

PIONEER
2017

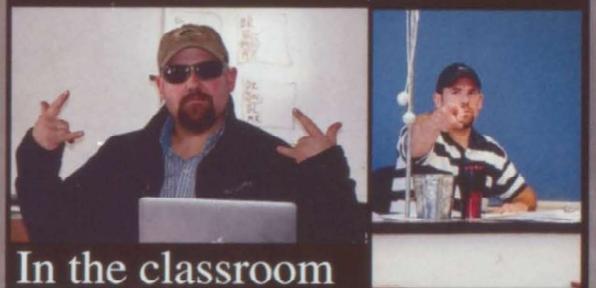

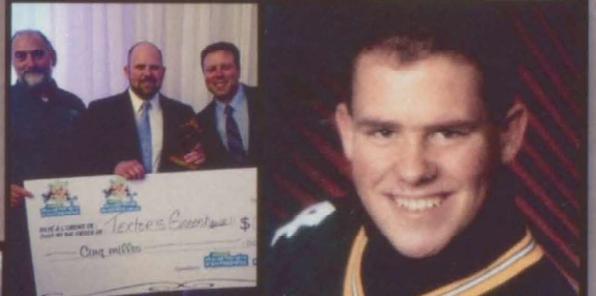

Dedication...

Mr. Nicholas Textor graduated from Wisdom Middle/High School in 1999. He was a Mr. Wisdom contestant, an athlete, and a "teacher's biggest headache." After high school, he attended The University of Maine at Fort Kent for Forestry, switched his major to Nursing and graduated with a degree in Biology/Environmental Science. After college, Mr. Textor worked at Fraser Papers and in 2007, was hired at Wisdom as a high school science teacher. He quickly became the teacher we feared... thanks to the upperclassmen. There was always something new to teach and no matter how much we hated the subject, he always found a way to make us love it-from field trips to lab experiments, solving mysteries, and lab reports. Much like a petri dish sample, Mr. Textor has surely grown on the Class of 2017. From giving us detentions and nicknames, to joking around, but looking so serious, he has always been a favorite. Aside from teaching, Mr. Textor enjoys spending his free time hunting, fishing, running his greenhouse business, and making time for his friends, family, and of course, his two fur babies, Coleman and Bailey. Very busy, but loving everything he does, Mr. Textor always creates an atmosphere that anybody would love to be in, except his classroom in the winter time... that's a different story. So, to Mr. Textor, from the Class of 2017, thank you for being our teacher, our guidance counselor, and of course living out your legacy and being our "biggest headaches," as well! High school wouldn't have been the same without you!

Seniors @ Work

"I can't, I'm working" is said frequently by the Class of 2017.

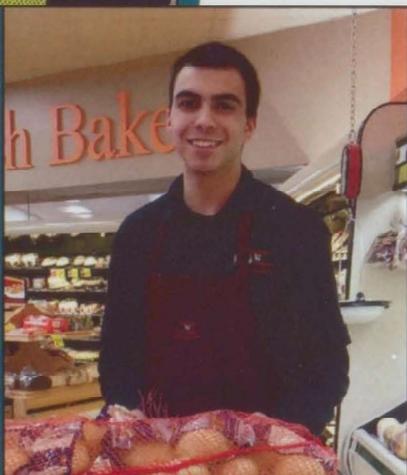

The majority of us have managed to balance work and school since we've had our worker's permit. Others have been lending a hand in the family business for as long as they can remember. One thing is for sure...the Class of 2017 knows how to work for what they want!

CAR GOALS

OUR CLASS HAS WORKED HARD TO GET WHAT WE DRIVE. SOME OF US HAVE BEEN THROUGH A FEW CARS; EITHER WE GREW TIRED OF THE OLD ONE OR PARKED IN THE WRONG PLACE DURING A THUNDERSTORM. SOME HAVE SCRATCHES, DENTS, AND BROKEN BUMPERS. BUT WE ARE STILL PROUD TO DRIVE THEM AND CALL THEM OURS.
