# BANNER YEAR FOR PIONEER DRAMA

This has been another super year for the drama program. Under the leadership and direction of Mr. Doug Clapp, Jr., the year started with three super performances to nearly packed houses on October 29, 30 and 31, with their rendition of "Frankenstein The Creator." The audience was kept sitting on the edge of their seats as the cast went through three major acts, 27 scene changes including the usual and sometimes most unusual special effects used to enhance their theatrics.

This was followed by three very successful one-act plays shown for the general public on March 2, 3, and 4, 1992. These were "A Sunny Morning," "Storm Is Breaking," and "Paul and Vinnie Go To The Cafe." The play "Paul and Vinnie" was entered in Division I in the state regional competition held at the Performing Arts Center in Caribou on March 13 and 14, 1992. Though our play didn't place, it received considerable attention and praise. Furthermore, four of our students who played leading roles were selected to the "All Regional Cast" - more than any other play featured at the Regionals. They were: Tracy Michaud, Kate White, Ronnie Guerrette, and Nathan White. This play was so spectacular that it was featured at the Rotary's Annual Mother's Day Dinner on May 10th in Madawaska and again on May 29 along with last years regional award winning entry "Boom Box" at UMFK as a special fund raiser supporting the construction of a Memorial for the Vietnam Veterans.

Finally, as their last major production of the year, the drama club and director Clapp put on a musical called "Six Nights - Six Cities" on May 18, 19 and 20. They play was extremely well received as they drew above average crowds on all three nights.

What can we say except, the drama group has had one heck of a full and successful year! Thanks for your gifts, your talents, and your energy.

# ATHLETIC CLUB MEMBERS

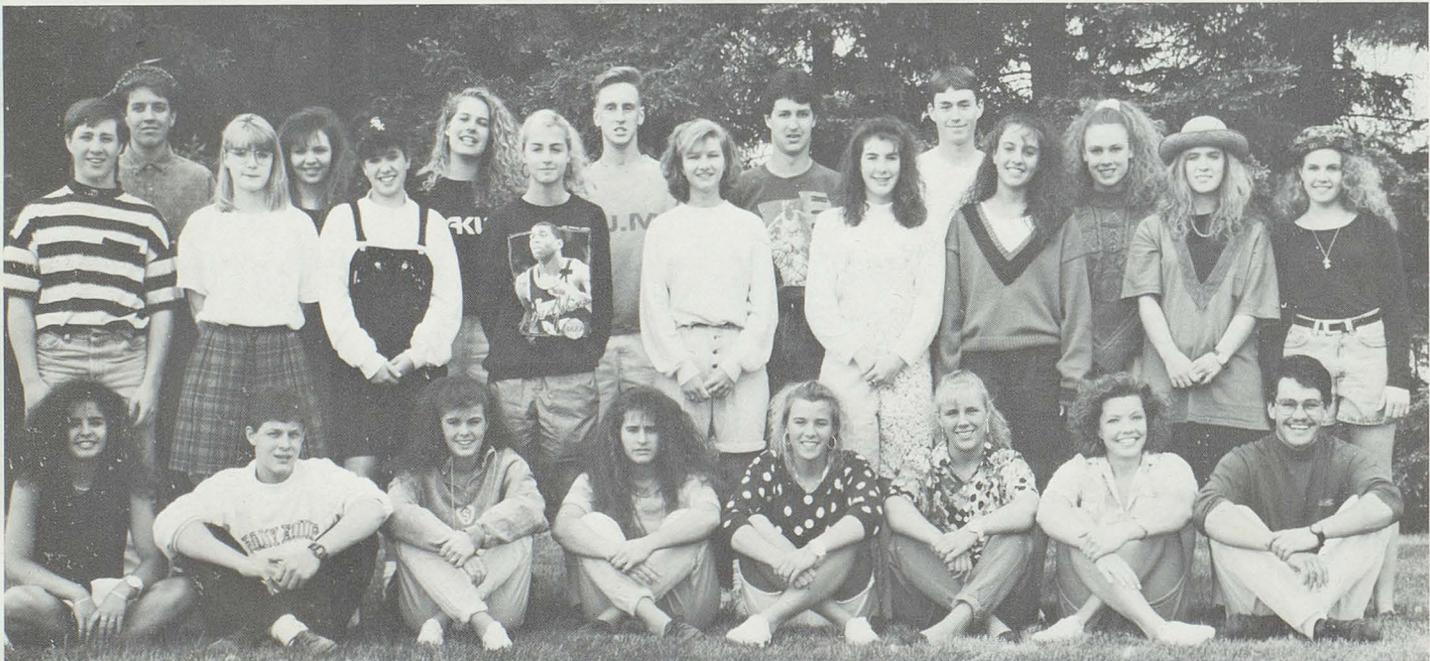

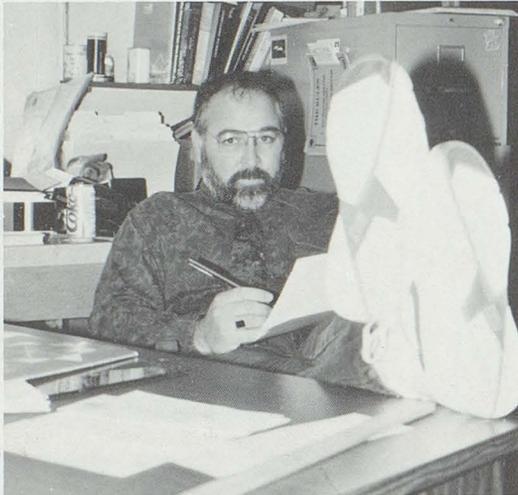

*Said ...*

... it was definitely the best athletic club field trip ever! Who could have asked for better weather? To be with classmates and friends on Maine's only REAL mountain for an entire weekend was probably one of the best ways to end the school year for the athletic club. Somehow, though, no one ever thought that one of the activities would be moose feeding. Jimmy Killarney proved to be a pro at it.

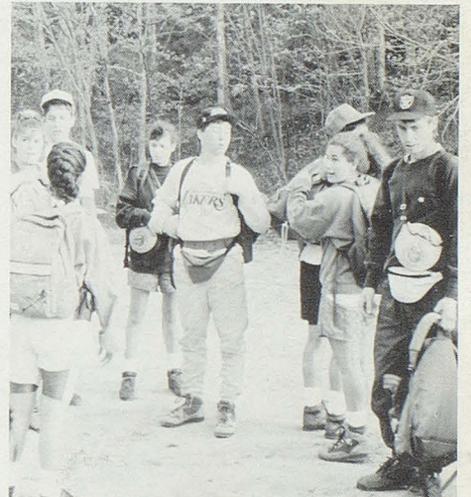

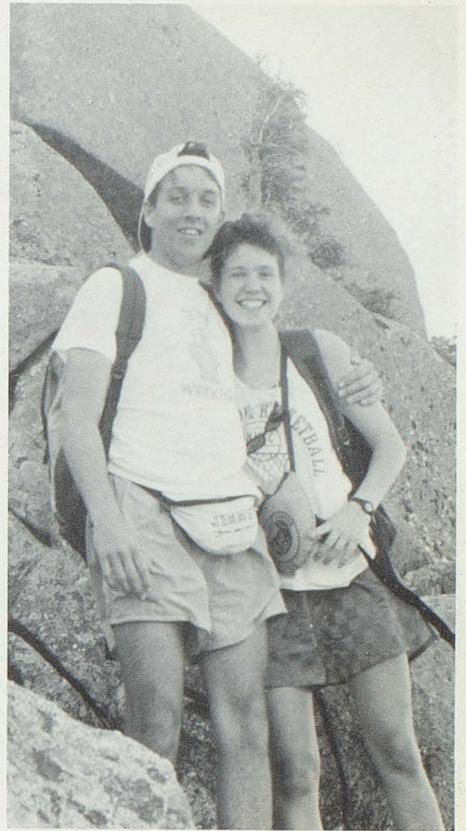

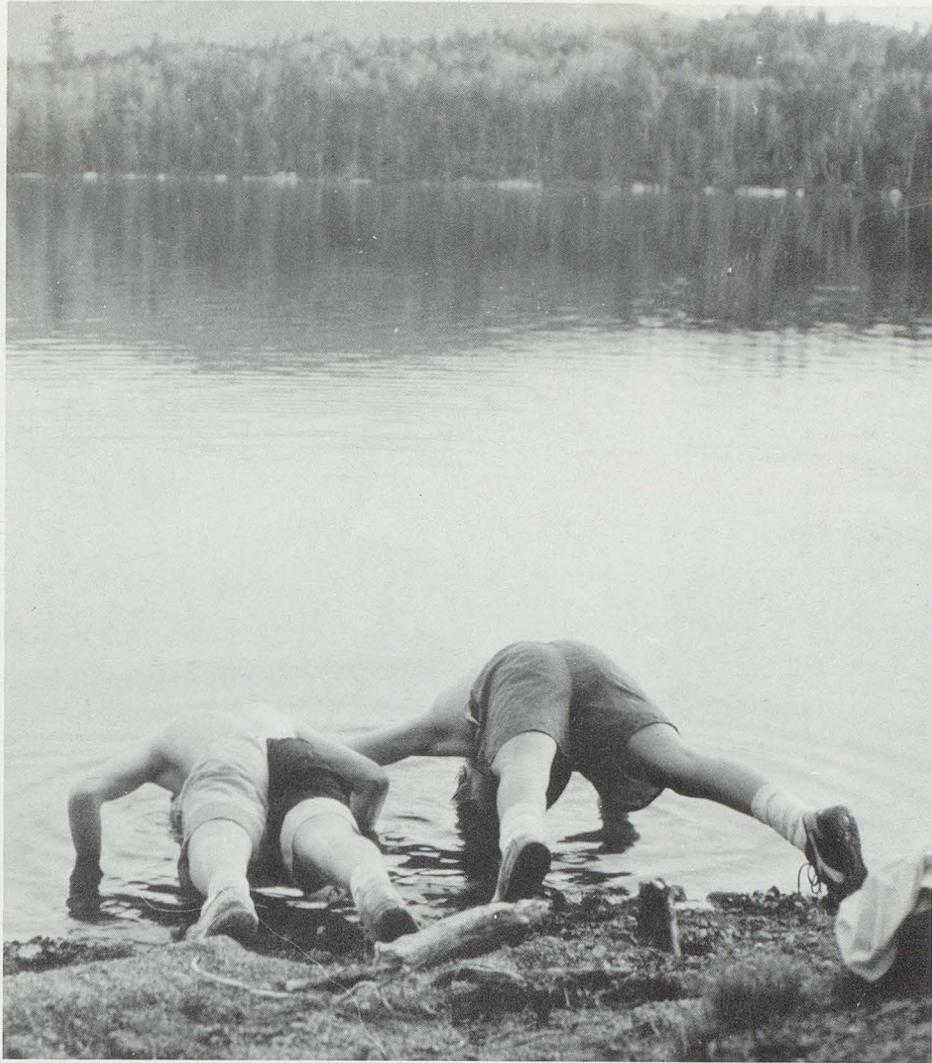

All Katahdin field trip pictures were taken by Jamie Guerrette. Thanks a million, Jamie, for your gift as a photographer and a first class athlete.

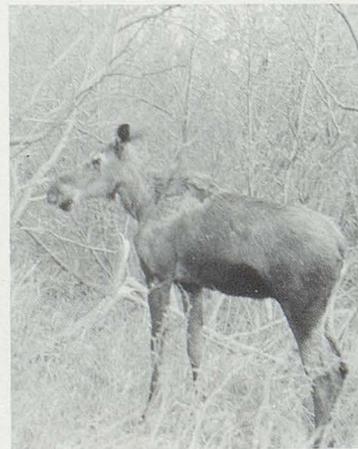

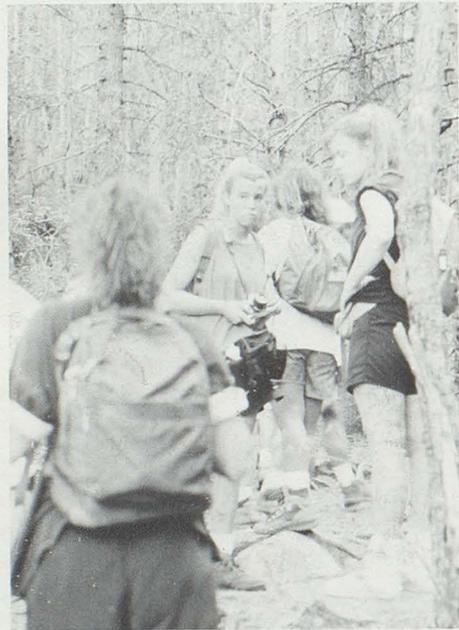

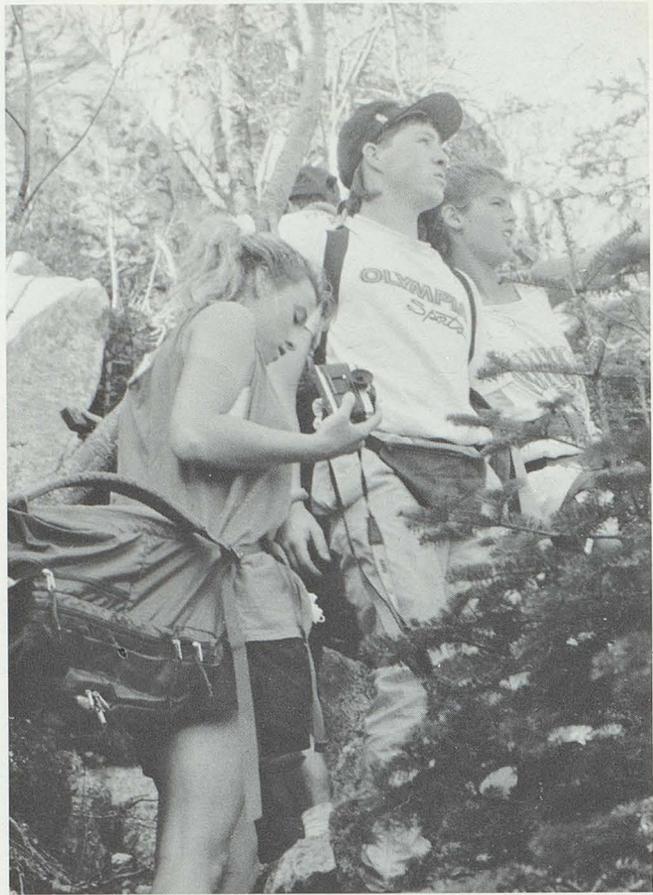

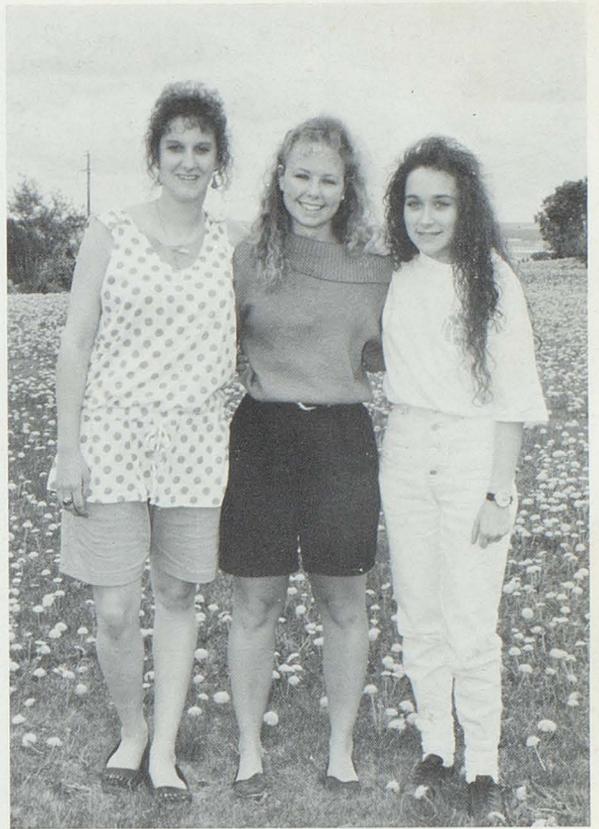

ATHLETIC CLUB OFFICERS: Becky Derosier (Secretary), Tammy Pelletier (Vice Pres.), Shannon Ouellette (Treasurer), and Amy Cyr (President).

1991-92 ATHLETIC CLUB MEMBERS - Lori Michaud, Shelly Levesque, Jimmy Killarney, Dean Lavoie, Jamie Guerette, Erin Killarney, Doug Lerman, Kate White, Tracy Daigle, Vicky Morneault, Linda Desjardin, Kelly Thibodeau, Michelle Paradis, Carrie Ouellette, Danielle Laverty, Pat Roy, J.J. Roy, Tonya Michaud, Shannon Ouellette, Becky Derosier, Tammy Pelletier, Amy Cyr, and David Pelletier. Absent from the photo are : Advisor Mr. Mike Aldrete, Scott Dubois, and Shannon Lagasse.

HOSA Club members (Health Occupation Students of America): Michelle Williams, Jennifer Warner and Beverly Sirois. By the time these seniors graduated, they were licensed health care professionals in the state of Maine.

WIDOM HIGH CHESS TEAM: Eric Myers, Nathan White, Timothy Flanders, Coach Doug Clapp, Tharan Talbot, Rhyne Clapp, Adrien Talbot, and Monica Pettengill. This was the team's first year in competitions and the members had a great time. Good luck in the future for these fine strategists!

WISDOM'S BADMINTON VICTORS: Photographed above with trophies and plenty of reason to smile are the lunch period badminton program champs: Michelle Paradis, J.J. Roy, Mark Dugal and Christine Michaud.

Striving for personal excellence

One could hear a pin drop in the cafeteria on the afternoon of November 26, 1991. Suspense filled the air as the candlelight ceremony began. Each and every student waited in anticipation to see who would be recognized for their high qualities of scholarship, leadership, character and service.

# 1992 PIONEER YEARBOOK STAFF

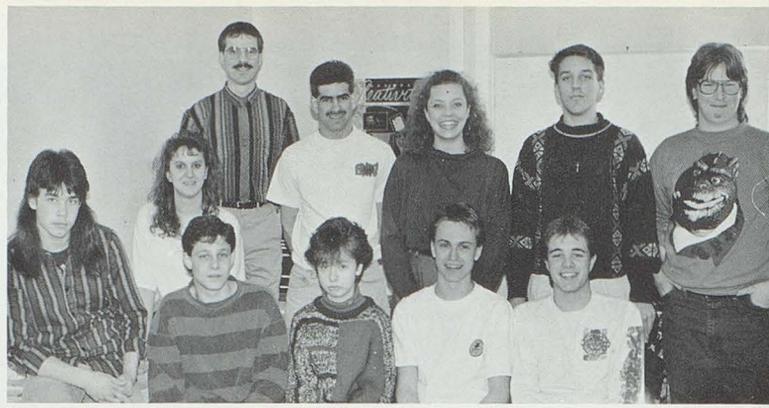

It's kinda hard to imagine how much work goes into putting the yearbook together. You just have to participate in the process the find out how complex and time-consuming this project is. Still, though, it's a lot of fun and very satisfying.

The students pictured on these two pages worked as a team. As a result, this yearbook went together on time every time. Everyone accomplished hundreds of little tasks as the year went by. At the end of it all is a product we are all very proud to present to you, the students of Wisdom Middle/Senior High School. We hope you enjoy your 1992 yearbook as much as we have enjoyed putting it together.

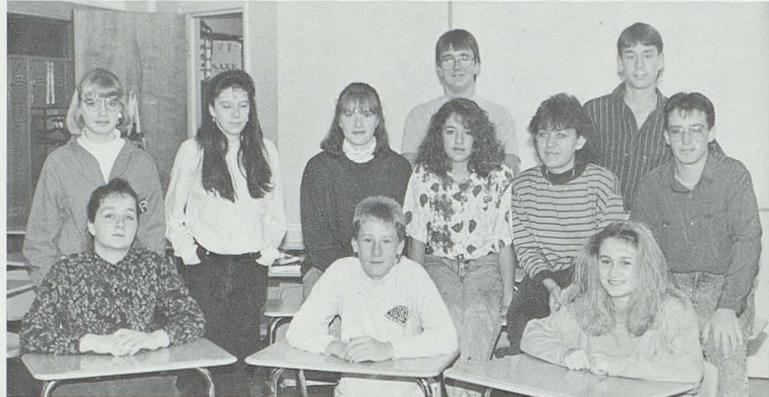

We look for your ideas to make it even better.

# WISDOM MIDDLE/SENIOR HIGH BAND AND CHORUS

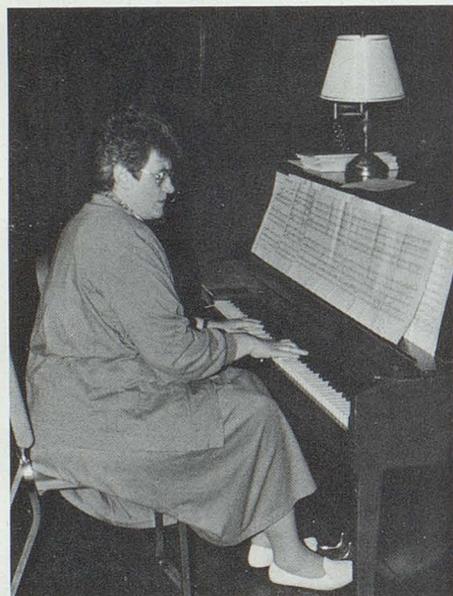

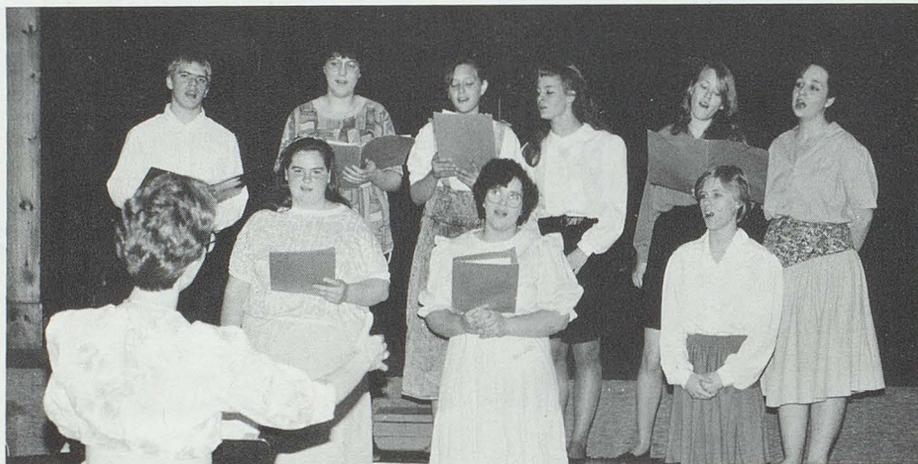

It certainly was a most exciting year for our band and chorus groups this year. Five high school and four middle school students were selected to the All Aroostook bands and chorus. The concert was held in January at Fort Fairfield High School. Selected to the All Aroostook High School Band were: Aimee Roy - 1st chair, 1st clarinet; Ben Michaud - 1st chair baritone saxophone; Monica Pettengill - 1st chair French horn; Kristin Olmsted, 2nd chair French Horn; and Eric Myers - tuba. Selected to the All Aroostook Jr. High/Middle School Band were: Jill Michaud - tenor saxophone; Ketura Talbot - 1st chair French horn; and Damienne Olmsted - 2nd chair 1st trombone. Selected to the All Aroostook Jr. High/Middle School chorus was Tracy Guerrette.

The All State Music Festival was held in May and Aimee Roy was selected to the All State Band. She is the first student from SAD #33 to make All State. She played in the 1st clarinet section. This is an excellent accomplishment for a freshman. Congratulations, Aimee.

MRS. LOUISE ROY has been a tremendous help in providing the chorus program with musical accompaniment throughout the year. We thank her very much for sharing her gift with us.

## TOP NOTCH!

Academic achievement at its best

On May 5, 1992, MSAD #33 and the National Honor Society took time to recognize students for their outstanding academic achievements. At the Ninth Annual Honors Banquet, fifty students received certificates for achieving 90% or better for three consecutive ranking periods of the 1991-92 school year.

Mr. Paul Bouchard also announced other very special awards during the banquet. He recognized a senior, Tammy Pelletier, for receiving the MSAD #33 Principal's Award and the Rotary Youth Merit Award. Lola Guerrette, our guest speaker and a 1991 Wisdom High School graduate who is currently attending Thomas College in Waterville, presented Tammy with a plaque for receiving a full-tuition, four-year scholarship to Thomas College.

The Honors Program began in 1984 and has been held annually ever since as a way of recognizing Wisdom High School's academic achievers.

# KICK OFF!!!

It's soccer time!

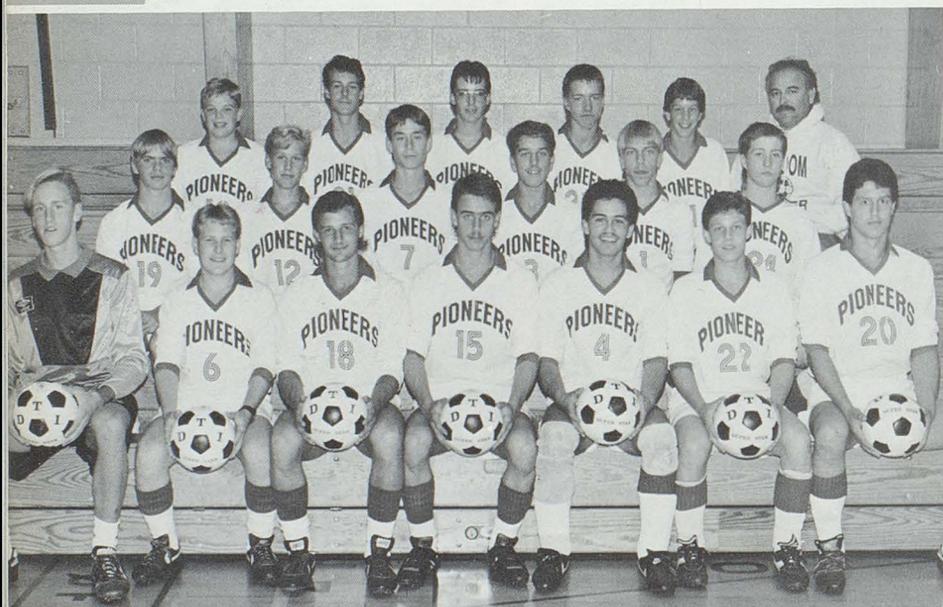

With quite a few returning lettermen on the team the Boy's Soccer Players had high expectations for the season. "We had a good returning group of lettermen, and I felt we would do well," said coach Aldrete. These high hopes led them all the way to the quarter-final round for the playoffs where they were defeated by Washburn in a tough 3-1 game. Two of the players were recognized for playing exceptionally well on the soccer field. Troy Daigle was selected to the All Aroostook Soccer Team and J.J. Roy was honored by being chosen for the Eastern Maine Class D Soccer Team.

# TOUGH SEASON!!

Girl's Soccer

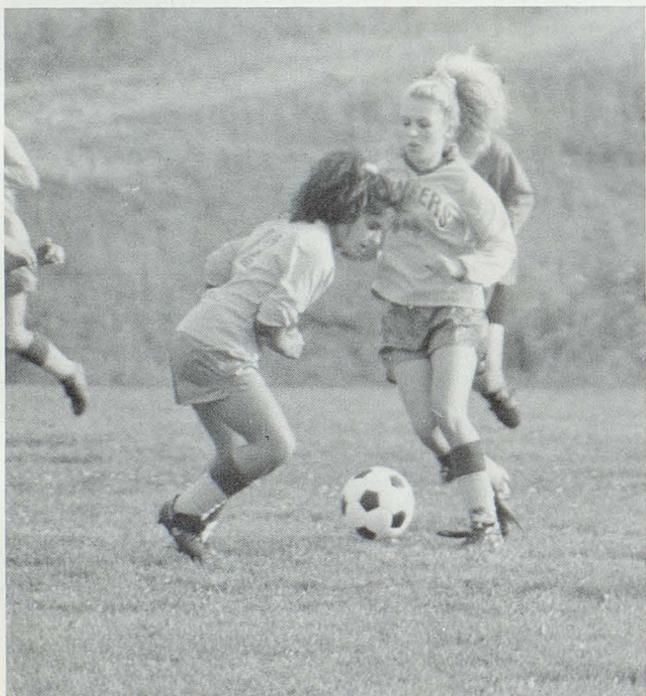

This year's soccer team had a tough season ahead of it. We were young and inexperienced. Many were disappointed that the team did not make it to the playoffs. However, we felt that this year was a test of what the upcoming years will be like.

The team set certain goals for itself this season. One goal was to change the defensive strategy. We switched from a "zone defense" to a "man-to-man defense." This was partially successful. Making use of the bench was an important asset for the team because it allowed players to keep the high intensity of the game always constant. We believe that these goals helped us learn to be better soccer players.

"I am proud of my achievements, and I just tried to do my best, and I feel proud to be credited for it." This was Shannon Lagasse's comment when she was told she had been selected to the All-Aroostook Second Team and the St. John Valley Team.

Congratulations, Shannon!

Girl's Basketball

This year's basketball team was young, with few veterans returning. Still, they all had high hopes for the season. One of the team's greatest achievements was the win over Easton. This brought a more positive attitude to the team. Individual players were highly skilled, but had a difficult time putting their skills together as a team. This is something that next year's team plans to work on.

This basketball season was one of the better season's that Wisdom has seen in a while. Our wins brought us very close to the tournament, and next year, we are looking to improve. Again, we can look forward to a possible tournament spot.

Senior Amy Cyr and Sophomore Erin Killarney recieved awards for their fine performance. Amy was selected to the All-Aroostook All Star Team. Amy said, "I was very surprised that I received this award two years in a row. I felt honored to be able to play with some of the best players in the county in the All Star Game." Erin was selected to the St. John Valley Team. Congratulations to all the players.

## Pioneer Boy's Basketball

The 1992 boy's varsity basketball team had four seniors in it, but the total experience level of the team as a whole was weak. We began the year with the goal of making this the best year ever but, because we were out-sized at virtually all the games we played, we didn't quite attain that goal.

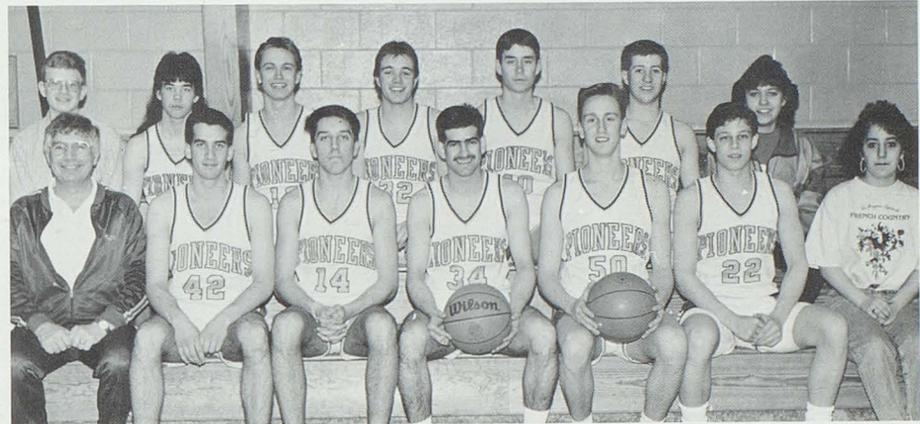

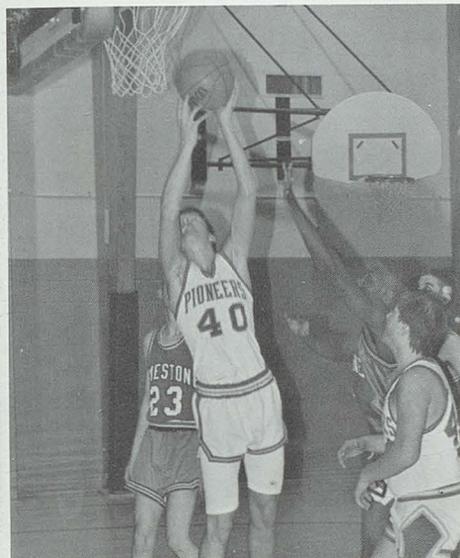

Our biggest challenge was the Mars Hill team. If we could beat them we would have better standings in terms of points. Of course, Madawaska is always the team to beat since they are essentially our primary rival team.

The biggest pluses for the boys was the tremendous work ethic they exhibited throughout the season and the positive character of the team as a whole. They are superb sportsmen.

On March 26, 1992, after a long day of intense volleyball playing, the W.H.S. boy's team captured their fourth county championship in five years. The title was well deserved after winning four games to advance to the final round. In the final game, the team defeated Central Aroostook to capture the title. ## Pioneer Boy's Baseball

During this 1992 season, the boy's baseball team started off with a fair amount of experience and ability in the game. The lowest level of performance came during the mid-season. However, toward the end, especially during the last six games, the team's playing ability was much improved.

The team set two major goals for the season. The boys worked hard trying to improve their hitting ability and cutting down on errors in decision making while playing.

"One big obstacle to improving our game was having to re-souffle players too often," said Coach Paul Michaud. We did this because of illness, injury and other problems.

If we consider the problems this team had to overcome, we have to conclude that, all-in-all, they really did play quite well during the season. Keep up the spirit and hard work, guys. Next year we'll trash our opponents.!

## Pioneer Girl's Softball

This year's girl's softball team was a very young team. We had five Freshmen and two Seniors. "Our major goal was to develop and refine our basic playing skills in the areas of defense and offense in our Freshmen," said Coach Greg Ouellette.

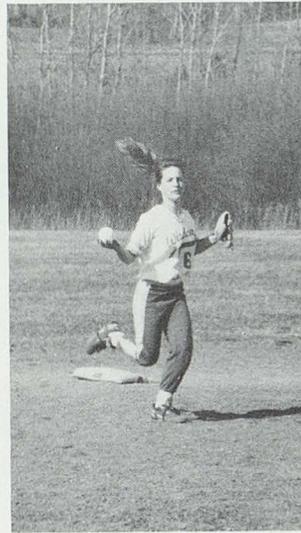

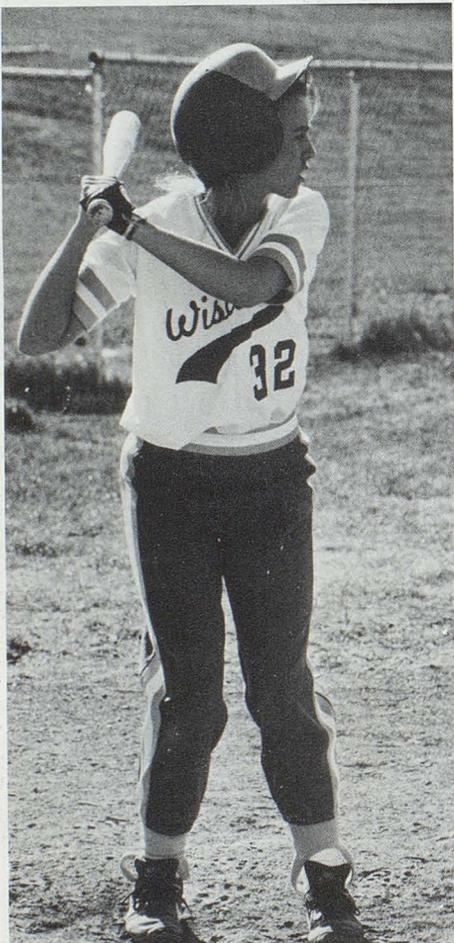

The biggest problem faced by the young team was having to play against much more experienced teams throughout the season.

"I see tremendous promise for the future as this young team gains experience and skills," mentioned Coach Ouellette. Two focal points of future skill development will be the team's pitching ability and defense strategy.

Our team was out there giving its best to this sport. Best of luck in the coming season, girl's!

# TEAM PRIDE!!

We've got the spirit!!

On the day of our team's first basketball game of the season, the cheerleaders had the opportunity to strut their stuff at WHS's annual pep rally. It was there that they proved themselves worthy of recognition by putting on a superb performance. They definitely "rocked the House" by leading each class in the spirit contest and by dancing to "Rock Steady." The event was a huge success with the Junior class capturing the spirit award and with the outstanding performance of the cheerleaders.

When the squad was informed that they would not be receiving their new uniforms in time for a lot of the games, they didn't wallow in self-pity. On the contrary. They devised interesting substitute uniforms using Wisdom jackets and regular clothes! They would not have been able to order the uniforms without the help of people who bought raffle tickets and popcorn during the games.

Welcome to the "WONDERS OF THE WORLD"

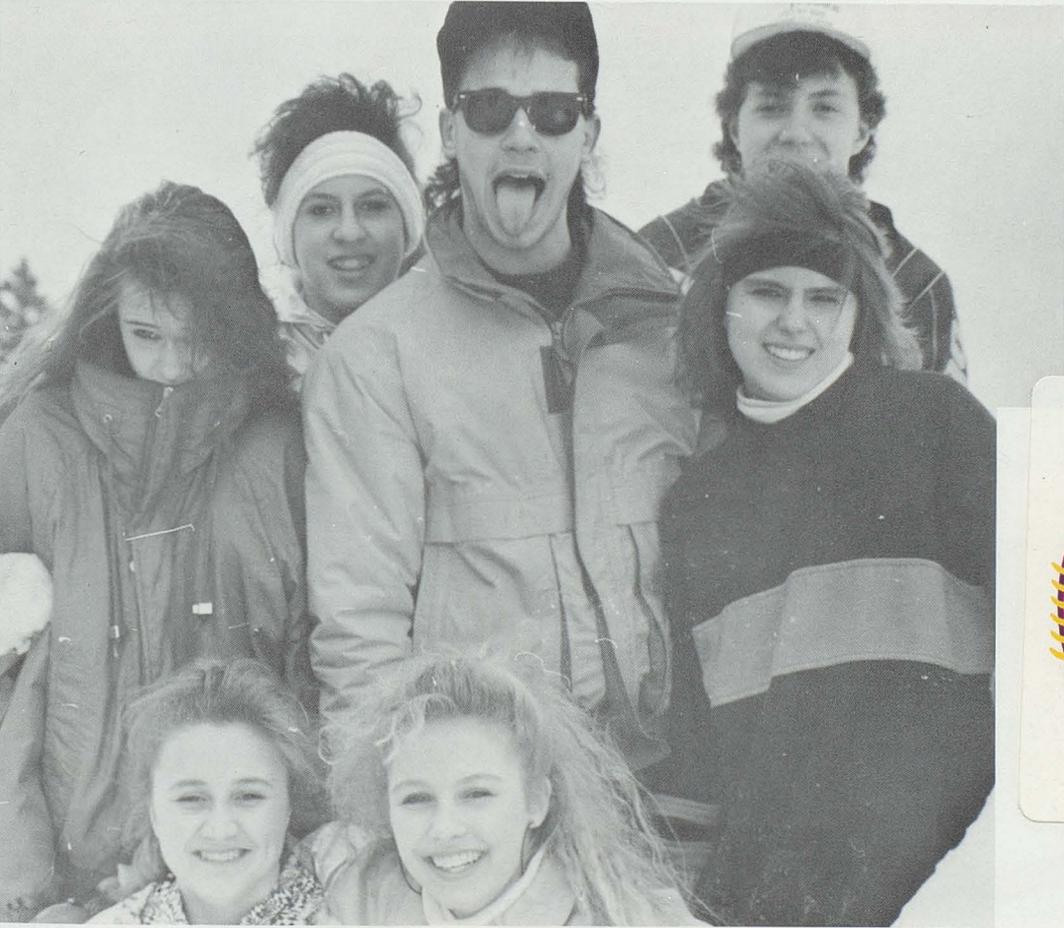

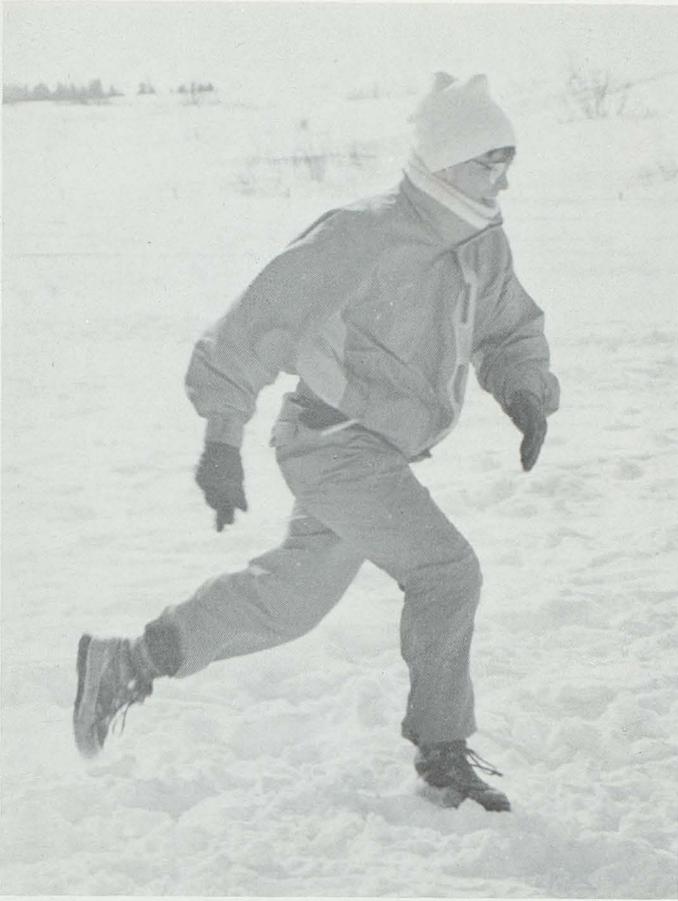

Once a year Wisdom High School students spend two fun-filled days of intense competition in winter carnival events. Seniors, Juniors, Sophomores, and Freshmen perform complex organizational rituals in an effort to capture the coveted trophy which is awarded to the first place winners.

The games began on February 27 and ended the next day with the winter carnival ball. It was virtually impossible to tell who would come in first even at the last minute. Only a few points separated the first place class from the fourth. Who would savor the thrill of victory?

The long-awaited moment had finally arrived. The tension was incredible! Then the announcement was made; the Sophomores won first place, followed by the Juniors, Seniors, and the Freshmen in fourth place and winners of the sportsmanship trophy.

# A Night To Remember

"Set The Night To Music" was the theme for this year's Junior-Senior Prom. This memorable evening took place on May 9 in the Wisdom High School Cafeteria. It was an evening full of excitement, dancing, laughter, and fun. Yet, it was also an evening full of romance. The cafeteria was transformed into a beautiful black and white keyboard setting that added to the evening's mood. Kevin Couture of Disc Jockey Express played great music. The following four pages of pictures were taken by Chad Morneault.

**"MAKING DREAMS  
COME TRUE"  
...a graduation wish**

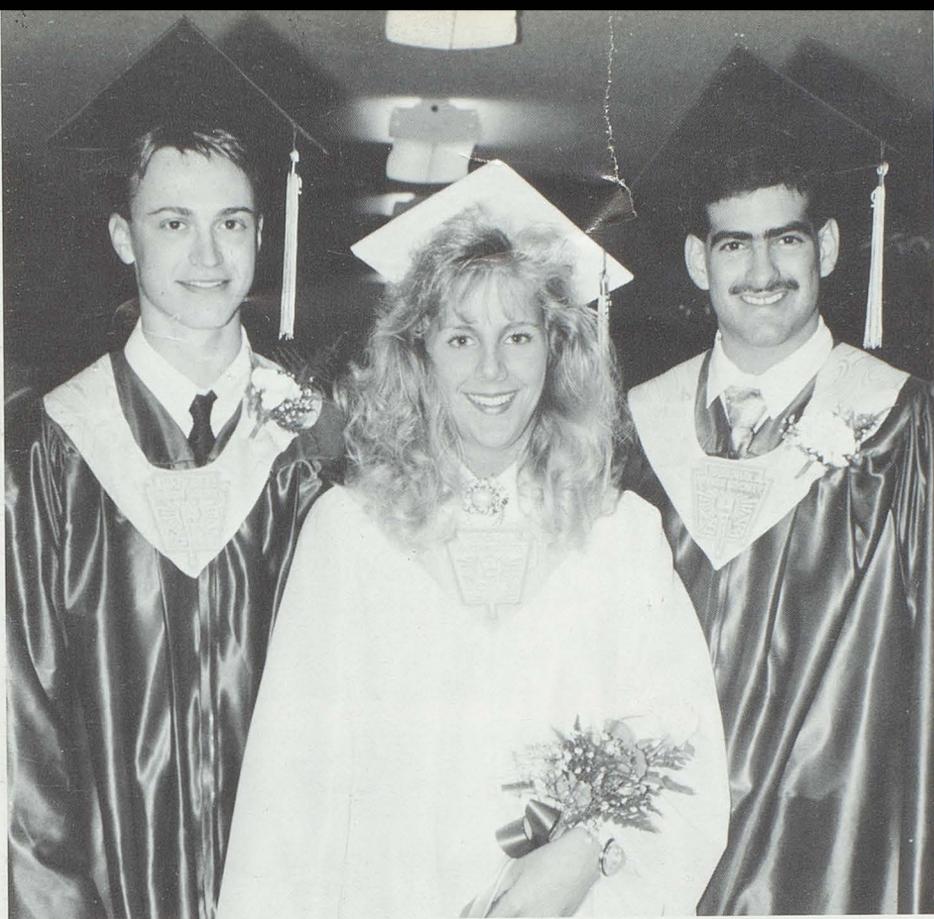

It was certainly a night for joy, celebration, and for "Making Dreams Come True" as the 1992 commencement exercise began to unfold at 8PM, on June 10. Not only had thirty-two young students reached a milestone in their life-long learning process, but many awards were also granted to deserving graduates. A High Honor Student award went to Tammy Pelletier for making the honor roll throughout her high school years. Kirk Fongemie received the Paul E. Chasse Memorial Award and Jonathan Violette was granted the Citizenship Award. Tammy Pelletier, Scott Dubois and Jonathan Violette also received State of Maine Legislative Awards which were presented by Representative Judy Paradis.

In addition, Department Awards went to the following seniors: English and French Awards to Scott Dubois; Mathematics and Social Studies Awards to Tammy Pelletier; Science Award to Jon Violette; Business Award to co-recipients Sammy Daigle and Ronnie Guerrette; Physical Education Award to Kirk Fongemie; and, the Fine Arts Award to Angela Olmsted. The St. John Valley Technology Center Award was presented to Jason Tardif and the Industrial Technology Award was presented to Jeremy Goggin.

That's not all! The Attendance Award went to Scott Bouchard for not missing one day of his senior year, Tammy Pelletier, Scott Dubois, Jonathan Violette, and Kirk Fongemie received Presidential Academic Fitness Awards, while Tracy Michaud and Scott Dubois were honored for having scored in the 95th percentile or better on the Writing portion of the 11th grade Maine Educational Assessment exam.

Furthermore... a total of \$71,700 in scholarships were awarded to deserving seniors, and three seniors were recognized for having earned the title of Certified Nurses Assistants from the Vocational Health Occupations Program. They were: Jennifer Warner, Michelle Williams, and Beverly Sirois.

When we look at all these awards and scholarships presented to graduating seniors, it is not wonder this class chose the theme "Making Dreams Come True" for their graduation. You have done exceptionally well, seniors. May your future be as fruitful and rewarding. Bonne chance!

**HONOR PARTS:** Honor Essayist, Johnathan Violette, Valedictorian, Tammy Pelletier, and Salutatorian, Scott Dubois.
