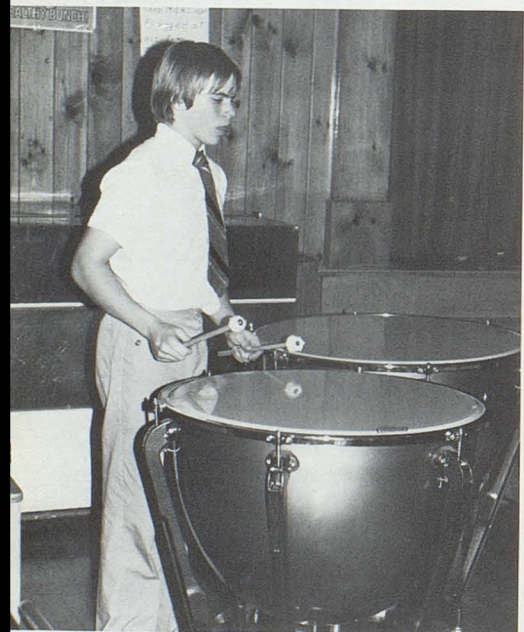

During the 1989-90 school year the members of the Athletic Club were very busy with various fund raisers. Some of their activities included selling "Wisdom Jackets" and other school spirit lifters such as hats, and various decorations that could be placed on the jackets. When Tina Bosse was asked how the athletic club members will be able to sell ALL THOSE LIGHT BULBS, she simply laughed. What's in the future for the light bulbs? We'll have to ask Mr. Aldrete, the club's advisor. In the mean time, if any of you are missing a little light in your life you know who to get in touch with.

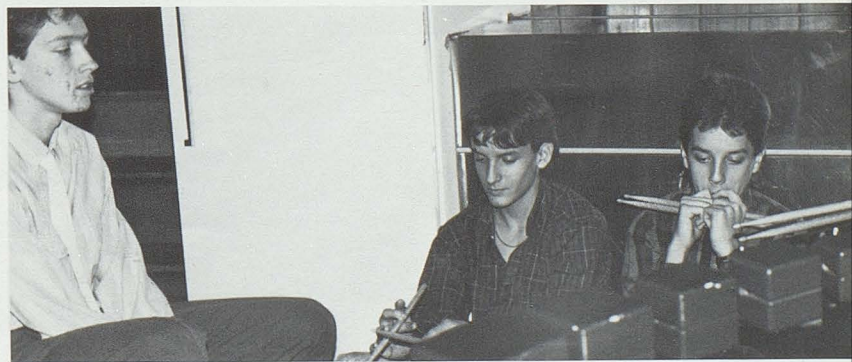

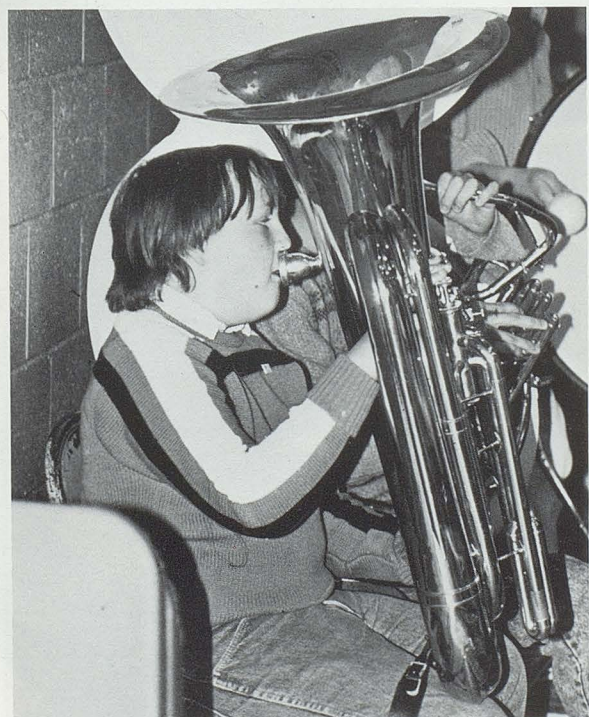

At the left is a picture of the Athletic Club Officers. With winning smiles such as theirs, you just can't lose!

# WISDOM JR./SR. HIGH BAND

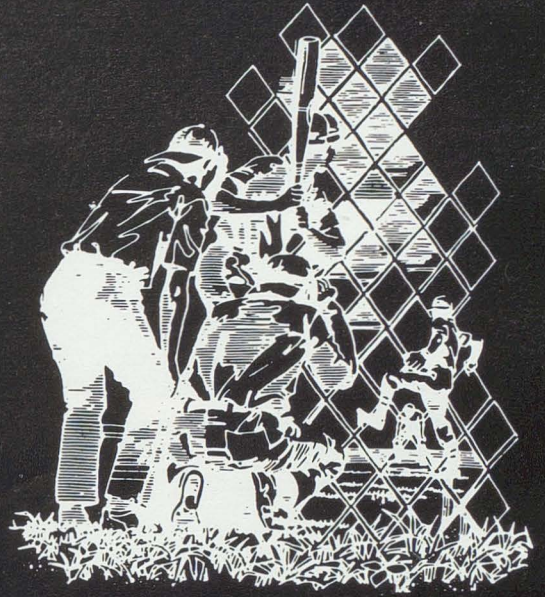

While the Wisdom Jr./Sr. High Band had many high points during the year such as the Christmas and the Spring Concerts, one of the more noteworthy (oops!) accomplishments was realized during the 1990 All Aroostook Band Festival in the spring. All the students pictured at the right participated and all but one successfully competed for a position in the All Aroostook Band Festival. Pictured at the right are Ariana Talbot, Aimee Roy, Therron Talbot, Tina Bosse, Becky Long, Tonya Michaud, Angie Olmsted, Bruce Bouchard and Christin Olmsted. Congratulations to these students and to Mrs. Suzanne Olmsted, their nurturing band instructor.

BOY'S JUNIOR VARSITY TEAM: Douglas Lerman, J.J. Roy, James Killarney, Keith Chasse, Mark Dugal, Paul Michaud (Coach), Mike Pelletier, Kirk Fongernie, Jason Tardif, Scott Dubois, and manager Jennifer Warner.

An interview with Coach Deschaine:

The amount of effort and commitment put out by this year's Varsity Boy's Team was a big part of their very successful season. With coach Deschaine as the team's backing and guidance they put together a winning chemistry that could not be disputed.

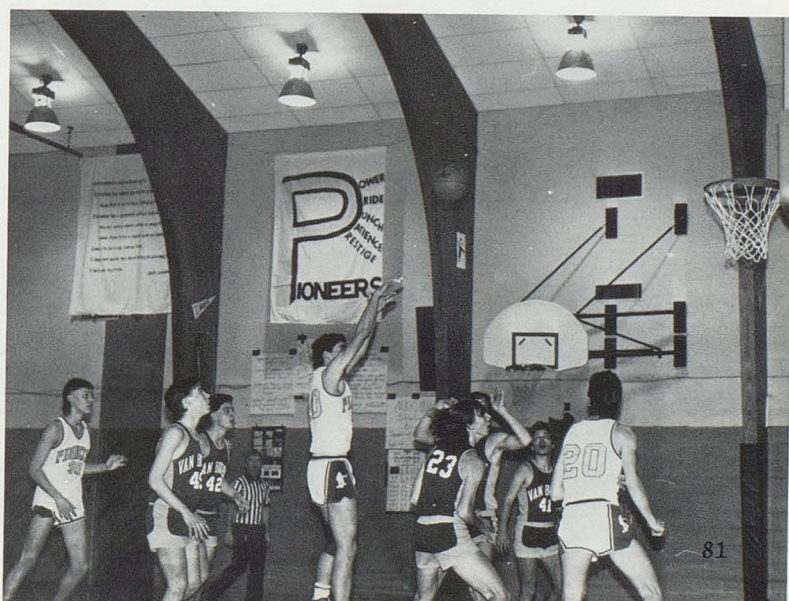

As coach Deschaine said, "We wanted to go out there and play the best possible game we could every time." Coach recalls the week before the game at home against Madawaska. The team had lost a key player which "was a tremendous blow to us." The team put this aside and said, "Yes, we can do it anyway!" Out of this control and composure came an outstanding games with Madawaska.

Coach Deschaine says that as coaches work more closely together, combined with a Pee Wee League feeder program, the future may hold some of the best basketball teams Wisdom has ever seen.

## AN INTERVIEW WITH COACH ALDRETE.

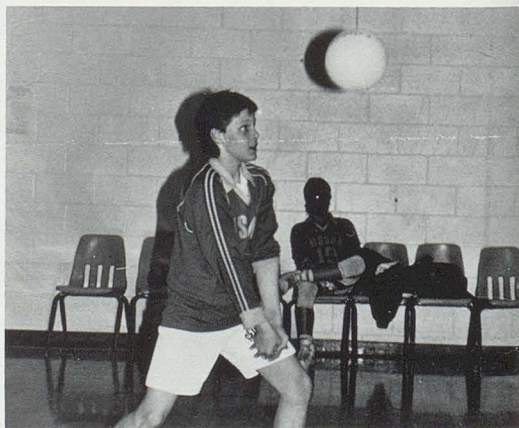

When coach Aldrete was asked what he wished to accomplish during the tournament he simply replied, "To win it three years in a row," which the team did by sweeping this year's tournament.

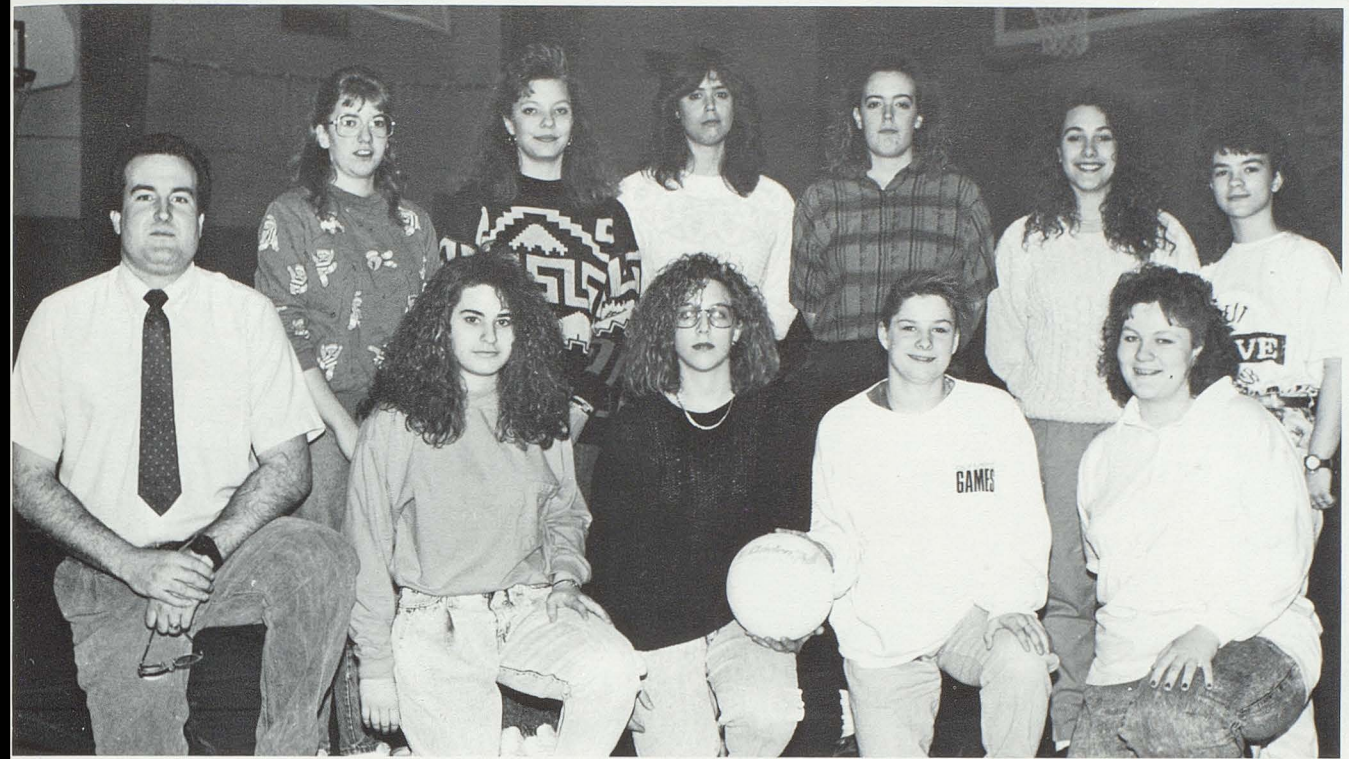

Coach Aldrete believes that Wisdom's success in volleyball in the past years is due primarily to our excellent feeder program in physical education.

When asked which team he feared the most, he said, "I fear no team! If we get beaten, we've beaten ourselves."

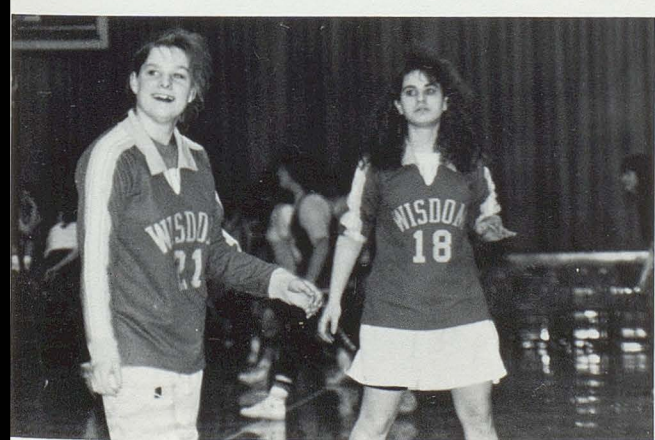

Looking towards the future, the upcoming teams will surely try to keep Wisdom's winning tradition in the tournament alive.

GIRL'S VOLLEYBALL. By: Jennifer Warner

The make-up of this year's volleyball team was different from those of previous years. All but three of the team members were lost to graduation the year before. So we had a very "young" team. In spite of this, we came in third place

One of our weakest points was that we didn't have enough experience. With more experienced players we obviously could have accomplished more. Our goal was to retain the championship. However, we lost our last game to the county champions, Limestone.

At our first tournament game we had a little trouble because only half the team attended. Nevertheless, we tried to have fun.

Looking ahead, players joining the team next year should realize that an important new goal will be to regain our self image and, of course, the county championship.

## AN INTERVIEW WITH SANDY SIROIS. By: Randy Ayotte

When questioned about this year's softball team goals, Sandy Sirois said that at the beginning of the season her goals were for the team to make the playoffs. Even though this did not happen, she said that the team still did considerably well winning two games out of the season since the team was in the process of rebuilding as they had lost many Senior players at graduation time the year before. When asked what words of inspiration she would give for next year's team, Sandy said, "Work hard! You get out of it what you put into it."
